DEMCRATIC TICKET.

FOR CONGRESS:
HON. GEORGE W. COVINGTON
OF WORCESTER COUNTY.

FOR CHIEF JUDGE
of the 2d Judicial District of Maryland
JOHN M. ROBINSON,
OF QUEEN ANNE'S COUNTY.

FOR ASSOCIATE JUDGES,
JOSEPH A. WICKES,
OF KENT COUNTY;
and
FREDERICK STUMP,
OF CECIL COUNTY.

The Coming Election.

A week from next Tuesday is election day. This fall we vote for our Circuit Court Judges, and for Congressman. For Congress, the Honorable George W. Covington, who has served satisfactorily to his constituency during the past two sessions, is presented by the Democratic party for a return to his post, where from gained experience in public affairs, he will be more useful in the future than he has been in the past.

For the Circuit Court, the Democratic party has put up the old bench,—the three judges who have served for fifteen years, faithfully, uprightly, honestly, fairly. No man, of any party, has cast or can cast an aspersion against their undeviating fairness, or their unswerving adherence to their convictions, in the administration of justice.

The judicial ticket that the Republican Convention put in the field is a ticket which well-informed Republicans themselves blush over. Who are they? George Russum, a skim milk Democrat and a sour milk Republican,—a man who has flopped around in politics like a weather-cock in a rain-storm,—who has been anything and everything for the sake of office, and who has never yet got any office. The other is a young man, who has never been heard of outside of his own county, until nominated for judge. We say that the Republicans themselves are ashamed of their ticket, and certainly no straightforward Republican could desire to see such a ticket upon the bench of this district. We do not believe the ticket meets with half way support from the white element in its own party.

Next Tuesday week is election day. There has not been much noise made in this campaign, but those who take any interest in political matters, should not only come out themselves, but should interest themselves in having Kent give a rousing majority for our old bench and for our candidate for Congress. Do not stay at home. Do not let your neighbor stay at home. Listlessness has lost many a cause.

A Republican Paper on the Judge Question.

From the Caroline American Union of April 13.

"A convention of the people without regard to party predilections, discarding factions, syndicates or personal aspirations, should be called at an early day to meet in Centreville and recommend to the voters of this circuit the re-election of the present Judges, whose services on the bench for the past fifteen years, their impartiality, incorruptible character and purity in the administration of justice is the surest guarantee of future usefulness and efficiency. A movement of this kind on the part of the people would be a fitting tribute to the bench which they have so honorably adorned, and a delicate compliment to the individual character of each, and at the same time a just recognition of their valuable public services."

MAHONE MADE VERY ANGRY.

A POSTMASTER SENDS HIM CONFEDERATE MONEY AND THE BOSS OF BOSSES TAKES REVENGE.

LYNCHBURG, Va., Oct. 20.—Some days since George M. Helm, the stanch anti-bossism Postmaster at Helm's Store Post Office, in Franklin county, received a mandate from the Mahone-Hubbell managers calling on him for an assessment of $20 for campaign purposes. Mr. Helm at once wrote a formal letter acknowledging the receipt of the Mahone-Hubbell favor, and winding up with the words, "Enclosed please find the amount asked." With the letter was $20 in Confederate money.

Yesterday Mr. Helm received a notification that the Post office did not require his services any longer, and so anxious was Mahone to vent his spite not only upon the decapitated Postmaster, but the people in that section who sustained Helm's course, that he has had the Post Office abolished, and all the mail now has to go to Rocky Mount, 10 miles out of the way. Helm is out in print, saying for himself and the people of that district: "We are still brave enough to say that we will not barter our honest convictions, and we still denounce the wretch, and refuse to crawl upon our bellies at the feet of this little bob-tailed, weevil-eaten railroad conductor and would-be autocrat, Billy Mahone."

A YOUNG man started for a drive of twenty miles with his sweetheart, through an uninhabited tract in Minnesota. At a point about midway of the lonely route the pair had a bitter quarrel. The fellow unhitched the horse, mounted it, and rode away, leaving the girl alone in the wagon, where she remained all night, and next day walked home.

Fall Festivals and oyster suppers are beginning to ripen.

The Steamer Corsica is put on regular trips. See schedule.

Don't forget that Tuesday week is election day. Talk about it to your neighbor, and work up an interest before voting day comes.

Mr. Edward Slaughter has raised some uncommonly fine sweet potatoes this year. He knows how to grow potatoes as well as chickens.

