SATURDAY, MAY 2, 1908.

THE Democratic State Convention will be held on June 3, in Baltimore, to elect delegates to the Denver convention. The First Congressional Convention will be held July 23, at Ocean City.

THE voters of Chestertown on Monday decided to put the town in the line of progress. By giving the commissioners the right to levy more tax they will now be in a position to improve the streets; lay pavements and increase the town's fire protection.

MESSRS. JOHN D. URIE, Wilbur Eliason, John C. Davis, D. B. McMenamin and C. M. Clay attended the Republican Convention in Baltimore this week. John D. Urie, Esq., was elected alternate at large to Chicago.

A REMARKABLE INCIDENT in connection with the official record of Kent's late sheriff, Andrew Medders, is that he did not sell a single piece of property in the county for taxes! He and Treasurer W. E. Keyser managed to collect every cent due without recourse to sale.

THE itinerary of the Atlantic battleship fleet has now been arranged. They are to visit Australia, put in nine days at the Philippines, then to Yokohoma, where the fleet will divide. One squadron will go to Amoy, reaching there on October 29, the other to go to Manila, where it will arrive on October 31, the two squadrons to become united at Manila on November 7. After that the final run home by way of the Suez canal and the Mediterranean will be worked out. It is certainly to be a most memorable cruise.

POLITICAL NOTES.

Messrs. Charles L. Dodd, Dr. G. Allen Jarman and George Bell are named as representatives of the Bryan League in Kent. Mr. Bell says his name was sent without consulting with him.

Senator A. P. Gorman, Jr., was given a testimonial dinner in Ellicott City Tuesday night by 300 admirers at which his candidacy for the United States Senate was encouraged. Senator Rayner will also likely be a candidate.

Governor Crothers has named the Good Roads Commission as follows: Governor Crothers; Dr. Ira Remsen, of the Johns Hopkins University; Dr. William Bullock Clark, of the Maryland Geological Survey; Mr. John M. Tucker, of Cecil county; Mr. Samuel M. Shoemaker, of Baltimore county; Mr. Frank Hutton, of Montgomery county.

The chairman of the commission will receive $2,500 a year and the other two members, not belonging to the Geological Survey, $2,000 a year. The three members of the Geological Survey are required to be placed on the commission by the law, but serve without pay. One of these, the law requires, shall be the Governor.

The most distinctly non-political appointment made by the Governor on Saturday was that of Mr. Jacob Moses for justice of the Juvenile Court. Mr. Moses' selection was due entirely to the charity organization people.

The Governor gave recognition to the Crescent Club element of the party by the assignment of Mr. Morrill N. Packard, one of the leading members of that organization, as the substitute justice of the Juvenile Court. Mr. Packard has served in that capacity with Judge Chas. W. Heuisler.

Col. Tomas J. Ewell, a staff reporter on the Baltimore Sun has been named as Fire Marshal, vice John M. Tucker, resigned. The salary is $2500 and a $1200 clerk to be appointed.

Ex-Governor Warfield came out Monday in a strong indorsement of Governor Johnson, of Minnesota, as the best Presidential nominee the Democratic party could select, in an interview given while preparing to start on a three weeks' trip West, on which he will visit Minnesota and call upon Governor Johnson.

Mr. Warfield picks Governor Johnson out of the entries for the Presidential race without qualification. He says he is the one man whom the business people will support and that he can carry the doubtful States. He has made this possible, Mr. Warfield declares, because of his conservative statements in his recent speeches. The former Governor, while not comparing Governor Johnson with Bryan, says that he is a personal friend of the latter and has admired his integrity, ability and eloquence, but he believes Governor Johnson the more available candidate.

In the Republican convention held at Columbia, S. C., the white chairman bowled over a colored delegate who wanted to occupy a seat on the platform. The negro fell on his head and suffered serious injury.

THE Maryland, Delaware & Virginia Railway Company announces a change of schedule of the Chester River Line in effect May 4th. Steamers will leave Chestertown at 7 a. m. instead of 8 o'clock.

THE Chestertown voters on Monday decided to own the Water works and started the sprinkler Tuesday, next day. The "City Council" is to be commended for this act.

KENT is to be congratulated upon having as its State's attorney such an indomitable worker and efficient representative as William W. Beck, Esq. He is a terror to law violators and presses the State's claims in a vigorous manner. He has won fresh laurels at this term of Court.

