SATURDAY, JUNE 12, 1909.

TO THE JUDGES OF THE Democratic Primary Election

QUALIFICATION OF VOTERS.

All voters of Kent county whose names appear upon the registration books of the district in which they present themselves and who voted for Democratic Electors for President or Vice-President of the United States in the year of 1908, are entitled to vote in the Democratic Primaries.

All voters whose names appear on the registration books of the district in which they present themselves and who failed to vote in the year of 1908 are entitled to vote, provided they declare their intention to vote at the election in November, 1909, for the candidates who receive the nominations at these primaries.

A registered Democratic voter, with the above qualifications who has moved out of the district, county or state is entitled to vote.

All young Democrats who on account of their age are not registered, but who will be entitled to registration and to vote at the coming November election, are entitled to vote at these primaries.

No one is entitled to vote at the primaries unless he is registered, except young Democrats who on account of their age are not registered but will be entitled to be registered this year.

MARKING BALLOTS, ETC.

Voters in the Primary Election are not required to mark their ballots in the polling room.

A ballot can be marked wherever the voter pleases.

There is no official way of folding the ballot. The ballot must be folded so that the contents can not be seen and so that it can not be identified.

No ballots can be counted except official ballots.

The above instructions are from the construction of the law rendered by Attorney General Straus.

LEWIN W. WICKES,
Chairman of the Democratic State Central Committee for Kent county.

THE effort to besmirch the excellent character of Kent's State's attorney failed of its purpose and he is stronger today than ever. Mud slinging always reacts.

THE election in Wilmington last Saturday resulted in a big Democratic victory. Republicans have controlled this city for many years but the tide has turned.

DON'T forget that when you vote for Mr. Barroll's delegates to the State Convention you vote to turn out Lewin W Wickes, Esq., as chairman of the State Central Committee.

The indications point to a fair wheat crop in Kent. The elevators of Baltimore are nearly empty of wheat there being 25,000 bushels on hand. Spot wheat was quoted at $1.60 yesterday and July wheat at $1.18.

COL. W. SCOTT ROBERTS died at his home in Centreville Tuesday, aged 71. He was for many years editor of the Centreville Record and made that paper a power in the community. He was a fluent speaker, a vigorous writer, a delightful companion and a loyal Democrat.

Looking For "Organization" Liquor

Two prominent members of the "Antis" started out Sunday to find out whether or not the "Organization" had any liquor "toaters." After diligent search they got on a trail which ended in the party informing them the only man he had seen giving away rum was ——, *and he was one of "your men"!* Nuf sed.

THE VOTE IN 1907

The vote in the Democratic primaries two years ago will doubtless be of interest to the NEWS readers. For Senator the vote was as follows:

Slay	262	183	141	235	136	79	87 1123
Noland	135	117	102	138	207	116	57 872

W. W. Beck received 1065 votes and H. W. Vickers, Jr., 935. Thomas Gale received 1052 and H. J. Gray 936.

Every Democratic voter now on the list and every young man coming of age before election in November will be entitled to vote today.

WHY TURN THEM OUT?

It is said that the anti-organization faction of the Kent Democracy have determined to turn out the county Central Committee and elect a new committee. To this end movements are on foot in all the districts.

There is no good reason for any such action. The present committee is one of the best we have had in the county. They will be in hearty accord with the ticket nominated and all will leave nothing undone to secure the election of every candidate. Why then should they be substituted by new and possibly untried men.

The right-thinking, fair-minded democrats of the county will not permit such action, we are sure, if they will but give it a moment's thought. Yet such a result may be brought about by indifference or an over sanguine feeling on the part of the friends of the present committee. Let this not be. But see to it that the voters attend the meeting SATURDAY and elect a delegate from each district in their favor, viz.

George W. Jones, 1st district.
John H. Clendaniel, 2d district.
C. Romie Skirven, 3d district.
Frank E. Duyer, 4th district.
John Brice, 5th district.
Lewis C. Ayres, 6th district.
Capt. Dan. W. Hadaway, 7th district.

THE continuous rains are fearfully discouraging to farmers.

THE efforts of the Barroll organ to intimidate Mr. John E. Morris to withdraw from the fight has failed in one way but succeeded in another, viz., to awaken scores of friends of the popular commissioner to go to work for him. Mr. John E. Morris will get one of the biggest votes ever received in Kent in a Democratic primary. He is worthy of it for he has made a faithful official.

FULL VOTE MEANS VICTORY

A full vote today means victory for the "organization." The leaders of the "anti" side are only claiming four men, thus evidencing their weakness.

The candidates of the "organization" are all men of high character and have special fitness for the offices to which they aspire. They are worthy of your votes.

VOTE TO-DAY.

