SATURDAY, NOVEMBER 21, 1908.

A RUSH of late legal advertising has crowded out much editorial and local matter which will appear next week.

THE Easton Star-Democrat says Mr. Jackson was given the hymn to sing but that he refused to sing because he hadn't his NOTES!

No Republican will welcome the good times with more cheerfulness than the NEWS. Let it come. But we are afraid it will come in an airship and so high that the average citizen can't reach it.

NEXT Thursday will be Thanksgiving Day. Reader, try to think of the mercies and goodness of the Giver of all good things and render thanks therefor. Not in eating a big dinner but in doing some good to your fellow man.

THE tariff *revision* talk is going on. But the revision is *upward!* Mr. Adams a prominent Republican, says that the persons who wisk the tariff schedules to remain unchanged either are "thieves or hogs" and admits that he belongs to the first class!

THE reports from the treasurers of the two political parties in Kent are about ready to be filed but at this writing have not been handed in. It is said that the Democrats spent less than $600 and the Republicans less than $1,000.

A MEETING was called in New York this week for the purpose of forming a gigantic fertilizer trust with a capital of $75,000,000. Now the only thing for the farmer to do is to organize also and prepare to deal with this monster. Isn't it singular that there are Trusts of all kinds except the Farmers Trust!

Edna Scott vs. Harry W. Scott.

In the Circuit Court for Kent County Maryland, in Equity. No. 1689.

THE OBJECT of this suit is to procure a decree of divorce a vinculo matrimonii in favor of Edna Scott and against Harry W. Scott.

The Bill of Complaint states that for more than two years past Edna Scott has been and still continues to be a resident of Kent county, Maryland. That on or about the 18th day of May, 1904, she was married to Harry W. Scott, in Kent county aforesaid, and that no children have been born to them as a result of said marriage; that, though the conduct of the said Edna Scott towards her husband has always been kind, affectionate and above reproach, he has, without any just cause or reason, abandoned and deserted her and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation, and that since said abandonment he has not contributed to her support, but she has had to earn her own livelihood; that the said Edna Scott has behaved herself as a faithful and affectionate wife towards the said Harry W. Scott, that the said Harry W. Scott on divers days and times since his said marriage has committed the crime of adultery with one Sadie Johnson in Kent county aforesaid, and that the said Harry W. Scott is at present living and cohabiting with the said Sadie Johnson somewhere in the State of Pennsylvania; that the said Edna Scott has not lived or cohabitated with her husband since she discovered his said adulteries; that the said Harry W. Scott is a non resident of the State of Maryland, but resides in Southampton, Bucks county, State of Pennsylvania.

It is thereupon this 20th day of November, 1908, ordered by the Circuit Court for Kent County in Equity, that the Complainant, by causing a copy of this order to be inserted in some newspaper published in said Kent County once in each of four successive weeks before the 21st day of December, 1908, give notice to the said non-resident defendant of the object and substance of this bill, warning him to appear in this Court either in person or by solicitor on or before the 7th day of January, 1909, to show cause, if any he has, why a decree ought not to be passed as prayed.

In the Circuit Court for Kent County, Md., in equity. No. 1690.

THE OBJECT of this suit is to procure a decree divorcing the said Hettie Brown from the said Perry Henry Brown, *a vincula matrimonii.*

The Bill of Complaint states that the said Hettie Brown was married to the said Perry Henry Brown on or about the 26th day of December, 1899, and they resided together as husband and wife in Kent county until the 11th day of October 1904, when the said Perry Henry Brown abandoned and deserted her, without any just cause or reason, and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for more than three years, and is deliberate and final, and the separation of the parties is beyond any reasonable expectation of reconciliation. Carving Sets

AND

Other Things

It reminds one of Thanksgiving and the bird of honor, the turkey, when the thoughts lead to a carving set.

The main thing about a carving set is its cutting quality, the handles are secondary. With all that there is a great difference in handles. If you desire the kind that will make carving a pleasure, you will want these we sell. We are very particular about carving sets. The steel in them must be of the finest quality and highly tempered. The handles must be such that fault cannot be found in the least.

The Thanksgiving table requires many other things besides the carving set which we can supply. In cut-glass: the decanters, berry bowl and cranberry dishes, the celery glass, nut dishes and the flower vases. In silverware: the knives, forks and spoons, the cake and fruit dishes, the tea-set and the nut crackers. Even the candelabra has its place on the Thanksgiving table. When the table is cleared you will need a silver plated crumb tray and scraper. When all is cleared off, the fern dish takes the centre of attraction on the table.

Come in and see our fine display of Silverware Cut Glass and fine China.
