BALTIMORE'S BEST STORE

Hochschild, Kohn & Co.

HOWARD AND LEXINGTON

THE STORE WHERE EVERY PURCHASE *Must* BE SATISFACTORY

One of the foundation principles of the Hochschild, Kohn & Co. Store, laid down nearly fifteen years ago, was this: "Every article sold in this store must give satisfaction; if it does not, the purchaser is to receive a new article, or the purchase money."

This principle has been practised every business day since November 15, 1897—and it has helped to make this business grow as no retail business in Baltimore ever grew.

Added to this security, every purchaser has the knowledge, born of experience, that Hochschild, Kohn & Co. merchandise is the best possible value for the money.

And added to this, is the knowledge that Hochschild, Kohn & Co. stocks offer wider variety, and are selected with the best of taste and judgment.

When you come to Baltimore for your spring shopping, there's just one logical place to visit—the Hochschild, Kohn & Co. Store.

Overland

$1200

The Lowest Priced 35 H. P. 5 Passenger Touring Car on the Market

THINK OF IT! A thirty-five horsepower five-passenger touring car for $1200. *This is the lowest priced thirty-five horsepower touring car in the world.* Part for part—point for point—it is the equal of any $1500 car made. It has the power—the speed—the comfort—the appearance—and the construction. Take the powerful motor—the strong and rugged rear system—the Vanadium steel gears—the fine bearings—the pressed steel frame—the dropped forged axles—the big tires—the superb body work—the high grade upholstery; in fact, take every item that goes into the makeup of this automobile *and you will find that the duplicate of this car cannot be had below the fifteen hundred dollar mark.*

Here is a car with a powerful, silent, smooth-running thirty-five horsepower motor. Here is a car that seats five large passengers comfortably. The upholstery is of good leather, hand stuffed with hair. The body is finished in our famous dark Overland blue and the wheels in battleship gray. The transmission is of the selective type, three speeds and reverse—fitted with the fine F. & S. annular bearings which are used on the most expensive cars in the world. The frame is of pressed steel and has a single drop. The crank and gear casings are of aluminum. The front axle is a one piece, drop forged I section fitted with the famous Timken bearings. The tires are 34x4—quick detachable. The handsome massive lamps are finished in solid black with brilliant heavy brass trimmings. Self starter $20.00 extra.

The Overland center control is the one proven and practical location for both operating leavers. The method enables you to operate the leavers with the left hand and gives you free use of your right hand for driving. It give you the use of your right hand fore door, as well as the left hand fore door, which is impossible if a lever is placed one side or the other. you can get in or out on either side. It is easy to handle—no stretching out or reaching. Any one can manipulate the levers without a particle of effort.

Take the specifications of this $1200 car—compare them with any $1500 car you know of and the only difference you will be able to find is the difference in price.

Why pay an additional $300 for a purely imaginary value?

CHURCH NOTES.

Dr. F. T. Little's last Sunday in Chestertown will not soon be forgotten. Large congregations, as usual, attended the services and heard wholesome truths from the able preacher. He carries with him the love and esteem of his congregation as a unit and the regard of the people generally.

Last Sunday, at Shrewsbury Church and at St. Andrews Chapel, the Rector, Rev. H. W. Hobson, spoke touchingly about the wreck of the Titanic and offered prayers for the souls of those who went down with the ship and for those suffering from the loss of relatives and friends.

Preaching services at the Presbyterian Churches by Rev. White as following. Westminister at 10.30 a. m; Grace at 3 p. m; Worton at 7.30 p. m. Sunday School every Sunday morning at Worton at 10.30 a. m.

Rev. J. A. Young has been reappointed pastor of Bethel A. M. E. Church, Chestertown, to the delight of his large congregation. They hope to build a new church this year.

Rev. F. L. Stevens, pastor of Crumpton M. P. Charge, will preach Sunday morning at Providence church, and in Crumpton at night.

Rev. J. E. Nicholson, the retiring pastor of Crumpton M. P. Charge will locate in Baltimore.

The "Titanic Disaster" was the theme of Dr. Barrett's address Sunday evening. Dr. Barrett vividly presented the awful scenes of the catastrophe and eloquently lauded the heroes on that eventful night. The unpreparedness of the Titanic for the emergency was used to good effect as illustrating the condition of men who are living contrary to the law of God. Following the sermon Mrs. Merrick Clements impressively sang a solo, "My Lord and I," after which the audience softly sang "Nearer, My God, to Thee," the hymn which was played by the noble band as the Titanic sank beneath the waves. The whole service was very impressive.

Chestertown M. E. Church, Rev. L. E. Barrett, D. D., pastor. Services next Sunday, April 28th, as follows: 10.30 a. m., preaching by the pastor—subject: "Why He Sought the Sheep"; 2.15 p.m., Sabbath school and Pastor's Bible Class; 7 p. m., in the auditorium, Epworth League Service, followed by short sermon by the pastor. All invited.

Rev. and Mrs. F. H. Mullineaux were given a most cordial and hearty reception in Weer's Hall, Kennedyville, on Friday evening last by a large number of friends and members of the church, on their return home from the late conference in Laurel, Del. A most splendid supper was served on a long table, with three sittings. In his address the pastor expressed himself as being delighted and happy to be returned to the good people of Kent county for the third year, and expressed an earnest wish and ardent desire that it might be the best year of all in church work and the winning of souls.

A large number attended services in the M. P. Church last Sunday morning. Among the visitors present was Mrs. Ericsson, trained nurse, of Baltimore, who has been stopping in the home of Mr. and Mrs. Elias I. Othoson, the latter of whom is slowly recovering from his late sickness. In the church service above named tender and pathetic reference was made to the horrible disaster to the immense steamship Titanic and her great company, far out at sea, in the region of icebergs.

A TWO DAYS CONFERENCE.

Plans are being made for a health conference at Chestertown some time in May. The object of this conference is to promote the general hygienic and economic welfare of the people of Kent county by giving accurate information concerning the nature and prevention of disease. The relation of health to the economic, moral and intellectual welfare of the people is self-evident. At this conference, which it is proposed to hold for two days at Firemen's Hall, Chestertown, some of the most distinguished physicians of Baltimore will lecture and give illustrated talks upon such vital subjects as "Flies," "Mosquitoes" and other insects in relation to disease; the source and dangers of polluting drinking water, milk and other food stuffs; typhoid and other diseases. A full program for the two days meeting will be announced later. All the physicians of Kent will be asked to co-operate to make the conference a success. Every man, woman and child is indirectly interested. The meetings will all be free, the Chestertown Commissioners having agreed to encourage the conference by contributing the hall rent.
