THE PEOPLE'S STORE.
The People's Popular Prices!
A. ALEXANDER,
ROCK HALL, KENT COUNTY, MD.

The oldest established merchant of the neighborhood. Twenty years' successful business career, and still retaining the confidence of the people, with increasing patronage. This complete stock of goods far eclipses anything of its kind in our territory, and the prices for all classes of merchandise will compete with the most prominent city houses. Having every possible advantage over competitors, we are enabled to underbuy and undersell those who buy on credit. Every article in this store is bought at spot cash figures and direct from manufacturers in large quantities, and the tempting low prices are particularly interesting to close cash buyers. The store is one of the largest in the county, and embraces
