

County Agent J. Frank Hudson has resigned his position.

Miss Anne Manley is a student at St. Elizabeth's Hall, Charlestown, W. Va.

Miss May Gray, of Philadelphia, spent the week-end with her parents here.

Mr. Graham W. Brogan, of Towson Heights, has returned from a business trip to New York.

Miss Julia Cassen is spending this week-end with Mrs. Claude Skinner, of Catonsville.

Mr. Kenneth Howes and mother are the guests of Mrs. Howes's sister, Mrs. Raymond Gray.

Miss Florence Melvin, of Baltimore, spent a few days as the guest of Mrs. Samuel A. Parks.

Mr. and Mrs. Robert Smock have had as their guest, Mrs. Charles Donovan, of Elizabeth, N. J.

Mr. J. F. Moran is erecting a cottage on the W. Joppa Road, next to the home of Miss Anna Wilson.

Mr. Homer Davis and wife are now occupying an apartment in the residence of Mr. Lawrence Parks.

Miss Margaret Smith, of Baltimore, is spending some time at the home of Mr. and Mrs. Robert Parks.

Postmaster and Mrs. Walter W. Hoops moved this week into an apartment in the home of Mrs. John T. Hopkins here.

At a recent meeting of the Board of Directors here, Mr. Wm. C. Kenney, cashier of that institution, was elected a director.

Mrs. C. Rebecca Bowen returned this week from Ocean City, where she attended the State convention of the W. C. T. U.

The Taxpayers' League (Price, Watson & Dietz, limited) held a meeting in the Court House here on Wednesday last.

Mr. Charles J. Fox was elected a member of the Board of Directors of The Jeffersonian, to succeed the late Martin J. O'Hara.

To succeed the late Martin J. O'Hara, Mr. Charles E. Weakley was recently elected vice-president of the Baltimore County Bank here.

Miss Ernestine McGill, of the Baltimore County Children's Aid Society, has resigned and will spend some time at her home in Frederick county.

A delegation, mostly ladies from the Woodlawn section, waited on the County Commissioners on Wednesday last, requesting that a new school be erected in that locality.

The big clock on the front of The Towson National Bank has been on a strike for some months, but we are glad to again hear its chimes strike every quarter hour once more.

Mrs. Mark Ziegler and little son left this week for the South, to join her husband, Dr. Mark Ziegler. Mrs. Ziegler has been spending some time with her parents here, Mr. and Mrs. R. E. Lee Bosley.

The volume of business at the Towson postoffice has increased to such an extent that an additional clerk was necessary. Mr. John C. Smith, an ex-service man, has assumed duties there.

Mr. Charles E. Hamilton, of Gwynedd, was before Justice Butler for overloading his motor truck. His case was held for the action of the Court. He was represented by Attorney T. Tilden Kelbaugh.

Allen J. Wandling, of Martinsburg, W. Va., through his attorney, Wm. P. Cole, Jr., has entered suit against Wm. S. Stevens, of North Branch, asking \$10,000 for alienating the affections of his wife. The Court suit is the result of Wandling having Stevens and his (Mandling's) wife arrested and brought before Justice Butler here on a serious charge some weeks ago. The suit against Stevens may materialize into something sensational for the Department of Justice was represented at the trial before Justice Butler.

Whether his "jag" was caused by hair tonic, Jamaica ginger or shoe polish is a mystery, but a young white man became so completely weakened in the legs from some sort of alcoholic concoction that he wandered to the pavement in front of the Chinese laundry on the York Road Monday evening. As a consequence he was assisted to the lock-up by Patrolman Schmidt.

Louis I. Vanderhoven and Miss Minnie Dengler, of New York, were married at the rectory of Trinity Protestant Episcopal Church at Towson by the rector, Rev. H. B. Lee, Jr. When the groom secured the marriage license at the office of the clerk of the Circuit Court he gave his age as 76 years and the bride as 56 years, and he stated that it was the first venture of both into matrimony.

Washington avenue, here, is being repaved. It was on that road about fifteen years ago, that asphalt was used for the first time as a binder for macadam. Thomas J. McDonald, of Baltimore, learned that asphalt could be used for such a purpose, and secured permission to test his theory on a portion of the avenue. With nothing but a water can, Mr. McDonald laid the asphalt and it had been heated, and although subjected to heavy travel, it has remained intact. The experiment was noted by the Highways Division of the United States Agricultural Department.

