BALTIMORE.

Buy a good one or none.—Many absolutely worthless sewing-machines are now before the public, to purchase which would result in nought but vexation and disappointment to the owner. A *cheap* sewing-machine generally proves a *dear* bargain. *Grover & Baker's* have stood the test for many years; and but one opinion prevails as to their worth. The advantages they possess for Embroidering, Braiding, Hemming, &c., and their wonderful simplicity renders them the best in use. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? *None,* we conscientiously affirm.

Send for a Circular with description, prices, &c. Call and examine the machines and work executed by them, at our office,
