DEMOCRATIC TICKET.

For Representative in the 56th Congress of the United States:

COL. JOHN WALTER SMITH,

OF WORCESTER COUNTY.

COL. JOHN WALTER SMITH, NEXT CONGRESSMAN FROM THE FIRST DISTRICT.

PORTO RICO formally passed into possession of the United States on Tuesday.

COL. SMITH said on Tuesday: "There is no doubt that the material is at hand to assure my election if the people only use it."

THERE IS NO HOT TIME in Kansas, snow to the depth of five inches covers the ground and the State has been cyclone-swept.

MAJOR BILLIE STEWART designates Col. Smith and Col. Jackson as the money-barrel candidates. It is strongly hinted in many quarters that the Major has been catching the financial drippings quite largely from the Jackson barrel.

THE BUFFALO BILL campaign programme arranged for Col. Roosevelt, is not proving a success in New York. The Rough Rider who failed to pay taxes and did not know where he lived, will be snowed under in New York by about one hundred thousand votes. Roosevelt will be picturesque even if he is not to be Governor.

COL. WILBUR F. JACKSON, the barrel-of-money candidate of the republicans, is booked for a meeting at Rock Hall on November the fifth. The colored brethren would like to know why it is that republican rallies are not held in Chestertown as of old. The reasons might not be gratifying to the "bone and sinew of the grand old party."

THERE WAS a big pow-wow of republican leaders in Easton last week. Senator Westcott represented Kent and the fact that the financial sinews of war are being enlisted in the fight is an evidence that Robert P. Graham, the father of the no-money-campaign-idea knew what he was about when he wanted to abandon the no-money feature.

AS AN EVIDENCE of the relation borne by the Stewart-Willis political fiasco to the republican campaign, a prominent Kent county republican, when asked several days ago what he expected Jackson's majority to be, said: "That depends largely upon the vigor and persistency of Major Stewart's fight. If he sows disaffection, and tears the silver democrats from their old moorings, we will of course get the benefit and should win by a round thousand majority."

EVERY ONE who met the democratic congressional candidate during his short stay in Kent was impressed by his frank, manly and intelligent manner in dealing with the issues of the campaign. Many referred to the interesting points involved, and in every case he was ready to discuss and explain his position. First of all, Mr. Smith is a gentleman of culture, a business man of unquestioned capacity, and as a man of affairs his record is distinguished for marked ability and honesty of purpose. In referring to his indefatigable labors in securing the passage of the Free School Book bill three different times, Col. Smith said: "In the fight for the bill my labors were for the masses of the people on the principle of the greatest good to the greatest number. It remains now to be seen whether my efforts in behalf of the people are appreciated."

POINTS ON POLITICS.

Political Matters of Interest Locally and Otherwise.

Kent county was represented at the no-money-campaign convention held in Easton on Friday, by Mr. L. B. Russell. Wicomico, Talbot, and Queen Anne were represented by democratic committeemen, and Wicomico, Talbot, Caroline and Queen Anne were represented by republican committeemen. Ex-Gov. E E. Jackson presided, and Dr. I. A. Barber and H. L. Brewington were secretaries. After an informal discussion, in view of the fact that not all the counties were represented, and the further fact that the populist and prohibition parties had not been invited to this deliberation, the meeting adjourned to October 21. Mr. Thomas Mallalieu, of Queen Anne, was in attendance, Col. Jackson, money-barrel candidate, did not appear but held forth in a hotel nearby. Kent has had too much experience with republican no-money campaigns to be caught in this year of grace 1898. No one questions the desirability of doing away with money corruption in politics, but the milk in the republican cocoanut is too palpable to deceive even the most unwary.

Mr. Frank Davis, of Wilmington, spent several days of this week in Chestertown. He states that the single-taxers are making a booming campaign in the Blue Hen Chicken State. A number of ladies are taking the stump for the single-taxers.

Charles F. Parker, the colored candidate for Congress in the fifth district says that he will secure three times as many signatures to his list as are required to get his name on the official ballot. He declares his object to be to defeat of Mr. Mudd.

Prof. Brinkley has lost his position at the Maryland Agricultural College because he dared pass an opinion "uncomplimentary" to His Honor, the Governor. Criticism is not in order where the Lowndes—Wellington appointive machine is concerned.

Congressman Sydney Mudd, whose name will carry with it a peculiar significance after the ides of November, says of the no-money campaign, that "John Walter Smith will vote for himself, and Wilbur Jackson will vote for himself, and if they don't spend any money nobody else will vote and the election will be a tie." This means should the republican trick win.

COL. SMITH IN KENT.

The Democratic Candidate for Congress Received an Enthusiastic Reception on Tuesday.

CONFIDENT OF ELECTION.

Col. John Walter Smith, the democratic candidate for Congress in the first district, has every reason to feel gratified at the enthusiastic reception accorded him on Tuesday by the democracy of Kent.

Unexpectedly, Col. Smith arrived in Chestertown at an early hour, having driven over from Centreville. All along the route from Easton his reception was cordial and reassuring. It was because of delays caused by informal receptions at Centreville and other points that he was twenty-four hours late in reaching Chestertown.

So soon as it became known that the democratic Congressional candidate was in town he was beseiged with callers, and for fully five hours he stood shaking the hands of prominent democrats from all over the county. Indeed, many prominent republicans were introduced, and to one Col. Smith laughingly said: "Well, my friend, its all right, you will now have an opportunity to vote for one of two democrats, the only difference between them being, one is the real article and the other is whitewashed to conceal his identity, and I take for granted that honest republicans will take the straight rather than the spurious goods." Many and indeed, all of the enthusiastic free silver men of 1896 who met Col. Smith pledged him their warmest support.

