STATE TREASURER STEVENSON ARCHER, who was placed under arrest at his home Hazel Dell last week, was released on $25,000 bail on Monday. The committee of investigation place the sum of his defalcation at about $200,000. The investigations by the committee will be thorough and searching. The people of the State have a right to expect this at the hands of the Legislative committee and nothing less than thoroughnes will meet the demands of the State at large.

HON. SAMUEL J. RANDALL, the great Democratic leader, member of Congress from the third district (Philadelphia) of Pennsylvania, and ex-Speaker of the House of Representatives, died at his residence on Capital Hill, Washington, D. C., on Sunday morning. His illness dates back about five years. Though the great statesman differed materially from his party on that most vital of Democratic principles, Tariff Reform, the Democracy has always recognized in him a most trusted leader and champion. As a man of uncompromising honesty of conviction, an acknowledged leader of men and a man of broad and comprehensive grasp of important national questions, Mr. Randall was the unquestioned peer of any man in the halls of national legislation.

THE RE-ASSESSMENT BILL has quietly gone by default, and, however, much some may be disposed to discuss the matter, article 2, section 17 of the State constitution, it would appear has definitely closed the question so far as the present is concerned. The constitution provides that a lapse of six days under conditions such as exist in the present case will render the bill inoperative. The opposition to the re-assessment bill was strongly urged in Kent and the grounds taken by the Governor was considered by many to be a correct position. The Governor it was said "recognizes that if a proposed amendment to the constitution should be adopted at the next election providing for the taxation of certain property, an assessment will then be necessary. He thinks that the assessment provided for in the pending bill could be made two years hence."

WHATEVER REASONS may be assigned for the recent Democratic victories all along the line throughout the northwest, one thing is sure, there is little of encouragement for the party which has suffered the loss of so many of its supposed impregnable strongholds. Should the sweeping successes of Democracy be attributed to the Australian ballot system, then it means a stinging rebuke administered to the flagrantly corrupt election methods of Republican leaders. Should the result be attributed to the oppressive evils of an excessive protective tariff system by which trusts, monopolies and other gigantic evils are fostered, the only deduction to be drawn is, that with the advance of the Democratic educational system on the subject of Tariff Reform, these emphatic rebukes to the party now in power will be more widely felt. Hartford, Conn., has broken her Republican ranks. Michigan rolled up substantial Democratic victories, Cincinnati barely kept within the circle of Republican rule, and Cleveland, Ohio, gave gains to Democracy. Bridgeport, Conn., went Democratic, as did Toledo, Ohio, Fort Wayne, Ind., and other places. 1892's prospects are brightening for Cleveland and Reform.

GOVERNOR JACKSON on Tuesday signed an order deposing Mr. Stevenson Archer as State Treasurer, and appointed as his successor, Edw. H. Brown, Esq., of Centreville, Md. Mr. Archer will be prosecuted to the full extent of the law for embezzlement. Mr. Brown was attending court at Denton, at the time of his appointment, but telegraphed his acceptance, whereupon the Governor telegraphed to Mr. Brown to be at Annapolis on Thursday, submit his bond and receive his commission. Mr. Brown is the youngest son of the late Madison Brown, who was for many years associated with the late Judge Carmichael in the practice of the law, and was educated at the Centreville Academy and at private schools near Baltimore, where his father lived for a while. He began the study of the law under Anderson & Batty, a well known Baltimore law firm, and finished his studies in Queen Anne's county with his father and brother, who were associated in practice at Centreville under the name of M. & J. B. Brown. In 1872, a few months before his father's death, he was admitted to the bar and at once associated himself with his brother, who had been his father's partner. The name of the firm then became John B. & Edwin H. Brown, and the partnership still exists.

THE CENSUS OF 1890.

The census of the present year, 1890, will be fuller than any which has ever before been taken. Says Mr. Rose supervisor of the first census district of Maryland.

