PERUVIAN SYRUP.

A PROTECTED SOLUTION OF THE PROTOXIDE OF IRON, supplies the blood with its LIFE ELEMENT, IRON, giving health, vigor and new life to the whole system.

To the thousands who are suffering from DYSPEPSIA, DEBILITY, FEMALE WEAKNESS, &c., would but test the virtues of the PERUVIAN SYRUP, the effect would not only astonish themselves but would please all their friends; for instead of feeling cross, "all gone" and miserable, they would be cheerful, vigorous and active

A DISTINGUISHED JURIST WRITES TO A FRIEND AS FOLLOWS:

"I have tried the PERUVIAN SYRUP, and the result fully sustains your prediction. It has made a NEW MAN of me, infused into my system new vigor and energy; I am no longer tremulous and debilitated, as when you last saw me, but stronger, heartier, and with larger capacity for labor, mental and physical, than at any time during the last five years."

Thousands have been changed by the use of this remedy from weak, sickly suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

The genuine has "PERUVIAN SYRUP" blown in the glass.

OF INTEREST TO THE READING PUBLIC.

On the first of January, 1868, there will be published simultaneously in the cities of New York and Baltimore the first number of a new monthly Magazine, to be called

"THE NEW ECLECTIC."

It will possess the following distinctive features, which it is hoped will recommend it to the favor of a large portion of the reading public.

1st. It will embrace the whole field of American, English and Continental periodical literature, and after a comprehensive and careful monthly review, will republish only such articles as bear evidence of the highest ability, the purest principle, and the most complete adaptiness to the wants of American readers and the general necessities of the age.

2d. It will refuse to identified with the principles of any party or sect, political or religious, but will seek to bring before a discriminating public views of the most esteemed and temperate organs of the more prominent schools which divide the suffrages of the thinking world, with a view to promote the growth of an intelligent, healthful operative public opinion.

3rd. The selections will come under the general heads of Politics, Sociology, Religion, Belles Letters, Biography, History, Science and Art and the aim will be to keep busy mercantile and professional men accurately and compegdiously informed upon those important movements of the day in the world of thought and discovery, which merit the attention of all classes of society.

4th. Though distinctively an Eclectic Magazine, the liberty will be reserved of bringing forward original articles from time to time, but only such are from the pens of the eminent writers.

5th. A special department will be devoted to notices and concise reviews of the most valuable new publications, and care will be taken to render all information under this head pertinent and trustworthy.

Each number of the Magazine will contain 128 octavo pages, in clear distinct typography, and printed on the best paper. The subscription price will be $4.00 per annum, in advance; to ministers, 3.00. Single copies 50 cents. Specimen numbers may be had of the principal news dealers of the country, upon a written application addressed to the Magazine, box 1484, Baltimore.

Nov. 16, 1867.

MY SWEET DAD!

His son to town my daddy brought,
A long tailed coat for me he sought,
And long he sought in vain;
Coats there were, but none so cheap
As dad could seize with his small heap;
For home we left again.

We met a man upon the way,
His dress was neat, his air was gay,
And he told to my dad
That but *one Store* in Chestertown
Kept cheap coats, both black and brown,
That Store L. MASTBAUM had.

So back to town we come once more,
Went into MASTBAUM'S handsome store,
And golly! wasn't I glad!
Dad bought a coat and waistcoat to,
For money less than he had drew
To buy the coats; Sweet Dad!

And I would say to every man
Who wants a coat, new, spick and span,
Or hats of every hue,
Or shirts of every kind and Style.

Or Overcoats, Underclothing, Gloves, Cotton, Hosiery, Suspenders, in short, everything contained in a first class Clothing and Furnishing Store.

☞ Go to L. MASTBAUM'S opposite the Town Hall.

A NEW STORE

To be Added to the Multitude already in Chestertown.

THE subscribers have leased a part of the new building below the Bank, for the purpose of engaging in the Mercantile business; they will keep a General Stock of Merchandise such as is usually kept in a country store, except Boots and Shoes, that branch of the business in the new building will be supplied by Mr. J. W. Collins, on the corner.

For the present the business will be conducted on the

CASH SYSTEM

or its equivalent, not because we are unwilling to accommodate our friends and the public, (for the credit business is desirable because it is decidedly more profitable) but simply for the want of means to do so.

We will purchase our Goods at net cash prices as near first hands as possible, and sell them at *SMALL PROFITS* for CASH or Produce, and under some circumstances for thirty and sixty days.

We intend to do a legitimate business, not selling some goods below cost to make an impression,

But the Entire Stock will be Offered at Small Profits and always at ONE PRICE.

We will do our best to make it the interest of the public to deal with us. We have made arrangements to supply the LADIES with Fine Goods, such as cannot be kept in sufficient quantities in the Country from a FIVE HUNDRED DOLLAR SHAWL, a Silk Dress, a Lace Collar or Handkerchief down to a pair of Jouvins Best Kidd Gloves of any size or color. We will consider it no trouble to show our goods, and when desired, goods purchased of us will be sent to any part of the town if it is not convenient for our customers to send for them. Persons from the country purchasing goods from us, can have them delivered at the Hotels or at the end of the Bridge in Queen Anne's. We consider it at present unnecessary to enumerate articles.

Our friends and the public are invited to call and examine our stock.

Furniture.

We are of the opinion that the demand for furniture particularly of the better grades has not been supplied to this market. We intend to keep a well selected stock of

CHEAP and GOOD SUBSTANTIAL FURNITURE,

which will be bought of the Manufacturers at the lowest net Cash prices, and sold at MODERATE PROFITS. Samples of many kinds will be on hand, and arrangements will be made with Manufacturers to fill orders for any description of furniture at city prices. Furniture sold to go to Queen Ann's will be delivered at the end of the Bridge in Queen Ann's, or on the Steamboats free of charge, securely packed, and warranted to be as represented.

CARPETS

AND

OIL CLOTHS.

We will also have connected with the store, a room for Carpeting and Oil Cloths and many other Goods in that line. Oil Cloths for Halls and Rooms in one piece, all at city prices. And

LAST BUT NOT LEAST

We have been appointed agents for Two First Class SEWING MACHINES viz

Grover and Baker

AND THE

HOWE

SEWING MACHINE,

the GROVER and BAKER is used in the family of the Rev. Mr. GOODWIN, Pastor of the Protestant Episcopal Church, Rev. Mr. MURRY Pastor of the Methodist Protestant Church and the Rev. Mr. QUIGG Pastor of the Methodist Episcopal Church to whom we refer by permission,

The HOWE MACHINE is made by the Company of which Elias Howe, the inventor of the Sewing Machine was the President, (lately deceased,) it must be supposed that he knew how to make a sewing machine and it only needs to be tried. The Sewing Machines will be kept in a room fitted up for that purpose, where persons desiring to purchase will be instructed how to use them. All necessary supplies will be kept for these machines, and we will guarantee the prices at which the machines are sold to be the same as the city prices, from $55 up.

The Ladies will feel at liberty to visit the sewing machine room whenever inclined to do so.
