For President JAMES M. COX. For Vice-President FRANKLIN D. ROOSEVELT. For United States Senate JOHN WALTER SMITH. For Congressman CARVILLE D. BENSON.

Sugar is just as sweet if not so dear. The prevailing price for what one buys seems to be all you've got. It's all over but the shouting in the Presidential campaign, and Harding's doing that.

The profiteers seem to be laboring under the impression that all of us have Carnegie's ambitions to die poor.

The reason the Republicans are so virtuous is probably because "money is the root of all evils."

Just as soon as the frost is on the pumpkin the consumer will be expected to pay more for it.

Politics this year is about the only thing you can get a stomach full of at the old rates.

A vote for Benson means a vote to have the Second District well represented in Congress. Now don't forget this.

The article which appeared in the last issue of The Jeffersonian relative to Mr. Price's presence at the recent gathering of the W. C. T. U. caused indignation among some of the ladies. Notwithstanding the fact that Mr. Price was an invited guest we do not feel that a church is the proper place to have open discussions, so to speak, on political issues. To those ladies who have taken offense at our attitude we offer an apology.

Mr. Watson, of Price, Watson & Dietz (limited)

Mr. Watson, of Price, Watson & WILL Dietz (limited), in an article published in a recent issue of the Maryland Sufrage News, states that the "organization" did all they could to block the charter proposition, that is, getting the signatures of 5 per cent of the rotes to place the proposition on the

The hair-tonic consumers must be the fellows who used to boast that they could either drink or leave it alone.

Women of Baltimore county—are you going to see your negro servants go to the polls and vote, and you remain at home?

Eighteen thousand schools failed to open in the United States last year, but there were more movie theatres running full blast than ever before.

It is easier to be critical than correct. This is the policy Price, Watson & Dietz (limited) persue in advocating the new charter.

Former State Senator N. D. R. Allen is opposed to the charter form of government and no doubt before election day will state to the good people of this county, why.

When the good people of this county put up their money to build highways it was not as some seem to think, for the purpose of establishing automobile and motorcycle race tracks.

Don't fail to register, ladies. Not that we are anxious to know your ages, but to assure yourselves that you may be able to vote for Cox, Smith and Benson, and against the new charter.

Mr. Price, of Price, Watson & Dietz (limited), is a busy man nowadays. He purposely attends any and every gathering held in Baltimore county and seeks permission to speak in behalf of the new charter. If practice makes perfect, William Jennings Bryan will have a close second in Mr. Price as the "silver tongued orator."

CARDINAL GIBBONS URGES WOMEN TO VOTE.

"Now that women have been given the vote they should exercise this privilege, not only as a right, but as a duty," Cardinal Gibbons said to newspaper men.

"While I always have been opposed to woman suffrage, because I felt that suffrage would withdraw them from the more delicate and more sacred pursuits of home life," said the Cardinal, "now that they have been given the vote, I urge upon all of them the exercise of that suffrage, not only as a right, but as a duty. They should exercise that duty intelligently.

exercise that duty intelligently.

"It is their duty, both to register and vote, and especially in the coming presidential election. They should vote for the candidate who will in their opinion contribute best to the material and social progress of the State."
