SANDS, NATHANS & CO'S

American Circus!

AND

ELEPHANT EXHIBITION,

Will Exhibit at CHESTERTOWN, on Wednesday, the 30th of Sept.

THE leading feature of this Grand Exhibition is the varied performance of Wonderfully Educated Elephants,

VICTORIA & ALBERT,

Whose unequalled feats have been the wonder and delight of thousands in the Paris, London, New York and Philadelphia Theatres. They exhibit the most astonishing displays of animal training and instinct ever beheld. They have been taught to ascend an inclined plank only nine inches in width a distance of 30 yards, where one of them *will balance himself on his head!* upon a pedestal not over a foot in diameter.

They will also perform a great variety of feats of Posturing, Gymnastics, Dancing, Waltzing, Marching, &c, such as has never been attempted in America, and have been the wonder and amazement of the world for the last two years. These perfectly, and surprisingly trained Elephants, both of whom are quite young, were brought out to this country in March last, by Mr. R. Sands, who purchased them at an almost incredible cost—bidding over the greatest wild beast proprietor in Europe while they were performing an engagement at the Port St. Denis, Paris. Their indefatigable trainer, Mons. Lagrange accompanies the Elephants and superintends their performances.

Particular Notice.

The Proprietors do most positively and unequivocally assure the public, that these extraordinary Elephants WILL PERFORM ALL that is announced or illustrated by cuts in their bills, and that all the Feats thus illustrated in the Engravings and described, are actually done.

In the Equestrian and Acrobatic Departments, the Proprietors confidently recommend to the notice of the public the names of
Mons. Ferante and accomplished pupils,
The German Acrobate,
Herrs Volkman and Von Castle:
M'me Louise Brower the accom. Equestrienne
Mr J J Nathans with his talented lad. Philo
Mr Wm Aymar, the Equestrian Grotesq
Jesse Sands, the favorite pupil of Mr. R Sand the most accomplished rider of the age;
Mr Geo Sergeant, the Graphic Scenic Rider; and a host of other artists of distinguished abilities.

Among the comic features of the entertainments will be introduced two celebrated

Performing Zebras,

trained in a most wonderful manner by C H Hassett.

Beautiful displays of Vaulting Tumbling, Sommersetting &c., by the troupe, in which the whole gymnastic strength of the company will appear

The performances will be accompanied with the Otto Horne's New York Cornet Band—Each entertainment will conclude with the romantic legend of

MAZEPPA!

Or, the Wild Horse of Tartary.

Clowns, Messrs Brower & Aymar,
With several able assistants.

☞ In the forenoon a splendid outside Procession of Elephants, with a magnificent Band Chariot, drawn by a team of six, will parade through the principal streets.

Free Exhibition—Terrific ascension on a single wire, from the ground to the top of the Pavilion, 350 feet, by M'me Leontine, immediately before the opening of the doors for the afternoon performance.

Admission 25 cts—no half price.

Doors open at 1½ and 6 P M. Performance to commence half an hour afterwards.
