Our A. A. Bone Superphosphate.

This goods has a positive Animal Bone Base, and we have much pleasure in calling the attention of the intelligent farmer to our unprecedented facilities for supplying the trade this fall. Never before did the agriculturist need more for his money than he does now, realizing this fact, we have purchased our stock so as to enable him to take advantage of it.

THEN THERE IS

Our Imperial Compound Fertilizer

which is made from Crude Stock of our own selection, and for mechanical condition and quality is unsurpassed. This goods runs high in Available Bone Phosphate and Potash, having a sufficient amount of Amonia to guarantee a crop, and many of our patrons really prefer this goods to any article we manufacture.

✻ TESTIMONIALS: ✻

August 5, 1892.
Gentlemen:—I have used your Fertilizer for years in competition with all the standard brands on the market. The ten tons of your Imperial used on our wheat and harvested in Kent county last year, was certainly very gratifying, as we had a most excellent crop and expect to use it again this fall.
LUCAS ALRICH & SON.

POMONA, KENT CO., June 20, 1892.
Gentlemen:—I have been using your Imperial and A. A. Superphosphates ever since you have been making them, and they have paid me as well or better than any I have ever used. Last year I ran out of your goods before night, and sent over to a neighbor of mine who had a certain phosphate that was cracked high and was higher priced, and used it right alongside of yours, and anybody who saw the test as it was on my wheat considered it a card for you. I like your Phosphate and expect to use it again.
Resp'y, J. CORDRAY LOUD.

LANKFORD, KENT CO., MD., 1892.
Gentlemen:—For a number of years I have been using your A. A. Bone Superphosphate; it certainly has given entire satisfaction. Sometimes I have grown as much as 30 bushels per acre with it. Last year I used it exclusively and grew the best wheat in my neighborhood.
Resp'y, JOSEPH RASIN.

Aug. 4, 1892.
Gentlemen:—I used your Imperial Compound Fertilizer alongside two other brands, and have just finished threshing the field upon which your goods was used, and it yielded me about twenty-five bushels per acre, and will use five tons this fall. Resp'y, ISAAC CLEAVER.

CATLIN, Q. A.'s CO., MD., June 17, 1892.
Gentlemen:—For a number of years I have used your Fertilizers with entire satisfaction. Last year on part of my corn-ground I got 34 bushels to the acre.
Resp'y, R. J. CATLIN.

So far as we have been able to learn, we have never heard more gratifying results by actual tests made by our patrons than in the last two years.

The Chestertown Branch

OF THE BALTIMORE

Building and Loan Association.

This branch of the association, though only established a short while ago, has made wonderful progress. It offers good inducements for investments, and its reliability cannot be questioned, as it is composed of some of our best citizens and business men. The Mercantile and Financial Times, of New York city, a paper devoted to the interest of money insitutions, in an editorial dated June 8, 1892, strongly recommends this institution as one of the strongest and best managed in the country. Parties having small amounts to invest monthly, can do no better than subscribe to this stock. If you are dissatisfied you can have your money refunded at any time, together with six per cent. interest, by giving the secretary thirty days notice.

THE FACT

That AYER'S Sarsaparilla CURES OTHERS of Scrofulous Diseases, Eruptions, Boils, Eczema, Liver and Kidney Diseases, Dyspepsia, Rheumatism, and Catarrh should be convincing that the same course of treatment WILL CURE YOU. All that has been said of the wonderful cures effected by the use of

AYER'S Sarsaparilla

during the past 50 years, truthfully applies to-day. It is, in every sense, The Superior Medicine. Its curative properties, strength, effect, and flavor are always the same; and for whatever blood diseases AYER'S Sarsaparilla is taken, they yield to this treatment. When you ask for

AYER'S Sarsaparilla

don't be induced to purchase any of the worthless substitutes, which are mostly mixtures of the cheapest ingredients, contain no sarsaparilla, have no uniform standard of appearance, flavor, or effect, are blood-purifiers in name only, and are offered to you because there is more profit in selling them. We'll write it down till everybody sees it,
Till everybody is sick of seeingi t,
Till everybody knows it without se eing it—

that Dr. Sage's Catarrh Remedy cures the worst cases o t chronic catarrh in the head, catarrhal headache, and "cold in the head." In perfect faith, its makers, the World's Dispensary Medical Association of Buffalo, N. Y., offers to pay $50 to any one suffering fro m chronic catarrh in the head whom they cannot cure.

Now if the conditions were reversed—if they asked you to pay $500 for a positive cure you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them and they say—"We can cure you because we'v cured thousands of others like you—if we can't we will pay you $500 for the knowledge t hat there's one whom we can't cure."

They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

Speaking of gold mines, where do you suppose the most valuable bit of ore ever smelted in the world, so far as is known, was found? In California, or Australia, or India? No, indeed. It was a lot containing 200 pounds of quartz, holding gold at the rate of $50,000 per ton, and was found in a mine at Ishpeming, Michigan.

MANY people, not aware of the dangers of constipation, neglect the proper remedy till the habit becomes chronic, or inflammation or stoppage results. A dose or two of Ayer's Pills in the beginning would have prevented all this.

THE costliest cigars ever exported from Havana were a quantity made expressly for the Prince of Wales, and valued at $1.87 a piece in the factory.

I shall be glad to send two bottles of my remedy FREE to any lady if they will send their Express and P. O. address. Yours respectfully, DR. W. T. MARCHISI, 90 GENESSEE ST., UTICA, NEW YORK.
