BIG COUNTY SHOOT.

Queen Anne Again in the List—Won Last Year's Prize.

The program for the Maryland Country trap tourney for amateurs, which is to be held at Prospect Park May 21, 22 and 23, has been issued. It was compiled by J. Mowell Hawkins, secretary of the Baltimore Shooting Association.

Last year Mr. Hawkins conceived the idea of having teams from all the clubs in the counties in the State meet once a year in Baltimore and shoot a team race for the State championship. Last year 28 teams, of 3 men each, entered, and each man shot at 50 targets. The Queen Anne county team, composed of J. E. George, L. M. Booker and Jerry Godwin, won, with a total of 107 breaks out of 150 targets. Berger, Alberger and Longfellow, the Carroll county team, was second, with 105, and the Montgomery and Harford county teams tied for third, with a score of 102. Harford won in the shoot-off, breaking 21 out of 30 shot at.

Queen Anne will be represented this year by the following crack shots:

Queen Anne County, No. 1—John E. George, captain, Sudlersville; L. M. Booker, Jerry Godwin. This team won the championship in 1901.

Queen Anne County, No. 2—C. E Smith, captain, Church Hill; J.K. Brown, William Wallace.

The individual championship event at 100 target last year resulted in a tie between Worthington, of Cecil, and Alberger, of Caroline, each securing 94, and was finally won by Worthington in the shoot off, who broke 8 to Alberger's 7 out of a possible 10. More than 100 shooters participated and over 25,000 targets were thrown.

AT CHURCH HILL.

A handicap shooting match was held at Church Hill on Monday. Those who entered at the scratch were Messrs. George, Godwin, Booker, Brown, Smith. Those who were given a handicap were Messrs. Reed 5, Sudler 6, Evans 7, Wallace 2, Faithful 5, Paynter 6. The shoot was at 25 blue rocks. Wallace, who had a handicap of 2 birds, killed 23 making his total 25, a perfect mark. He won the prize which was a set of harness. Booker was next with a mark of 23.

AT SUDLERSVILLE.

Quite an exciting shoot at blue rocks was held at Sudlersville on Thursday of week before last. It was a handicap shoot. The first event was for a gun and was won by Jerry Godwin who killed 22 and was handicapped 1, making a total of 23. Wallace and George came second with scores of 22 each, the former having a handicap of 10 and the latter shooting at the scratch. The second event was for a safe and was won by Faithful, who was handicapped 10 and killed 12, making a total of 22. Smith was second and George third.

MILLINGTON MATTERS.

The Epworth League of the M. E. Church South, held a League Rally in their church, Friday night, April 25th. A special programme was carefully prepared for the occasion which was very interesting and instructive. Their pastor, Rev. I. Ryder, made a short address to the members. The League is in a good condition.

A very pleasant dance was given by the young men of Millington and Massey in the town hall here on Tuesday night, April 29th. Music was furnished for the occasion by Messrs. Visitors were present from Chestertown, Centreville, Church Hill, Galena, Middletown, Locust Grove, Sudlersville, Massey. Refreshments of sandwiches and coffee were served at midnight. Dancing was then resumed until four o'clock.

FRAUDULENTLY SECURED PENSION.

Prominent Citizen of Crumpton Pleads Guilty of Aiding in Pension Fraud.

Mr. J. Ashbury Ryland, one of the most prominent citizens of Crumpton, and well known throughout the upper section of this county, pleaded guilty in the United States District Court last Saturday of aiding Julia A. Bordley, an aged colored woman, of Crumpton, in a fraudulent attempt to secure the continuance of a pension of $8 a month. Mr. Ryland was fined $50 which was immediately paid.

The indictment charged that the offense was committed on September 4th, 1900, when Mr. Ryland was a justice of the peace. It is alleged that the woman was granted the pension as the widow of Joshua Bordley who died several years ago. She was already married to a man named Joshua A. Gibbs and had left him when she was married to Bordley. She represented to Mr. Ryland that she was the widow of Bordley, although she had another husband living, concerning which Mr. Ryland knew nothing. Other witnesses also swore before him that she was Bordley's widow. On the strength of this Magistrate Ryland recommended that a pension be issued to her. The United States pension authorities discovered that the pension was secured through fraud and immediately took steps to prosecute those implicated in the securing of same. Although Mr. Ryland was not in any way implicated in the fraud, he was advised by his friends and by the United States Attorney to plead guilty, as the costs of carrying on the suit would be heavier than paying the fine.—*Observer.*

No Loss Of Time.

I have sold Chamberlain's Colic, Cholera and Diarrhoea Remedy for years, and would rather be out of coffee and sugar than it. I sold five bottles of it yesterday to threshers that could go no further, and they are at work again this morning.—H. R. Phelps, Plymouth, Oklahoma. As will be seen by the above, the threshers were able to keep on with their work without losing a single day's time. You should keep a bottle of this Remedy in your home. For sale by M. A. Toulson.
