FOR CONGRESS:

HON. HENRY PAGE,

OF SOMERSET COUNTY.

MANAGER FRICK has so far recovered as to be able to attend to business at his office.

IN OUR NEXT ISSUE will be found a most interesting letter from our Washington correspondent.

A TRAIN of bullet-proof cars bearing $30,000,000 of California Gold, for Uncle Sam, left San Francisco last week.

SENATOR GORMAN says that Cleveland will win. Mr. Gorman, we hope you are correct, and we believe that you are.

CONGRESS adjourned on Friday, but before doing so, gave a compromise appropriation of $2,500,000 for the World's Fair.

THE Fifty-Second Congress appropriated for all purposes $507,000,000 against the $463,000,000 of the last session. But, says Mr. Gorman, $60,000,000 were made necessary by the legislation of the Fifty-first Congress.

IN THIS ISSUE will be found the full list of county expenses as shown by the official levy list for 1892. The most important features and figures of the list have already been alluded to, and we now give the figures in full for the inspection of the public.

UNDER the head of Roads and Bridges, in the levy list, on our front page, the amounts opposite the names W. J. Tarbutton and Fred. T. Vansant have become transposed. The amount opposite Mr. Tarbutton's name should be $29.65, and that opposite Mr. Vansant's name should be $148.63.

IT IS REPORTED, that in Anne Arundel county, politics will be introduced into the public school system, to the extent of a number of changes being made in the trustees of schools, upon solely political grounds. This is one of the most vicious and demoralizing political moves yet announced by the professional in the field of politics.

IT IS NOW TIMELY that the attention of the citizens of Chestertown be called to the importance of keeping their premises as cleanly as possible. With the unusual amount of excessively hot weather, unless more than ordinary care is used, fatal fevers may be the natural sequence of even trifling negligence. The sanitary condition of certain sections of the town is not the best, and to this fact we call the attention of the Local Board of Health. Chestertown and Still Pond both have serious cases of typhoid, and the matter is one of vital importance to the community at large.

REPUBLICAN POLITICS.

Charles T. Westcott, Frank H. Harper and Lewis Henry, State Central Committee for Kent county, have issued a notice to the Republican voters of the county that primary elections will be held in the respective election districts of Kent, on Saturday next, August 13, between 3 and 6 o'clock P. M., for the purpose of selecting Five Delegates from each district to meet in county convention at Chestertown, Tuesday, August 16th, at 12 o'clock M. Said county convention is to select Three Delegates and Three Alternates to represent Kent county in the Congressional Convention of the First District of Maryland, at Ocean City, August 18th, to nominate a Republican Candidate for Congress for said First District of Maryland.

The Chestertown postoffice is the most tempting local plum within the gift of the administration at Washington, and however much it may be like counting chickens before they are hatched, already the possibility of a change is being silently discussed. A number of unannounced candidates would be only too glad to cast their nets into the political sea, were there the slighest possibility of catching the postoffice fish. In the event of Mr. Harrison's election in November, there is not the slightest probability that the present very efficient management will be changed. Should Mr. Cleveland receive a majority of the electoral votes, of course matters will be different, and a host of "ye faithful" to the party will enter the contest for the place. The postoffice matter from a Democratic standpoint is being quietly considered.

Undertaker and Scientific Embalmer

In connection with my General Undertaking Business, which I am prepared to carry out in every particular, I wish to call the attention of the public to the fact, that having thoroughly familiarized myself with the subject of

SCIENTIFIC EMBALMING,

by a full course of study at the United States College of Embalming, of New York, I am prepared to embalm bodies in the most scientific way without any mutilation whatever. I have given the system a most severe test during the extremely hot summer which has now upon us, and with the most entire satisfaction. Where any objections are raised to this system, I can preserve bodies for any reasonable length of time by means of ice.

IN CLOTH AND PLUSH CASKETS

we can furnish any shade of color desired. In addition to a full line of Polished Caskets we can also furnish the handsomest

Order of Publication.

John P. Taylor,

vs.

George W. Taylor. Annie Robinson, —— Robinson.

In the Circuit Court for Kent County, in Equity.

THE object of this bill is to obtain a decree for the sale of the real estate of which Alexander Taylor, late of Kent county, Maryland, died, seized and possessed, and for the distribution of the proceeds of such sale, among the heirs at law of the said Alexander Taylor, according to their respective interest in the same.

The bill states that a certain Thomas Taylor, late of Kent county, Maryland, deceased, was, during his life time, and at the time of his death, seized and possessed of a certain tract or parcel of land in Kent county, adjoining the lands of the heirs of the late Simon Wickes and others, and containing about eight acres of land, more or less. And the said Thomas Taylor being so seized and possessed, departed this life sometime in the year 1843 or 1844, without leaving a widow surviving him, and leaving a last will and testament, a copy of which is filed in these proceedings and marked exhibit "A."

The bill further states that the said Thomas Taylor by his said last will and testament, devised the said real estate to his son, Alexander Taylor, and his granddaughter Mary Elizabeth Milby, with the provision that in the event of the death of either the said Alexander Taylor or Mary Elizabeth Milby without leaving issue lawfully begotten, the said real estate to descend to the survivor or their heirs lawfully begotten, in fee simple.

The bill further states that the said Mary Elizabeth Milby intermarried with a certain John Rogers, who died leaving her a widow, and that she afterward intermarried with a certain James Hart, and that she died in the year 1889, leaving her husband, the said James Hart, surviving her, but leaving no issue living.