WHILE THE Merry Widow hat is being treated more or less as a joke, it has a serious side (or rather size) to it. Nobody will argue that a fashion which actually makes it difficult for man to see what is going on in front of him, which gets in his way in the cars—and wherever people congregate and women's hats are not removed—does not constitute a real nuisance. Newspaper dispatches refer to the trouble ministers are having with this new fad. A dispatch from Atlantic City says that a preacher there has issued an order that women must leave their hats at the door next Sunday. At Pittsburg another dispatch says a school superintendent refused to go on with an institute until the women removed "their abominable hats." A Philadelphia dispatch says that while out boating four people were upset and one young women nearly drowned owing to a man's desperate effort to avoid stepping on a Merry Widow hat. So the stories run, mingling tragedy with comedy, but all bearing a moral. Hats are too big. They are in the way both of the wearers and of innocent people. A fashion which disregards so many dictates of comman sense and good taste is bound to yield.

More glasses are worn

Now-a-days than ever before, No doubt of it. People used to think that the wearing of glasses should be put off as long as possible.

We know better now. We apply every known agency for the relief and cure of eye weakness, and there are methods in common use to-day which weren't heard of even ten years ago.

Now we commence to right eye-sight just as soon as it begins to go wrong. Now school children by the hundred wear glasses. And its wise and proper, too.

Let us tell you what shape your eyes are in.

We are the only Graduate Opticians in Kent county and have the latest appliances known to science for the proper testing of the eyes.

PICKNELL

RACE RECORD, 2:15¼.

AUTHENTIC TRIAL, 2.09.

FOALED 1901.

REGISTERED No. 35,381; RULE No. 1, TROTTING STANDARD.

The attention of prospective breeders is respectfully invited to what I believe is the most attractive proposition ever offered in this section. I INVITE THE FULLEST INVESTIGATION of this horse's claims to SUPERIORITY, and can furnish incontrovertible evidence from which the prospective breeder may draw his own conclusions.

PICKNELL'S SIZE, 15.2 hands, and COLOR, mahogany bay, are IDEAL and his BREEDING is THE HIGHEST OF FASHION. HIS CONFORMATION is the "EASY KEEPER" KIND. HE IS ABSOLUTELY LEVEL-HEADED, and HE IS SOUND and WITHOUT A BLEMISH. HE WEARS NO HOBBLES NOR OTHER FALSE RIGGING; and when raced, wore only such boots as are commonly used for protection.

PICKNELL was started GREEN, in the early fall of 1906, in SIX races, winning TWO of them, and being well up in the money the other four. He made his first, regular stud season, last year at Newark, Del.; and Mr. H. R. Tyson, in whose care he was, says that he would have had him in condition for the racing season, and a record well within the 2:10 list, but for the season I permitted him to make.

The oldest of Picknell's get is a two-year-old, bay filly, 15.1, no white, a blue ribbon winner, showing 2:30 speed as a yearling.

PICKNELL'S SIRE is ALLERTON, 2:09¼; CHAMPION TROTTING STALLION to HIGH WHEELS; THE LEADING SIRE FOR 1907, and THE GREATEST SIRE OF HIS AGE LIVING OR DEAD. Allerton 2.09¼, is sire of 178 in the list, of which 136 are TROTTERS WITH RECORDS from 2:07½ to 2:30, and 42 pacers from 2:02 to 2:25. Allerton's sire was JAY BIRD, 2:31, sire of 106 TROTTERS from 2.06¼ to 2.30, and 12 PACERS from 2:09¼ to 2:25; and Jay Bird was by GEORGE WILKES, 2:22, etc.

PICKNELL'S DAM is BON BON, dam of Picknell, 2:1 5¼; Bon Jay, 2:19¼; Miss Minnie, 2.23; Gay Baron, 2:26¼, tr. 2:15; Jay Boul, tr. 2:09¼; Baron Stamboul, mat., 2:16, and Laurine, dam of four in the list, including THE KENTUCKY FUTURITY WINNER, OXFORD BOY, 2:20 at two years old. BON BON'S FULL SISTERS, Brava, 2:14¼, and Bon Mot, 2.25¼, each have THREE TROTTERS in THE LIST better than 2:30.

BON BON'S SIRE is BARON WILKES, 2:18, TROTTING, sire of 107 trotters from 2:08¼ to 2:30, and 30 pacers from 2:03¼ to 2:25; and is the world-famed "FUTURITY SIRE."

BON BON'S dam was MARY A. WHITNEY, 2:28, trotting, and dam of FIVE TROTTERS, from 2:14¼ to 2.30. She was by Volunteer, full brother to Dexter, 2:17¼, and the sire of 33 trotters and 1 pacer in the list, including the one-time WORLD'S CHAMPION TROTTER, ST. JULIEN, 2:11¼.

MARY A. WHITNEY'S DAM was PEGGY SLENDER, dam of the TROTTERS, Mary A. Whitney, 2.28, and Wm. H. Allen, 2.23¼.

PICKNELL will stand in my Calvert Street Stables, Chestertown, Md.

TERMS—$15.00 the season. Insurance, by special agreement, $25.00. Please make your bookings EARLY. All mares subject to my approval. I offer this very low price for reasons of my own. It is your opportunity.