"The census enumerators will have nearly a-third more questions to ask this year than was the case in 1880. The schedule contains thirty questions, of these a number were not asked ten years ago. The color of each inhabitant, whether white, black, Chinese, Japanese or Indians, have always been inquired into, but at the eleventh census, for the first time, the attempt will be made to distinguish mulattoes, quadroons and octoroons from full-blooded negroes. If this attempt should prove successful and is repeated in 1890 and subsequently, the question whether miscegenation is or is not on the increase can be definitely answered.

"The expenditure for pensions now exceeds that for any other one purpose, and all sorts of propositions to extend the pension laws are being constantly made. In the absence of the exact data the expenditure which will result from any change in the pension legislation can only be guessed at, and it is for the purpose of supplying such data that at the census of 1890 an attempt will be made to obtain a complete list of all the surviving soldiers, sailors and marines. This inquiry will extend to Confederate as well as Federal survivors.

"If the question as to how many months during the census year each workingman has been unemployed shall be definitely answered a very considerable light will be thrown upon the condition of the laboring population. The question as to how many months during the census year each child has attended school will tend to show how much education the rising generation is receiving. It is very important as bearing upon the rapidity with which the foreign-born population is being assimilated to know how many of them cannot speak English, and the language spoken by those who cannot. This inquiry will be made in full for the first time. By an act passed at the present session of Congress questions have been added to the population schedules with the purpose of obtaining definite information as to what portion of the population are landowners, and what tenants, and of those who own land how many are encumbered by mortgage."

CHAPTER 517.

AN ACT to enable the qualified voters of Kent county to determine by ballot, whether spirituous or fermented liquors shall not be sold in said county, or shall be sold only as hereinafter provided, and to repeal all acts inconsistent herewith.

SECTION 1. Be it enacted by the General Assembly of Maryland, That Article Fifteen of the Code of the Public Local Laws, "title "Kent County," subtitle "Liquors and Intoxicating Drinks," shall not remain in force on and after the first day of June, Eighteen Hundred and Ninety, and that all acts, or part of acts, inconsistent with the provisions of this act, shall be repealed, after said last mentioned date, provided however that this act shall not be construed to repeal said Article Fifteen of the Code of Public Local Laws, title "Kent County," subtitle "Liquors and Intoxicating Drinks," prior to the first day of June, Eighteen Hundred and Ninety, or to effect any offence already committed, or which may be committed before this act shall take effect, but all such offences may be prosecuted and punished under the law existing at the time of the commission of said respective offences, and provided further, that if for any reason this act shall not take effect on the First day of June, Eighteen Hundred and Ninety, the said article fifteen of the Code of Public Local Laws, title "Kent County," subtitle "Liquors and Intoxicating Drinks," shall continue to remain in force until other laws shall be enacted in lieu thereof.

SEC. 2. And be it enacted, That the question whether or not any person, or persons, house, company, association or body corporate, as hereinafter described, may be licensed in Kent county, of this State, by whom, or in which spirituous or fermented liquor or intoxicating drinks may be sold, or whether or not no license to sell the same in the said county shall be issued, shall be submitted to the qualified voters of said county on Saturday, the Tenth day of May, eighteen hundred and ninety, and the sheriff of said county, shall, at least three weeks previous to said election, cause public notice to be given of the submission of said question by advertisement, set up at the most public places within each election district of said county, and also by advertisement in two newspapers of greatest circulation therein, which said advertisement shall contain a copy of this act, and of the time and place of holding the said election, and the cost of such advertisement and handbills shall be paid by the county commissioners of said county, but if for any cause said notice shall not be given, said failure shall not effect the validity of this act, or operate to prevent its taking effect.

SEC. 3. And be it enacted, That ballots cast at said election on the question of license or no license to be counted as deciding for or against the sale of spirituous or fermented liquors or intoxicating drinks in said county, shall have printed or written on them the words, For License, or Against License, and the votes cast for license and the votes cast against license shall be carefully counted by the judges of said election in the respective election districts of said county and the number of votes for license and the number of votes against license shall be certified by them, and the return judges of said election shall meet at the court-house on the Tuesday next after said election and cast up the whole vote for license and against license in said district, and shall make a separate written return of said whole vote to the clerk of the circuit court for Kent county, and said clerk shall record among the records of his office, and shall prepare a certificate proclaiming the result of such election in said county, and cause said certificate to be published within ten days after said returns have been received by him once in all the newspapers published in said county.