The bill further states that the said Alexander Taylor departed this life sometime in the year 1891, without leaving a widow surviving him, and leaving as his heirs at law the following children, John P. Taylor, the complainant, and George W. Taylor, both of whom reside in Kent county, Md., and Annie Taylor, who intermarried with —— Robinson, and resides with her husband, the said —— Robinson in the State of Pennsylvania.

The bill further states that the said tract or parcel of land is not susceptable of division among the heirs at law without great loss and injury to the parties interested in the same.

It is thereupon ordered this 9th day of August, 1892, that the complainant, John P. Taylor, by causing a copy of this order to be inserted in some newspaper published in Kent county, Md., once in each of four successive weeks before the 9th day of September next, give notice to the said non-residents, Annie Robinson and —— Robinson, her husband, of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 30th day of September next, to show cause, if any they have, why a decree ought not to be passed as prayed.

Order of Publication.

Henry H. Mitchell, Executor of Mary B. Lum, Plaintiff.

vs.

Richard R. Cochran, Francis R. Cochran, Defendants.

In the Circuit Court for Kent County, in Equity.

THE object of this bill is to set aside a deed given by Richard R. Cochran to his wife Francis R. Cochran to make the complainant, Henry H. Mitchell, executor of Mary B. Lum, to recover a judgment against the said Richard R. Cochran for arrears of her dower due her decedent in certain valuable real estate in Kent county, Md., of which a certain Isaac A. Lum late of New Castle county, Del., died, seized and possessed, leaving a widow, the said Mary B. Lum.

The bill states that Isaac A. Lum, of New Castle county, Del., departed this life leaving a widow, Mary B. Lum, and two children, Charles A. Lum and Clara Lum, and at the time of his death was seized and possessed of certain valuable real estate in Kent county, Maryland, and that the said Mary B. Lum, widow as aforesaid, was entitled to a dower interest in said real estate.

The bill further states that the said Clara Lum intermarried with Richard R. Cochran and subsequently departed this life, whereupon the said Richard R. Cochran became entitled to a life estate in the said real estate, and as life tenant held the said real estate many years prior to the death of the said Mary B. Lum, and by his writing obligatory bound himself to pay unto the said Mary B. Lum, annually the sum of her dower interest as determined by arbitrators to whom the matter had been submitted, as will be shown by complainant's exhibit No. 1.

The bill further states that the complainant, executor of Mary B. Lum, deceased, instituted suit and obtained a judgment in the Circuit Court for Kent county, Maryland, for the sum of $793.00, on October 23d, 1885, a certified copy of which is filed in this cause, and that on the 27th day of July, 1892, he caused to be issued out of said court a writ of fieri facias on said judgment, directed to the sheriff of said county, and he caused the same to be levied on the life estate of the said Richard R. Cochran, in and to the said farm.

The bill further shows that the said Richard R. Cochran, after executing bond for the payment of the said dower interest, executed a deed to his wife, Frances R. Cochran, for the pretended and simulated consideration as expressed in the deed, of $5000, a copy of which deed is filed in this cause, and marked exhibit No. 4, and the complainant is prevented from collecting aforesaid judgment, because of the fact that the said Cochran is insolvent, and his said life estate is the only property out of which it is possible to collect said judgment.

The bill further states that the said Richard R. Cochran at the time of making said deed was largely indebted and insolvent, and that he had not the means of paying his debts apart from the property so conveyed by him to his said wife, and that the conveyance was fraudulently made, and was for the purpose of hindering and delaying the creditors of the said Cochran in their efforts to collect their just dues, and that notwithstanding said conveyance the said Richard R. Cochran hath since the date thereof continued to occupy and enjoy the same as he did prior to the said conveyance.

It is thereupon ordered this 27th day of July, 1892, that the complainant, Henry H. Mitchell, executor of Mary B. Lum, by causing a copy of this order to be inserted in some newspaper published in Kent county, Maryland, once in each of four successive weeks before the 27th day of August next, give notice to the said Richard R. Cochran and Frances R. Cochran, non-resident defendants, of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 15th day of September next to show cause, if any they have, why a decree ought not to be passed as prayed.

ANOTHER STRIKE.

This time a decided hit will be made and the bottom completely knocked out of prices. What does this mean? It means a transfiguration in our business, and in order to move what is left in medium-weight suits, Cost will be an after consideration. This is no imaginary change to take place, no fanciful dream, but having had a good season, necessarily there are a great many broken lots which have been marked at manufacturer's first cost, which, in a few words, means there is no opposition to affect, and intending to deepen and widen our business the coming season, is just why this sacrifice will be made during July and August. The FINEST LINE OF BEST-FITTING AND BEST-MADE SUITS ever offered in Chestertown, will be at your disposal, which must be sold.

Come early and take your choice.

Respectfully,

WM. E. MOODY.

The Chestertown Branch

OF THE BALTIMORE

Building and Loan Association.

This branch of the association, though only established a short while ago, has made wonderful progress. It offers good inducements for investments, and its reliability cannot be questioned, as it is composed of some of our best citizens and business men. The Mercantile and Financial Times, of New York city, a paper devoted to the interest of money institutions, in an editorial dated June 8, 1892, strongly recommends this institution as one of the strongest and best managed in the country. Parties having small amounts to invest monthly, can do no better than subscribe to this stock. If you are dissatisfied you can have your money refunded at any time, together with six per cent. interest, by giving the secretary thirty days notice.
