PUBLISHERS AND EDITORS.

SATURDAY, MARCH 20, 1909.

THE State Live Stock and Sanitary Board has issued an official declaration raising the quarantine for the foot and mouth disease on the Union Stock yards.

TAFT's first message was sensible in tone and equally so in length. It is the first message the public has read for many years.

THE new Tariff Bill now before Congress will not be recognized by its framers when the "Interests" affected get through with it. To think that the tax on the things which go into the make-up of clothing for the needy should be raised and the rate on whiskey and beer left undisturbed is a fine sample of the injustice of the bill.

THE Democratic members of the House who went over to the enemy Monday deserve the censure of every Democrat in this country. It was the chance of a lifetime to get justice, but as it was only a very little bit of Speaker Cannon's claws have been clipped.

ALL the Maryland members of the House and Senate were present at the opening on Monday. Beginning on March 4 each senator and representive will receive a salary of $7,500 per annum and mileage. The latter item does not amount to much to Maryland members. Mr. Gill and Mr. Kronmiller will each receive $16. Mr. Covington will receive about $70. Each senator and representative will also be entitled to an allowance of $125 for postage, stationery, etc. This allowance is for the extra and regular sessions. Members can draw the whole sum of $125 and put it in their pockets, or they can draw upon the stationery department for this sum as they need supplies.

Each senator and representative is also entitled to a clerk. The senatorial clerk draws $1,800 a year. The representative's clerk receives $1,200 a year. The Maryland senators and re-elected representatives will retain the clerks previously in their service.

There will be two new faces in the Maryland delegation in the House. Mr. J. Harry Covington will succeed Mr. William H. Jackson. Mr. John Kronmiller will succeed Mr. Harry B. Wolf.

WE are glad to see that the press of Baltimore city is calling *some* attention to the conditions of trade between that city and the Eastern Shore. Baltimore's lethargy in regard to trade relations with the Eastern Shore will prove fatal to its interests unless it is shaken off.

To the far South, Baltimore merchants go with a whoop and a cry for business, but they fail to see the great opportunities for commercial developments that lie so near to home.

In the past years, when Baltimore might have shown an altruistic spirit and accomplished some little good for the Eastern Shore, she has remained passive and now seems unable to realize that the trade of this prosperous section is slipping from her grasp.

This dormant condition will prove a costly experiment for Maryland's metropolis. The papers of that city have long slighted the Eastern Shore, and ever fail to give it its just dues, rather contenting themselves with outbursts of sensationalism when an opportunity affords a chance for muckraking.

Possibly Baltimore may feel herself supreme, but even a haughty mistress can be taught a severe and profitable lesson. What may be the outcome of the Eastern Shore Publicity Campaign is problematical, but it will, at least, assure the residents of the Shore as to the true status of Baltimore's position and aims.

However, let the city look to itself, for the Shore can afford to be independent in adopting its own course.

STILL POND ITEMS.

Mrs. Lavina Harper and two children, Howard and Florence spent several days in Baltimore.

Mrs. E. H. Collins and two boys Willie and Edward, spent the week with friends at Marydel.

Mr. and Mrs. Charles Jewell have been visiting friends in Baltimore.

Mrs. Sallie Price and Mrs. S. E. Severson spent Wednesday with Mrs. W. B. Price at Betterton.

Mr. Charles Ford spent Sunday with his cousin Mr. Herbert Ford of Chesterville.

Mr. Willis K. Hackett a highly respected citizen of town was taken sick on Tuesday and hurried to Baltimore to the hospital where he was operated on for appendicitis on Wednesday. We hope for his speedy recovery.

Dr. and Mrs. J. Horton Kelley have been visiting in Philadelphia.

Messrs. Charles Hague and John Boulden made a business trip to Baltimore during the week.

Rev. E. H. Collins left on Monday to attend conference to be held at Milford, Del. We regret to say he will not return to us for another year.

Mrs. Samuel Moffett is going to organize a Junior Epworth League which we are sure will be a great help and Mrs. Moffett is the one for this work.

Mr. and Mrs. Wm. B. Price of Betterton spent Sunday at the home of Mr. and Mrs. A. J. Hackett.

Miss Mae Pennington was the guest of Miss Mary Harper during the week.

News in Church Circles.

Dr. H. B. Martin will preach a special sermon to all Masons on Friday evening, April 9th, in Emmanuel Church, Chestertown.

The Sunday School class taught by Miss Mayme Thompson will hold a Tea with ice cream, cake and conglomerated compound on sale on Wednesday evening, March 31st. The Eliason store room on High street will be used for the purpose.

The Pocomoke City papers speak highly of Dr. W. R. Graham, pastor of the M. P. Church there, and state that the delegate to conference has been unanimously instructed to ask for his return. There is a rumor that Dr. G. may go to West Baltimore.

Mr. James W. Crouch lead the Song Service at Christ M. P. Church Sunday evening. A reading by Miss Bessie Wheatley was a feature of the evening. Mr. Arthur Bacon assisted in the music with his cornet.

