Notice.

THE subscriber takes pleasure in informing the Public that he has succeeded, at great expense, in thoroughly repairing the damage sustained by the great fall of rain on the 26th of last month. The Mill has been in successful operation for several days. Those who find it convenient to send can be accommodated in the best manner and in a very short time.

I must here return thanks to those of my debtors who, unsolicited, called and paid their accounts; but one had been standing over *two years*. There are a number of notes, some vendue, others for professional service, etc., with many accounts not standing over twenty-six years, that also no doubt would have been as promptly paid, if those indebted could *only be convinced* that I stood in great need. THOS. H. WHALAND.

NOTICE:

To all Whom it may Concern.

I DESIRE Tax Payers to understand that Taxes are due on the first day of July, and not, as many seem to think, on the first of January. I also desire to collect all the taxes in my District before the first of January next, so that I may be prepared to pay promptly all levies when demanded. It cannot be expected that I should wait with tax payers until the first of January, as at that time all levies upon me are due. This notice is deemed sufficient to show the necessity of prompt payment, and parties need not flatter themselves with long indulgence, as I am determined to collect the taxes within a reasonable time, and will resort to the law in every case where it may be necessary.

I can be found at the Court House, Chestertown, every day.

BOOTS AND SHOES.

In soliciting the patronage of the public, in the above business, asks to invite their attention to a few plain facts in connection with the art of Boot and Shoe making, and particularly to the fitting of the same. Being fully convinced that the pain and inconvenience under which so many persons suffer arises from unequal pressure on certain portions of the feet, which causes corns, bunnions, and other unnatural formations of the foot, may be removed with due attention to the formation of the Boot or Shoe.

S. P. RHODES

GUARANTEES

A GOOD AND EASY FIT,

Each article being made under my own superintendence. It is an indisputable fact that corns and bunnions are caused by unequal pressure on the foot; if the boot or shoe, therefore, be not formed according to the position of the foot when the weight of the body presses upon it, there must of necessity, be an unequal pressure, which, with the friction occasioned by walking, irritates and produces those afflictions. Hence, it is from the boots or shoes not fitting the foot properly, a defect solely to be attributed to the manufacturer, who may not possess sufficient knowledge of his business, that has caused so many to suffer from the ignorance of the few, both in health and wealth; in the former instance by the pain occasioned by corns, &c., and in the latter by compelling persons to cut their boots and shoes to give ease, or sacrifice such articles before they are half worn out, and inflicting grievous wrong upon the public at large, in regard to that essential point—the properly fitting of the foot.

Boot making ought to be regarded as an important science, although it is generally considered as a very simple business. This arises from the great number of boot and shoe sellers, not manufacturers, many of whom are not in the slightest degree acquainted with the making of either; and many of the articles sold by such persons are frequently made from the one last, as if all person's feet were precisely the same shape, a thing as utterly impossible as it is to see two persons with precisely the same features. The fact is, they are made for sale, and the comfort of the purchaser is not in the slightest degree attended to, while the material is frequently the very worst, the workmanship inferior, cheapness being the only point considered; but it often turns out the dearest. S. P. RHODES will not adopt that course, and assures those who favor him with a trial, that the article shall be manufactured of the best material, and best workmanship, and at the lowest remunerative prices.

I have now on hand a fine lot of GENT'S

BOOTS, SHOES AND GAITERS.

I take the draft of your foot, so the boot or shoe is shaped to it. Corns cut, and all other imperfections of the feet attended to, without causing the slightest pain. Persons waited on at their own houses.

Remember the old stand,

No. 159 WEST PRATT STREET.

S. P. RHODES,

Successor to the late Henry Peck,

who successfully carried on the above business for over fifty years. All measures, books and lasts kept, and I hope the old customers and the public in general will give me a trial.

KENT COUNTY RAIL ROAD.

MEETING OF STOCKHOLDERS.

THE undersigned Commissioners appointed by Act of the Legislature of Maryland entitled, An Act to incorporate "The Kent County Rail Road Company," passed the 8th of March, 1856; and an Act passed on the 10th of February, 1864, entitled "An Act to repeal the 12th section of an Act to incorporate the Kent County Rail Road Company, passed on the 8th of March, 1856, chapter 148, to add four new sections thereto and to appoint four new Commissioners in the place of four deceased Commissioners," by virtue of the power and authority conferred upon them by the said Acts, do hereby give notice to all the Stockholders or subscribers for Stock in the Kent County Rail Road Company, to meet at the Court House in Chestertown, on

Tuesday, the 11th day of September

next, at 11 o'clock, A. M., to elect by ballot, a PRESIDENT, TREASURER, and SEVEN DIRECTORS for the Kent County Rail Road Company, to serve until the second Monday of May next, when a new election will be held according to the Charter of the said Company.

According to the provisions of the Charter, each share of Stock subscribed, will entitle the holder to one vote and he will be entitled to as many votes as he shall have shares of Stock. If Stockholders cannot conveniently attend the Meeting, they can appoint by writing an Agent or Proxy to vote their Stock; the written authority so made to be signed by the Stockholder, but no particular form will be necessary if it be substantially correct.

The Commissioners, or such as may attend, will act as Judges of the Election, and appoint a Secretary pro tem. for the purposes of organization and recording the proceedings. The polls will be kept open from the time of meeting till 2 o'clock, P. M., to afford ample time for all to vote. A majority of the Board of Directors must be residents of the State of Maryland. The Judges of Election and Secretary, will certify to the election of such persons as may be legally chosen. A majority of all the votes cast will be necessary to constitute a valid election. If upon counting the ballots an election is not made of any one or more of the officers to be chosen, new ballotings will be had until the election shall be effected, although longer time than that designated shall be required. If the day of election should be inclement and a fair number of votes shall not be polled, an adjournment will be made till the next day at the hour and place before mentioned, when votes will be received till 1 o'clock, P.
