And come with a rush if you want to get some of the good things we are offering in

Suits and Overcoats
Men, Boys and Children

of all description.

Our line of Men's Suits and Overcoats are quite varied and complete. But don't wait, as they will soon go at the reduced prices we are offering them.

The assortment of Boys' and Children's not quite so large as our sales have far exceeded any previous season on children's wear, yet there is plenty to find a good selection if you come early.

Uuderwear, Gloves
Seperate Trousers

and all heavy stuffs must get out of the way and in order to hurry it out we have marked it accordingly.

All our goods are marked in plain figures and marked at prices they honestly should be sold for. You know what to infer from this. In other words — the discounts we give you from these marked prices — ARE DISCOUNTS. Draw your own conclusions.

Live Local Notes.

Leased.—The owners of Stam's Hall have leased the hall to Mr. Thomas Massey who succeeds Mr. T. G. Wroth.

Sale of Property.—John D. Urie, Esq., trustee, sold the Brown lot on Washington avenue, adjoining W. E. Jarrel's property, last Saturday to Robert J. McWhorter for $560. Mr. McWhorter expects to improve this lot and build a home thereon.

A Big Sale.—The sale of personalty on Monday by Mr. J. T. Ireland was largely attended and cattle brought fine prices. Mr. Urie says it was one of the best mid-winter sales he has attended. Churn Creek farm has been rented to Mr. David Cannon, who now lives near Washington College.

Officer Appointed.—The town commissioners, comprising Messrs. Thomas S. Bordley, George D. Lofland and Wm. S. Carroll, at a meeting held Monday night, unanimously appointed Mr. Samuel E. Cooper as day policeman. Mr. Cooper has been tried in this position before and found true and the town is fortunate in securing his services.

Sale of Horses.—Mr. Nelson, the well-known horse buyer, took away on the Ford yesterday Linwood, purchased of Mr. W. A. Bell, and a pair bays bought of Mr. George Bell. The price is reported to have been $200 for Linwood and $300 for the bays.

School Notes.—Misses Myrtle Durding and Cora Middleton have been appointed teachers at Rock Hall.

Miss Mary Groves goes from Flatlands to Swan Creek.

Miss Mary Nicholson will likely take Flatland school.

A Coming Treat.—Too much praise cannot be given John S. Vandigrift for engaging the Schubert Symphony Club and Lady Quartette of Chicago to appear here on Jan. 21st. This company is in its tenth year of success, and is acknowledged everywhere to be the most "up-to-date" Musical Company traveling. Everybody likes music and everybody enjoys a hearty laugh. A delightful blending of pure fun and fine music is one reason why the above company has won its way to the top notch of public esteem.

Bible 147 Years Old.—Another exhibitor besides Isaac Brown, at the Baltimore Colored Industrial Fair at Centre Market Hall on Nov. 25th to Dec. 2nd, was Mrs. P. E. Denby, of Chestertown, who had on exhibition a silk crazy quilt, 3 silk pillows, one testament book which belonged to her father the late James A. Jones, and was 147 years old; two jars of canned peaches. She received premiums on the book and canned peaches. This fair was a big success and showed many useful things made by the colored people of Maryland. We are gratified that Chetertown was so well represented.

A Big Surprise.—Dr. F. T. Little and family were given a double surprise on Wednesday evening. The first was in the disappearance of electric light at the very time when he wanted to show them, while the second surprise was the visit of a hundred or more of his congregation. The latter were headed by Col. and Mrs. W. J. Vannort while Mr. Joseph Guest brought up the rear. A wagon load of groceries, vegetables and provisions were placed in the pantry and a purse of $26 presented the popular pastor by Mrs. Vannort on behalf of his people. The speeches were appropriate and filled with cheer and hopes for the future. The young people enjoyed the evening with games while the older ones took pleasure in looking on. It was a pleasent occasion to all concerned.

A Rough Voyage.—With her foreboom snapped in twain and otherwise badly strained by the heavy seas encountered off North Point, the schooner W. W. Coleman, Capt. J. B. Coleman, returned to Baltimore after a futile effort to reach Rock Hall Tuesday.

Capt. Coleman stated that he left Baltimore at 7.30 a. m., and all went well until he opened North Point, with 20 miles of water to windward, when his vessel was struck by the full force of the wind, which was terrific. Heavy seas broke over the vessell, carrying away everything movable which was not lashed down. "Every preparation had been made for a bad spell," said Captain Coleman, "and sail had been shortened to meet the conditions. The Coleman was caught in the trough of the heavy sea, where she swallowed like a log. I had fully determined that it was too bad to proceed, and, while getting her about, a sudden squall, stronger than the rest, struck the vessell throwing her on her beam end. The sudden gybing of the foresail snapped the foreboom, which put the foresail out of business, and with a small piece of mainsail and the bonnet out the jib we reached the city, where we will remain to make repairs before sailing again for Rock Hall.

The heavy wind and sea stopped all tonging of oysters and laden vessels did not reach port. The result was a stiffening in the prices and a cheering of the hearts of the skippers in port. Much good weather had caused the heavy accumulation of oyster stocks, with consequent weak market as to prices. Heavy weather has the effect of thinning out the supply and increasing the profits of loaded vessels. All the dredgers and tongers were in harbor, not one daring to venture out.