In referring to the outlook throughout the Congressional district Col. Smith expressed himself as being highly gratified. He had found no disaffection whatever except in Talbot and Caroline, and even there the opposition was, so far as he could learn, losing some of its force as a result of the unmistakable interest which the republican leaders have in the movement. The fact that republican newspapers and republican politicians are more profoundly enthusiastic in regard to the Stewart-Jackson-Willis-free-silver-campaign than many free silver advocates themselves, has served as an eye-opener to many who have been deceived and led into the Talbot and Caroline revolts.

Ex-school Commissioner R. W. Jones who fought Senator Smith's Free school book law so vigorously at Annapolis, was among the callers and referred most pleasantly to the winter's experiences. Mr. T. H. Topping also referred to the Senator's school book law. One old-time democrat refused to be introduced, declaring that Col. Smith was not in town and that it was all a joke. Col. Smith enjoyed the joke as much as any one present.

He, with a number of friends took supper at the Sacred Heart Catholic church, and on Wednesday morning the distinguished visitor took the steamer for Baltimore.

EX-JUDGE RUSSUM A SILVERITE.

The ex-Republican Chief Judge, George M. Russum; the republican gold-standard candidate for judge in eighteen hundred and ninety-seven, has astonished his friends and political associates by announcing himself a member of the loyal, free-silver-Chicago-platform-democracy, by signing the nomination papers of Mr. William Willis, representing the free-silver democracy of the first congressional district. Or possibly Judge Russum has emphasized what every democrat knew, that the Major Stewart-William-Willis-free-silver-stir is a republican side show, financially and morally backed and inspired by republican politicians. It may be safely stated that 75 per cent. of the 398 signers of the Willis nomination papers are republicans. Why should a republican ex-Judge and professional politician stand sponsor for this free-silver democratic movement? The republican judicial candidate who distinguished himself by being snowed under to the tune of about one thousand votes last fall, has wonderfully disclosed the "nigger in the wood-pile."

What will Major Stewart's ally do about it? The same election law which makes it obligatory upon candidates to file nomination papers signed by three hundred voters, requires that every signer of the nomination papers pledge himself to support the candidate whose papers he signs. Dire indeed, must be the straits of this gold-standard republican and his compatriots, to demand so startling a sacrifice.

[COMMUNICATED.]

A TIMELY SUGGESTION.

TO THE TRANSCRIPT:—Is it not possible for the press of this county to urge and insist upon building a new public school in Chestertown, as provided by the recent act of the Legislature? The patrons of the school are fully aware of the inadequate facilities of the present school buildings. In one little room as many as over fifty children are crowded, and the other rooms are ill-lighted and badly ventilated. It is a source of menace, constantly so, to the health of every family in town whose children attend this school. Is there not enough public spirit and public interest in the town to make itself sufficiently felt to force the public officers having the matter in charge to proceed with this needed improvement. If necessary the present Grand Jury should visit this school and condemn it as unsanitary and unsafe. The Board of Health might take it up and condemn it for like reasons. The patrons of the school should write to Dr. Fulton, they already know that Dr. Hines will ably second Dr. Fulton in any investigations he may make. Let the Ladies Town Improvement Association take the matter in hand, and then it will go through with a rush.

Yours respectfully,

PUBLIC SCHOOL.

Deafness Cannot be Cured.

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars: free.

Three Doctors in Consultation.

From Benjamin Franklin.

"When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place; what reason (i. e., Theory) says is best is to be chosen in the last place. But if you can get *Dr. Inclination, Dr. Experience* and *Dr. Reason* to hold consultation to-gether, they will give you the best advice that can be taken."

When you have a bad cold Dr Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the recretions and restoring the system to a natural and healthy condition. A Grand Millinery Display!

E. G. MARSHALL & CO.,

Millinery Parlors.

OPENING DAY has come and gone, and hundreds availed the chance of a lifetime in witnessing the finest display of High Art Millinery that has ever been seen in Chestertown. As soon as the curtains rose on the morning of the 7th instant there was disclosed to the expectant eyes of the many fair fashionable feminines of which our town can justly claim a goodly number, all that is beautiful and rich in High Art Millinery, "neat, not gaudy." Most noticeable, at first glance, was the beautiful and artistically decorated windows, the lights and shades of cloud effects on high light was most beautifully bended and harmonized serenely with the rich and varied hues of the many shapes of loveliness below. Here we see favored shapes of soft, vivid colors; in fact, all that is considered *recherche*. Here is the New Blue, very becoming to some; delicate fawns, rich scarlets, mode browns, rich pile black velvet, and combinations of silks and velvet so beautifully blended to harmonize. A very handsome hat in the New Blue is of medium size; it is of blue satin, centre puffed onto a frame and trimmed with full rosettes of satin ribbon, shered with shaded amber blue velvet, hollowed points, filled in with rosettes, held by cut steel buckle and band. Another noticeable hat is a very handsome toque of royal purple, appliqued with cream lace; a drooping ostrich plume curves from side to front clustered with violets, keeping in touch with colors which produce a beautiful and harmonious effect.

To give a detailed description of all the many rich, rare and beautiful gems of the high art is more than we feel capable of doing justice. "To be satisfied is to see."