Mr. P. Birkett Wagner, of Philadelphia, spent several days this week with his grandparents, Mr. and Mrs. William M. Arhall.

The case against Harry T. Campbell & Son for overloading his trucks, which was before Justice Butler on Tuesday last was not tried by the Justice of the Peace, as his attorney, Mr. Edward H. Burke, held it for the action of the Circuit Court.

Community singing under the direction of Mr. Thomas L. Gibson, State Supervisor of Music for Normal Schools, was a feature at the entertainment held last night (Friday) at the State Normal School here. The movie film "The Call of the Hour" was also one of the interesting numbers on the program.

On next Thursday the Baltimore County Sunday School Association will hold its annual convention in Towson M. E. Church. There will be morning, noon and night sessions, beginning at 9:30, 1:30 and 7:30 o'clock respectively. An excellent program has been arranged. Among those participating will be Rev. R. D. Murphy, president of Blue Ridge College, New Windsor, Md.; Rev. G. Pitt Beers, of Baltimore; Rev. E. D. Stone, founder and leader of the well known Stone's Bible Class, of Washington, D. C.; Hon. F. L. Middleton, also of Washington; Dr. Abner B. Brown, secretary of the Sunday School Association; Rev. R. E. Manley, secretary of the Baltimore County Association; and Dr. John T. Ennor, Superintendent of East Baltimore District, M. E. Church. The evening address will be delivered by Rev. J. H. Cudlipp, of Baltimore, Md., on the subject, "The Church and the World."

League covenant, and look to the great good that can be accomplished in the world if the spirit of the covenant is carried out. They realize, as all sensible men do, that any defects found in the covenant can readily be amended, just as the Constitution of the United States has from time to time been amended. They hope to see future disputes between nations settled by arbitration or by an international court, instead of by resort to arms. They want to see the nations of the world junk most of their armaments and thus reduce the burden of taxation which the people of the several nations are now obliged to carry. They want to see the fulfillment of the prophecy, when "swords shall be beat into ploughshares and spears into pruning hooks." And in order to carry out this great enterprise of peace they realize, from a practical standpoint, that it is necessary to place the control of the government of the United States in the hands of men who are in sympathy with the League of Nations. For that reason they are enthusiastically supporting Cox and Roosevelt, and the Democratic candidates for Congress—Senator John Walter Smith in the Upper House, and Congressman Carville D. Benson, in the Lower House.

IT MEANS BIGGER PROFIT FOR YOU!

Larro-feed

Shows Its Value On The Milk Check

Yes, Larro may cost you more money per ton—more money per feeding than some dairy feeds, but you must remember that Larro is not made to sell at a price; it has always been offered as a better dairy feed—a feed that would make your cows give you more milk and result in a bigger milk check for you at the end of the month.

Some of the best friends we have today are dairymen who at one time thought they couldn't afford Larro because it cost more money per ton than the feed they were using. Now these same fellows (thousands of them) tell us no feed ever paid them so big a profit as Larro.

They tell us that not only do their cows give more milk but they milk for a much longer period and always seem to be in so much better health than before.

Maybe you are one of those dairymen who have already tried and found out for yourself what a wonderful feed Larro really is. If so, you will surely be glad to tell your farmer friends about it. But if you aren't now using Larro, then we are both missing something.

Get your supply of Larro today.

Let this be the beginning of increased profits for you.

Feed Your Cows "PFO" DAIRY RATION

For More Milk and Better Health Cows in Good Physical Condition Always Give Best Yearly Yield. "PFO" DAIRY RATION

will keep your cows in good physical condition with less attention in feeding.

PALATABILITY

No dairy cow ever did well on a feed she did not like. In selecting the ingredients for "PFO" DAIRY RATION we have paid most particular attention to the palatability of the mixture. Cows eat it eagerly and do not "go off feed" readily.

GUARANTEED ANALYSIS

PROTEIN, 20 per cent.	Fat, 3 per cent.
Carbohydrates, 50 per cent.	Fibre, 15 per cent.

The above figures are not the real values to the feeder. It is the digestibility that counts and produces and just how much digestible nutrients in a dairy ration is what the feeder who knows his business wants to know. DIGESTIBLE PROTEIN 15½ per cent. FAT and CARBOHYDRATES 60 per cent.
