AND IMPERIAL COMPOUND FERTILIZERS.

THE A. A.
Is a Positive Animal Bone Fertilizer. It not only makes Wheat, but grows Great Grass, and is a permanent Improver of the soil.

THE IMPERIAL
Is composed chiefly of Dissolved Animal Bone, South Carolina Phosphate, Ammonia and Potash. It is an excellent article. Some of our customers really prefer this goods.

TESTIMONIALS:

CHESTERTOWN, MD., July 12, 1893.
T. R. HUBBARD & SON—Gentlemen: The 22 tons of your A. A. bought of you last fall and used on my several farms has been eminently satisfactory. On one of my farms am sure there must be 30 bushels to the acre. This was used in connection with one of the best goods on the market, and yours was the best, and on my Broad Neck farm my wheat was also fine, in fact, said to be the best corn ground wheat in the Neck. I expect to use more this fall.
W. J. VANNORT.

MR. J. C. LOUD says he certainly likes the A. A., and threshed from it over 30 bushels to the acre this year.

MR. JOSEPH RASIN, of Lankford, says he never used a better goods than A. A., as he never fails on a crop of wheat with it. This year he had in only the creek field and lawn, and threshed one of the largest crops he ever raised.

MR. JAMES FRENCH made an actual test this year by threshing seperately the same number of sheaves grown by four different kinds of fertilizer, and says that Hubbard's A. A. was by far the best of all.

We could give you scores of references, but haven't the space, but wanted to say in conclusion: Owing to the stringency in the money market, fertilizer materials have been low for cash, and as we have laid in one of the largest supplies of Animal Bone, Potash and other materials we have ever bought, which we bought for cash, we are prepared to offer you special inducements this time, and feel sure if you will see or correspond with us before buying, it will certainly be to your interest so to do. Yours truly,

T. R. HUBBARD & SON,
Manufacturers Standard Fertilizers, Chestertown, Md.