Mr. Wm. Ford, living near Chestertown, sold this week to Mr. J. Brice, a six-month short-horn calf, weighing 615 lbs. The father of the calf is owned by Judge Stump.

The Enterprise, which was grounded last week in the Patapsco river, was got off after unloading, without any damage. She had the advantage of being a first-class, bran new boat, otherwise she might have suffered more.

Visiting Attorneys.—During the present session of Court the following members of the bar from a distance have been present,—J. B. Brown, Esq., of Centreville, M. Bannon, Esq., of Annapolis, —— Kennard, Esq., of Baltimore, —— Ellegood, Esq., of Cumberland.

The Season for shooting partridges and rabbits, began in this county yesterday. Sportsmen however had better be careful where they shoot. See caution notices. It is possible that those who have not given notice, have a yearning tenderness for the man with dog and gun, and will be glad to have him bang away on their premises. But we can't always tell.

Revival.—On Sunday night, 15th inst., a protracted meeting was begun in the Chestertown M. E. Church. From the very beginning much interest has been shown, and the altar has been nightly crowded with penitents. Up to Monday night inclusive, there had not been a meeting when there was not one or two conversions, and still the interest is unabated. The revival appears to be genuine, and reminds us of those in years gone by.

Going to Leave.—Mr. Walter H. Beck, otherwise known to his friends as Judge Beck, has announced his purpose to leave in about ten days, to make his home in St. Louis. He has been offered there a very satisfactory position. The departure of Judge B. will be hailed with sorrow by a large circle of personal friends. The Owls especially are in great distress at his loss. It is barely possible that Judge B. himself is not overly anxious to leave the banks of the briny Chester, but business is business.

Court Proceedings.—*October Term*, 1882.—

Thursday, Oct. 19.—The Grand Jury has found true bills of indictment against Joseph H. Morris for the murder of Emma Turner, at or near Morris Station on or about July 20. Against Jos. Brown, colored, for setting on fire and burning the stackyard of John W. Hines. Against John T. Proctor for selling whiskey to Jas. M. Pote. Against John T. Proctor for selling whiskey on Sassafras river, nearly opposite Georgetown, Md. Against Aaron Comegys, (who has served several terms in the penitentiary for similar offences,) for larceny. Agains John Hall (2) for selling liquor contrary to law. Against Mrs. John Hall (3) for selling liquor contrary to law. Against Perry Trusty, col'd, for larceny. A presentment against Thos. Taylor as being a dangerous person, high-tempered and disorderly.

John C. Vosheil vs. Wilson Register; appeal from Vachel Burgess, Esq. Tried before the Court. Judgment reversed. Judgment for Voshell for $39.07 and costs above and below.

D. M. Osborne & Co., vs. C. H. B. Massey. Jury trial. R. Hynson, for plaintiff; Jas. A. Pearce for dendant.

Wm. Erskine, a native of Ireland, was admitted to citizenship.

Friday.—Osborne-Massey case concluded; the jury was out several hours and returned a verdict in favor of the defendant—Massey.

Orphans' Court.—TUESDAY, Oct. 24, 1882.—Present, Judges Nicholson Shallcross and Willson.

C. J. Scott, administrator of Jas. B. Hance deceased, returned his second and final administration account which was examined passed as stated and ordered to be recorded.

Harrison E. Cooper, administrator of John H. Cooper deceased, returned his first and final administration account which was examined, passed as stated and ordered to be recorded.

J. W. Bird, executor of Abraham Hurlock deceased, returned an account of sales of the personal property of said deceased, which was received and ordered to be recorded.

On application letters testamentary on the personal estate of Dr. Wm. H. Meeteer, late of Kent county, deceased, were granted and committed unto Margaret H. Meeteer, the executrix appointed in the last will and testament of said deceased, who filed her bond in the personal sum of $15,000 which was approved.

On application, letters of administration on the personal estate of A. W. Melvin, late of Kent county, deceased, were granted and committed unto Susan Melvin and Milton Melvin, who filed their bond in the personal sum of $2,000, which was approved, and Bevans Morris and Thos. S. Wilmer were appointed to appraise the estate.

Samuel Cacy, administrator of John Maslin, late of Kent county, deceased, returned his first and final administration account, which was examined, passed as stated and ordered to be recorded.