SEC. 4. And be it enacted, That if it shall appear by the returns of said judges and certificate of said clerk that a majority of said votes have been cast against license for the sale of spirituous or fermented liquors in Kent county, then, and in that event article fifteen of the Code of Public Local Laws, title "Kent county," subtitle "Liquors and Intoxicating Drinks," and all amendments or supplementary act thereto shall remain in full force and effect in said county.

SEC. 5. And be it enacted, That if it shall appear by the return of said judges and the certificate of said clerk that a majority of such votes have been cast for license for the sale of spirituous or fermented liquors in Kent county, then and in that event section one hundred and forty-eight, one hundred and forty-nine, one hundred and forty-one, one hundred and forty-two, one hundred and forty-three, one hundred and fifty-one of article fifteen of the Code of Public Local Laws, title "Kent County," subtitle "Liquors and Intoxicating Drinks," be and the same is hereby repealed and the following sections enacted in lieu thereof, to be called one hundred and forty-eight, one hundred and forty nine, one hundred and fifty, one hundred and fifty-one, one hundred and fifty-one A, one hundred and fifty-one B, one hundred and fifty-one C, one hundred and fifty-one D, one hundred and fifty-one E, one hundred and fifty-one F, one hundred and fifty-one G, one hundred and fifty-one H, one hundred and fifty-one I, one hundred and fifty-one K, one hundred and fifty-one L, one hundred and fifty-one M, one hundred and fifty-one N, one hundred and fifty-one O.

The Clerk of the Circuit Court may, in his discretion, require such further and other proof by the written affidavit of other parties as to the sufficiency of said bond, as he may deem proper; and if said Clerk shall wilfully or negligently grant a license to any person who shall not have complied with the provisions of this act, said Clerk shall, upon indictment and conviction therefor, be fined not less than fifty nor more than three hundred dollars for each offense.

151. No license to sell spirituous or fermented liquors in Kent county shall be granted to any hotel keeper who shall have complied with the provisions of this act until such applicant, in addition to the sum or sums now required, or which hereafter may be required to be paid by the general license law of the State, shall also pay to said clerk the sum of three hundred dollars, to be paid to the county commissioners of Kent county by said clerk for the use of said county.

151 D. Any person who shall sell, directly or indirectly, at any place in Kent county any spirituous or fermented liquor or intoxicating drinks of any kind without first having obtained a license as required by this act, shall, upon indictment and conviction thereof, be fined not less than two hundred dollars nor more than five hundred dollars, and failing to pay such fine and cost of prosecution forthwith shall be sentenced to be confined in the Maryland House of Correction for a term of not less than six months nor more than one year.

151 E. No person obtaining a license under this act shall permit minors to enter the bar room or other place where liquor is sold, unless said minor is accompanied by the parent or guardian of such minor, nor shall any person obtaining a license under this act, his agents, servants or employees, sell, directly or indirectly, or give away at his, their or its place of business any spirituous or fermented liquors, alcoholic bitters, or intoxicating drinks of any kind whatsoever, to any minor, or to any person known to such vendor to be purchasing or receiving such liquors or intoxicating drinks as the agent of or on behalf of, or at the request of, any minor.

151 F. Any person who shall violate the provisions of the preceding section shall, upon indictment and conviction thereof, be fined not less than fifty dollars, nor more than five hundred dollars, or be imprisoned in the county jail for not less than thirty days nor more than six months, and the license of such person may be suppressed, in the discretion of the court.

151 G. No vendor of spirituous or fermented liquors licensed under this act shall sell, directly or indirectly, any spirituous or fermented liquor to any person who is intoxicated at the time, nor shall it be lawful for any such licensed vendor to keep open the room where spirituous or fermented liquors are sold between the hours of twelve o'clock at night and six o'clock in the morning, nor to sell, directly or indirectly, or give away in such room, or on or about the premises of such vendor, any spirituous or fermented liquor whatsoever between the hours aforesaid.