The following from the Denton Journal will be interesting: "Rev. Ivanhoe Willis, of Henderson, preached to the interest and profit of the Marydel people last Sunday evening. The pastor had a good day at Marydel, Hartly and Templeville. The monthly missionary offering in Marydel Sunday School in the morning was $7.06. The pastor's class raised $3, Mr. W. Heather's class raised over $2.80. The Missionary collection from this charge will be reported $180. This is more than was ever raised here in any one year before. Splendid revival services have been held at each church."

At the fourth quarterly Conference of the Chestertown M. E. Church the following official Board and standing Committees were appointed:

Stewards—Dr. J. T. Twilley, M. A. Toulson, James Brice, Joel R. Clements, M. Wilber Thomas, Thos. S. Bordley, W. C. Peregoy, Thos. W. Eliason, I. R. Leaverton, Harry F. Jeffe son, W. B. Copper, Dr. Chas. R. Twilley, J. L. Smyth, M. deK. Smith, Wilbur Eliason, James Brice, H. H. Klinefelter.

Rev. W. L. White preached the annual missionary sermon at the M. E. Conference in Milford Wednesday.

The ministerial appointments will be announced by Bishop David H. Moore of Cincinnati.

It is possible that Rev. Vaughn S. Collins, of Port Deposit, will be made District Superintendent of the Easton district, succeeding Rev. W. G. Koons, who may be appointed to the Port Deposit church. It is also reported that District Superintendent Adam Stengle, of the Salisbury district will go to Snow Hill, exchanging places with Rev. C. W. Prettyman, the present pastor of the Snow Hill charge.

There will be no preaching service in the M. E. Church next Sunday, the pastor being at Conference.

The W. F. M. S. of the Chestertown E. Church was delightfully entertained at the home of Mr. and Mrs. Dr. H. Benge Simmons Tuesday afternoon.

The Epworth League services last Sunday evening were lead by Miss Sue Dunbracco. Features of the service was a baritone solo by Mr. James H. Shuster and male quartette by Messrs. Thos. S. Bordley, J. C. Loud, Jos. E. Conine and Roland Matthews.

Rev. W. L. White preached his last sermon as pastor at Chestertown last Sunday night. In reviewing his work he stated that he had made, during his five years residence here, 2650 pastoral calls exclusive of all visits of a social nature; he has baptized 63 infants and three adults; he has married 63 couples. For his services in tying the nuptial knot in one instance he received nothing and in another instance only the price of a marriage certificate was reluctantly handed him.

Rev. Mr. White and his most estimable wife are held in the highest esteem by every person in this community, regardless of denominational affiliation. The prayers and best wishes of this people will follow them to their new field of labor.

Bayside Park.—Messrs. Howard Turner, president; W. F. Russell, secretary and treasurer; Lewin W. Wickes, counsel; Capt. W. C. Eliason, F. M. Hymiller, Harvey Brice and C. H. Price, directors; with Prof. G. B. Taylor, engineer, of the Bayside Land Co., were served a dinner at Chesapeake House, Betterton, yesterday, following a regular meeting of the Board. Besides discussing matters of business, pertaining to a bright outlook for Bayside Park, they also attended in ample manner to the menu furnished at this famous bayside resort which included all the delicacies of the season, including the toothsome shad. It is understood that a number of lots in Bayside Park are about to be sold to owners who will begin building this Spring.

FRUIT PROSPECTS FAVORABLE.

Strawberry growers say this season promises to be a record breaker in the strawberry industry, as the outlook for a large crop was never better than at present. The only thing that will blast the former's hopes will be the heavy frosts, so prevalent during April.

The opinion is general that fruit-buds are in good condition. So far very little damage has been done.

Mr. J. W. Kerr, the expert fruit grower of Caroline, says: Fruit-buds of peaches, plums, pears and cherries are about fifteen days further advanced than usual this spring. What the result will be is a question that time alone can answer. Of course, existing conditions multiply the dangers. It is simply guessing—mental gambling on futures—to say that there will or won't be a crop of fruit. I concede the right to guess to every freeholder who pays his taxes like a Christian; the balance of mankind can guess if they wish; but I would remark in passing that they refrain, and thereby preserve their self-respect and the good opinion of the city daily papers. It is safest to catch the chickens before counting.

A Nickel For a Dollar

MY NICKEL CLOCKS are worth a dollar? There are nickel clocks sold that are dear at seventy-five cents. Our's stay good, for they do not have soft pinions and a case as thin as tin.

We have another NICKEL ALARM that rings for FIFTEEN MINUTES (unless you get out of bed and stop it); then it stops to see if you turn over for another snooze. Then it begins again; and the "Intesmittent" keep up this periodical racket until you must get up, or go crazy. It is a great cure for sleepy cooks; and a great comfort to the man who must have breakfast on time. We guarantee all clocks for 12 months.
