HOW WE CATCH A COLD.

A cold is sometimes contracted while remaining enactive for a while in an uncomfortable room or a cold draft and by falling to sleep under like conditions. But most colds are caught while sleeping too cold at night. Deep sleep causes sluggish circulation which renders the system susceptable to change of temperature. To prevent colds sleep under plenty of cover. To cure colds use Rydales Elixir it lessens the severity and shortens the duration of a cold and prevents pneumonia, Bronchitis and Consumption.

Dragging Pains

2825 Keeley St.,
CHICAGO, ILL., Oct., 2, 1902.

I suffered with falling and congestion of the womb, with severe pains through the groins. I suffered terribly at the time of menstruation, had blinding headaches and rushing of blood to the brain. What to try I knew not, for it seemed that I had tried all and failed, but I had never tried Wine of Cardui, that blessed remedy for sick women. I found it pleasant to take and soon knew that I had the right medicine. New blood seemed to course through my veins and after using eleven bottles I was a well woman.

Mandie Bush

Mrs. Bush is now in perfect health because she took Wine of Cardui for menstrual disorders, bearing down pains and blinding headaches when all other remedies failed to bring her relief. Any sufferer may secure health by taking Wine of Cardui in her home. The first bottle convinces the patient she is on the road to health.

Hubbard's Fertilizers!

TRADE MARK

After a successful experience of 60 seasons in the manufacture of Fertilizers, we confidently refer you to our record, and earnestly solicit your patronage, and the fact we do more business all the time certainly ought to convince the most skeptical that our goods have superior quality and absolute uniformity and purity.

Are you going to grow Potatoes? Well, we manufacture a Special Potato goods that has been used in New Jersey for 20 years in competition with Mapes' and goods that cost $10.00 more per ton. This goods runs 10 per cent. Potash, and there is no better made, and one man from New Jersey has his orders in already for over 60 tons. Try it.

To Top Dress Your Hay this month. We have a cheap goods for this that works wonders.

There Are Your Peach Trees that should be helped, and you should use our FRUIT GROWER. We have told you before of its merits, and so can those who have used it. Just think, two cents per tree to dress them.

Asparagus—Are you going to do anything to it this spring? If so, we have a specially made goods for this purpose. Such men as James Bell, H. H. Klinefeter, C. H. Crew, John P. Nicholson and scores of others can tell you what it has done for them. It has Nitrate and fish as the source of ammonia, and runs high in Potash and Phosphoric Acid.

For Corn, use our Special CORN PHOSPHATE. Corn is a good price! You fertilize your wheat, why not your corn? it will pay. Mr. Ham. Crew says our Corn Phosphate beats them all. We sell hundreds of farmers this goods every year. Mr. I. R. Leaverton used last year several hundred dollars worth with the greatest success and buys again this year.

FOR TOMATOES

Well, you have heard of our PEERLESS TOMATO goods. It is a wonder. We confidently believe that we sell more Tomato goods than any concern in the country. Don't mean we sell more Phosphate, but more Tomato Fertilizer. Mr. C. R. Atkinson says Numsen claimed best tomatoes brought to his cannery was grown with this goods. He paid him $287.00 from 4 acres. Mr. D. F. Louse says one ton of this goods alongside an $18.00 brought him $96.00 more. Smith, Rouse and Webster, the large canners of Belair, heard of its merits, and bought of us.

We sold Baker & Morgan on one occasion $1200.00. We have several $1,000 customers in Delaware. Mr. J. R. Leager says he got 13 tons to the acre. Mr. Benj. Moore says he got nearly 13 tons, and that you could stand off a hundred yards and see the difference. Mr. G. W. Collins has bought as high as 50 tons per year, says his men on the choice farms got from 12 to 16 tons per acre. Mr. W. T. Money, unsolicited, said to us some time ago: I would like to know how Peerless is made, for I honestly think it is the best Phosphate I ever saw.

Now if you want to sow OATS, or top dress your STRAWBERRIES, plant SWEET POTATOES or need a goods for TRUCK or want anything in the FERTILIZER line please call on or correspond with us before making your purchase.

THEY SAY HE GAMBLED

Committee Of Wilmington Conference Against Dr. Corkran—He Had Dabbled In Stocks—Suspension For One Year The Penalty Decreed.

The Charges.

The verdict of the committee of 15 on the various charges against Rev. Dr. W. F. Corkran was as follows:

First—Gambling, sustained.

Second—Fraud, not sustained.

Third—High imprudence and unministerial conduct, sustained.

Fourth—Falsehood, not sustained

The penalty decreed is suspension from ministerial functions for one year.

Dr. Corkran gave notice of an appeal.

Wilmington, Del., March 18.—Fifteen of his fellow-members of the Wilmington Methodist Episcopal Conference this afternoon declared Rev. Dr. Wilbur F. Corkran guilty of gambling, high imprudence and unministerial conduct for dabbling in stocks, and he was ordered suspended from the ministry of the church for one year. Dr. Corkran immediately announced that he would appeal to the judicial court of the General Conference of the church, which is the supreme appellate body of Methodism in this country.

Dr. Corkran has been one of the foremost ministers of the Wilmington Conference, twice a presiding elder and twice a delegate from this conference to the General Conference. Until last June, when he was suspended by a committee of clergy whose decision has now been approved, Dr. Corkran was pastor of the Fritz Memorial Church of South Bethlehem, Pa., although he had not been formally transferred from the Wilmington Conference.

In June Dr. Corkran and Rev. Dr. Charles O. S. Baker, then pastor of Asbury Church, this city, were suspended from the ministry, after a trial. Dr. Baker was almost equally as prominent in the affairs of the conference as was Dr. Corkran, having been a presiding elder and delegate to the general conference. Next Monday the committee of fifteen will take up the charges against him.

Verdict Eagerly Awaited.

The trial committee continued its private sessions this morning, but the time was devoted to argument by the ministerial counsel. Hundreds of persons flocked to Grace Church in the afternoon when it was whispered about that the committee would render a verdict. Within half an hour after conference opened it was announced that the committee was ready to report. Dr. Corkran sat on the front seat of the large auditorium, with Rev. Ralph T. Coursey, one of his counsel and a warm personal friend. As the committee filed into the auditorium from the chapel where the hearings had been held a tyro could judge from the expressions on their faces what the verdict would be. After the committee had entered, Bishop Foss, who had presided at the trial, hurried in with a paper which he handed to Bishop Goodsell, announcing, "The select number make the report."

Bishop Goodsell called for the reading of the report and added: "I do not know what this report contains, but whichever way this case has been decided let it be received with the silence which is becoming in the house of God, and let no one, minister or layman, make a remark that would be out of place."

Booker Washington on Thrift.—Eschew cheap jewels; quit taking $5 buggy rides on $6 a week; don't put a $5 hat on a five-cent head, was the salutation of Booker T. Washington to the colored people who gathered at the People's Forum, New Rochelle, N. Y. last Sunday to listen to his lecture on "The Successfull Training of the Negro." "Get a bank account," he said, "Get a home of your own. Get some property. Get a start in the world in some way. Don't be satisfied with the shadows of civilization; get some of the substance for yourself. Just as soon as you do you will be recognized and encouraged, wherever you are in the North or South.