151 H. Any person violating the provisions of the preceding section shall, upon indictment and conviction thereof, be fined not less than twenty-five nor more than three hundred dollars, or be imprisoned in the county jail not less than thirty nor more than ninety days, at the discretion of the court.

151 I. PRIDE OF ENGLAND,

IMPORTED

Cleveland Bay Stallion

REGISTERED NO. 161.

is of a beautiful Cleveland Bay color, stands 16 hands 1½ inches, and will weigh thirteen hundred pounds in condition. He is stylish, fine action and perfectly quiet. In the combined qualities of action, beauty and endurence, he is acknowledged to stand unequaled as a stock horse for farm and carriage purposes. Has only served a few mares, but has proved sure with them. He comes down a long line of the best producers.

The American Farmers' Stock Book, in speaking of the most desirable strains of horses which have been the result of careful and scientific breeding, in coming to the Cleveland Bays, says: "We come next to a class of horses always held in the highest esteem for their many valuable qualities. It is a horse that is now bred to a degree of perfection that leaves little to be desired in all that goes to constitute size, style and ability to perform any labor that may be required, except the heaviest drudgery. The Cleveland Bays are good carriage horses, good and stout wagon or plow horses, and they match together about as easily as Devon cattle, combining as they do, plenty of staunch thorough blood with excellent size and constitutional vigor. Unfortunately they are rare in the United States, but since their introduction into the West, they have been steadily growing into favor. They are remarkable for their pure bay color, dashed only at the fetlocks and in the forehead with white. We have good authority for our admiration of this splendid animal. Canada has of late years become celebrated for finely-bred and finely-matched carriage horses, which is due to the sagacity of some Canadian breeders, in selecting Cleveland Bay Stallions for sires."

TO ALL PERSONS INTERESTED IN PERFECT FITTING GARMENTS.

We have come to this town for the purpose of organizing a class in the use of the simple and easy method of Cutting Garments by Measurment, and the use of the

NATIONAL GARMENT CUTTER.

With this system, every style of garments, ranging through the entire list worn by men, women and children—over and underwear—can be cut, thereby saving time, trouble and expense of going to a professional dressmaker or tailor. We will teach a child of ordinary intelligence in a few days to cut and fit all kinds of garments in the latest styles without a change of seam, something but few professionals can do after years of experience with other systems. We are going to make a canvass of this town, and earnestly request you to examine the Cutter; this is all we ask, then if you wish to learn the use of it we would be glad to explain it to you; and whether you wish to learn the system or not, we would be glad to have you call and see us at our rooms in the Voshell House.

Now Remember, This System Cuts Every Garment Worn and Makes a Fit.

Some say it is a humbug, but we ask you to wait; come and try it and see if it is not what we reommend when you learn it—it shall not cost you one cent. Now, can you ask more? We are here to teach you and are going to stay, and when you have learned the system you shall be the judge of its qulities. There are hundreds in Talbot county, Md., that will testify to the perfection of this system.

The Rev. Mrs W. W. Wilson, of the M. E. Church, Easton says: "I learned to use the National Garment Cutter, tried it and proved it to be all the Company claim for it, and can recommend it to all that want to save cloth and have good-fitting garments."

The Rev. Mrs. Bishop Adams, of Easton, says: "I had been using a system for years I thought good until I saw the National Garment Cutter work, then I saw it was far superior to anything of the kind I ever saw, and I not only learned it myself, but sent my daughter and several of the Orphan School girls to learn it, and can recommend it to all."

The Rev. Mrs. Chesley, of Tunis' Mills says: "I learned two systems and used them for years, but they are not to be compared with the National Garment Cutter. I can recommend it to all and am sure it will give perfect satisfaction."

We could give hundreds of such testimonials, but space forbids, so come and see us. We will cut and fit for you if you want us to at the Voshell House.