Malaria, Chills and fever, and Billious attack positively cured with Emory's Standard Cure Pills—an infallible remedy; never fails to cure the most obstinate, long-standing cases where Quinine and all other remedies had failed. They are prepared expressly for malarious sections, in double boxes two kinds of Pills, containing a strong cathartic and chill breaker, sugar coated; containing no Quinine or Mercury, causing no griping or purging; they are mild and efficient, certain in their action and harmless in all cases; they effectually clean the system, and give new life and tone to the body. As a household remedy they are unequaled. For Liver Complaint their equal is not known; one box will have a wonderful effect on the worst case. They are used and prescribed by Physicians, and sold by Druggists everywhere, or sent by mail, 25 or 50 cent boxes. Emory's Little Cathartic Pills, best ever made, only 15 Cents. Standard Cure Co., 114 Nassau Street, New York. For sale by C. F. Stam.

Transcript for 1883

For 1883 we propose to use our utmost efforts towards making the *Transcript* a still more acceptable county paper. It will be printed on a good quality of paper, it will be neatly printed, and it will not be behind in presenting the news of the county and State in a readable form. We expect to make the *Transcript* a home paper for home people. Especially will it aim to discuss matters pertaining directly to Kent county. We design adding to its pages for 1883, a special children's column, which shall be made interesting and instructive to the young folks of the family. In short, we propose to make it such a paper as every family in the county should have. Our subscription rate is $1.50 in advance, and to subscribers who will send that amount prior to the 1st of Jan., 1883, we will mail the paper till the 1st of January, 1884.

Clubbing.

We have made arrangements with a number of magazines and other periodicals, and to any of our subscribers who desire any of the standard publications, in connection with the *Transcript*, we can make a reduction on the combination

Job Work.

We keep on hand a good supply of job material, and we give careful attention to all job work. We keep good letter paper, and we can furnish it by the 200 or 500 sheets, with business card printed at the head, for less money than the paper alone can be bought at retail. We keep in stock envelopes of various colors and qualities and can furnish them by the quantity with business card upon them, for less than they can be purchased at retail. Whenever you want paper and envelopes by the 100 or upwards, come to us and see what we can do for you. We can also supply hand-bills, programmes, flyers, cards, and various other sorts of printing. If you desire wedding invitations, give us ten days notice, and we can supply them at a cost of from two to twenty dollars, according to style.

To Advertisers.

If there are any who do not receive the *Transcript* regularly who may desire to insert an advertisement of public sale, or other manner of advertisement, we will mail the paper to such during the run of the advertisement. Those who have property to sell, should aim to spread the fact as much as possible, and to draw as many bidders as possible to their sale. A liberal investment of printer's ink is rarely money wasted.

The Best Time

To buy Autumn and Winter Clothing at Oak Hall is at the first of the season, when the stock is full and before cold weather creates a rush of buyers. The woolen market is so short of good materials that the low prices with which we open will be the lowest of the season. One million dollars' worth of clothing and materials await your command. You are equally welcome for a $5 boys' suit or the most liberal custom order.

JOHN N. DODD,
FUNERAL DIRECTOR
—AND—
Furnishing UNDERTAKER,
CHESTERTOWN, MD.
CASKETS, Burial Cases, Coffins, Fine Cloth Work, Shrouds, Burial Robes, Merino and Satin Linings, &c., of all descriptions and kinds, and all the requisites of first-class Funeral Furnishings constantly on hand, or furnished at the very *lowest prices.*
METALIC COFFINS and CASKETS,
furnished upon short notice when desired. A full line of
SHROUDS and BURIAL ROBES.
Patent Improved
COLD AIR ICE CASKETS for the preservation of the dead; also Embalming Fluids. I have recently introduced a remarkably cheap BLACK CLOTH CASKET, which in appearance is almost equal to the finest. Remember I do not confine myself exclusively to fine and high-priced work, but have an endless variety at *medium and low prices.*
I have THREE HEARSES, two large ones and one small white one for children and young persons; and with my handsome new Glass Hearse and fine pair of Black Horses, can furnish as fine a Funeral Turnout as can be seen in our large cities. I am constantly adding new features and improvements to my business, in order to keep up with the times; and as there are such changes in style and kind constantly going on, and, as is generally the custom, some friend is called into the embarrassing position of ordering what he supposes may be wanted, it would be much more satisfactory to all concerned to name the *price* of the article wanted
☞ ALWAYS REMEMBER that I *guarantee* to furnish *anything* in my line, of the same kind and quality, at *lower prices* than any other establishment of the kind. Ever grateful for the very liberal patronage heretofore extended me, I respectfully beg a continuance of the same.
☞ Residence second door above my shop.
Respectfully,
Aug 10—tf. JOHN N. DODD.
