ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

CHURCH NOTES.

Mr. J. Frank Wheatley lead the Christian workers service in Christ Church Sunday. It was an interesting meeting.

Without waiting for the decision of Chancellor Nicholson in the noteworthy case between the congregation of Wesley Church, Dover, and the Wilmington M. E. Conference as to the ownership of the large church and parsonage there, the committee of one hundred in charge of the Opera House gospel meetings have decided to proceed and permanently organize in the interim. There are indications that exigencies might arise whereby the settlement of the property dispute would be delayed for one year. Therefore, Rev. A. W. Lightbourne, who was put out of the conference, but has had remarkable success in the gospel meetings in the Opera House there, has agreed to go back to Dover and will take possession of the Smith suburban home on Division street and King, a large residence suitable for holding receptions and cottage prayermeetings. He will probably remove to Dover next week.

The Juvenile Home Missionary Society of Christ M. P. Church held its annual election Sunday the following officers being elected: President, Galen Vansant; vice-president, Hope Hudson; secretary, Miss Ethel Topping Price; board of managers, Elizabeth Russell, Rebecca McFeely, Reba Davis, Frazier Russell and Foster Dill.

The congregation of St. Paul's P. E. Church are considering plans for a new rectory to be built in Fairlee. A new rector has been called but his acceptance has not been received at this writing.

Chestertown M. E. Church, Rev. Louis E. Barrett, D. D. pastor:—Services next Sunday, May 16th, as follows:—10.30 a. m., preaching by the pastor, subject, "The Transfiguration;" 2.15 p. m.
