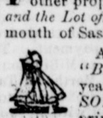
N. G. WESTCOTT, Sec'y and Treas'r.

Jan. 10, 1857.

Notice.

I OFFER on easy terms, or will exchange for other property, my *WHARF, GRANARY and the Lot of Ground* adjoining, at Betterton, mouth of Sassafras river.



Also the Schooners *"BLOOMFIELD,"* 3 years old, & *"SARAH SOPHIA,"* 4 years old,

prime vessels in the hull, and sails rigging in good condition—now in good order for carrying grain, &c. Capacity of 'Bloomfield' about 3000 bushels, under deck—'Sarah Sophia,' 1500.

The wharf built in 1855, on piles in the most substantial manner—has since been protected against ice &c. by a series of breakwaters and puns of stone, renderiag it capable of sustaining a powerful pressure. Granary 30 feet square with 3 stories and attic—capable of storing some 6 to 8000 bushels of grain by increasing the garners. Lot of ground, about 2 acres

To an energetic person with some capital, who would devote his entire attention to the business, the above presents a favorable opening; as the place is an improving one and located right upon the Bay, witin 1½ miles of the great thoroughfare of freight and passenger travel from Philadelphia to Baltimore, must ultimately command a large share of business denied by remote position to many other localities.

In case of sale of vessels only, the Granary and privilege of wharf will be rented and the subscriber will attend thereto, it desired, assisting by such influence and fe'ghting as he may control on possess.

To my friends and customers who have so kindly sustained me the past year and previously, in a public enterprise, I return my heartfelt thanks and inform them that should I not succeed in selling my vessels they will be run as heretofore and my efforts given to promote the interests of all who may confide their business to my care.

Advances made on Grain to be shipped within a specified time, and consignments respectfully solicited.