Every Democrat in Kent county should take enough interest in his party to go to the polling place in his district TO-DAY and cast his ballot for the candidate he deems best fitted for the office to which he aspires.

The contest between the several candidates, we are glad to say, has not been at all bitter, but generally of a most friendly character. This is as it should be. And it is hoped that nothing will occur to-day to mar the good feeling now prevailing. The NEWS will support heartily the winners in to-day's primary contest.

THE PRIMARIES TO-DAY.

The Democratic primaries in Kent county will be held to-day under the call of the State Central Committee between the hours of 2 and 6 o'clock P. M. This call will be found in full on our second page.

Tickets will be furnished at all the voting precincts with the names of all the candidates printed thereon. The voter will have to be careful to *mark off all the names he does not wish to vote for* and leave on the ticket the number of names as directed thereon. This ticket is arranged alphabetically as the law requires:

The "Organization" candidates are as follows:

Clerk of Circuit Court—Jas. T. Dixon.
Register of Wills—Harry Griffith.
Treasurer—Wm. S. Hurlock.
Sheriff—Andrew Medders.
County Commissioners — John E. Morris, C. Frank Wheatley.
House of Delegates—Jas. S. Harris, Harry C. Willis.
State Delegates—Lewis C. Ayres, John Brice, John H. Clendaniel, F. E. Duyer, Daniel W. Hadaway, George W. Jones, C. Romie Skirven.

UNJUST AND UNTRUE!

SASSAFRAS, KENT CO., MD., March 18th, 1909.

Brethren of Jr. O. U. A. M:

Having read the article in the Transcript of March 13th, 1909, signed Jr. O. U. A. M., which article reflected upon a candidate for a political office in Kent county, Md., we are advised the article in question referred to Harry Griffith, candidate for Register of Wills. We are members of the Jr. O. U. A. M., in good standing, and think the article in that paper is *unjust, unfair* and *untrue.*

We, the undersigned, would vote for Mr. Griffith for any office in the Jr. O. U. A. M. in the District, County or State, and glad we have the opportunity to vote for him:

J. R. Thornly, Olin S. Davis, W. H. Startt, James C. Thornly, Jr., John Johnson, Jr., B. F. Phillips, Jr., W. S. Knight, Clark Colgain, Edw. Stradley, Alex. T. Laws, Ralph Brice, W. S. Morris, W. H. Johns, S. T. Othoson, Harry E. Robinson, B. F. Moffett, H. C. Reynolds, Benj. Shelton, George W. Phillips, Thomas Darrell, Walter Clayton, Howard Shelton, John W. Naylor, Fletcher Hurd, H. C. Malsberger, G. R. Moffett, Robert W. Johnson, Fred. W. Boyles, C. A. Schwatky, William H. Stradley.

SLIGHTLY MIXED.

MESSRS. EDITORS:—Unless one follows political questions closely these times, it is hard for an untrained mind to keep track of just what we ought to do. The Transcript has slightly got mixed so we ask an explanation through your columns. We would ask that paper directly, but though we see a cordial invitation to all, "friendly or unfriendly to write to them," we fear to trust them. You know times have changed, all highly respectable (?) and honorable (?) newspapers now withhold an article given them for publication and comment and write editorials on the article *without publishing the article itself.* So we come to you.

A few weeks ago they said "for the past 50 years County Commissioners have been run as they were two years ago, which was by the direct vote of the people." In the last issue they say, "for the past fifty years County Commissioners have been elected in their districts." We have had two sets of Commissioners. One elected each way. Though a voter, I did not know it. How is it a few weeks ago the law in the Crawford County system was so plain they censured Mr. Lewin W. Wickes for getting Mr. Straus' opinion on. It being so plain that those who ran could read. Then in this last issue they ask how they thought intelligent and highly educated men could be expected to find the law in a question so complicated. Has the law in the Crawford County system changed in the past week from the simple to the complicated?

In this issue they speak of a "dirt-slinging politician." Is answering a question fairly and squarely these days called "dirt slinging?"

All these things may be perfectly plain to the acknowledged Barroll editors and the *unacknowledged one,* yet we of simple minds find it hard to understand. Would some of your readers kindly explain? We feel quite like the centerpede:

A centerpede was happy quite until a frog in fun
Asked which leg should follow which?
Which wrought his mind to such a pitch,
He lay distracted in the ditch,
Considering how to run.

Hadaway and Walter H. Hadaway on the east; which said lot of land is supposed to contain about 14.005 ACRES OF LAND, more or less, (reserving and excepting therefrom and thereout the two acres of the said tract immediately adjoining the public road, which will not be sold), but all the rest and residue of said lot of land will be offered and sold subject to a right of way over the entire tract as now laid down and used along the lines of the lands of Mrs. Myra Maslin and Dr. Walter O.
