WOMAN SICK TWELVE YEARS

Wants Other Women to Know How She Was Finally Restored to Health.

Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women.

"I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."—Mrs. BERTHA MUFF, 503 N. 4th Street, Louisiana, Mo.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

KENNEDYVILLE NOTES.

The first of the season Children's Day services was held, with great success, in the M. P. Church on Sunday last. The church was tastefully decorated with flowers and potted plants. The weather was ideal and large congregation attended the services both morning and night. The program, proper, was rendered in the evening to a crowded house, and all seemed to be charmed with interest and attention. The music and recitations by the little children of the Sunday School was beautiful and the offering still better than the liberal gift of a year ago.

Monday evening, in the Kennedyville Grange, Messrs. James and Wilson Groves and John and Andrew Sutton were given the third and fourth degrees of the order, after which refreshments were served to a large number of members. Beginning with June the order will meet the first Monday evening of the month during the month.

Owners of threshing machines are getting things in order for the coming wheat crop.

Improvements continue in our village. Mrs Rachel Hill has had the enclosure around her home splendidly repaired; Mr. Henry Rutter, of Locust Grove, did the work. Mr. Tilghman Shafer is having his property, now occupied by Mr. Wm. T. Hague and family, substantially improved by a cement underdrain from pump, a cement walk and an iron fence in front.

Mrs. L. A. Pennington has with her this week, her mother, Mrs. Gary, and sister, Mrs. Robert Dwire, both of Harrisonburg, Va. The former will spend the summer in Kent county, while Mrs. Dwire will leave on Friday next for a convention in her home state.

Miss Hannah Bell, of Chestertown, a former teacher of our village, was the guest of Mr. and Mrs. Elias T. Othoson and other friends from Saturday until Monday, and attended Children's Day services Sunday. Miss Bell has lots of warm friends in and around Kennedyville who are always glad to see her.

Mrs. Frank C. Miller has with her, at this time, her mother and sister, of Frederick county.

Miss Ethel Jones, of Wilmington, was the guest on Sunday of Mr. and Mrs. Nicholas George, near Kennedyville, and attended Children's Day services at the M. P. Church. Among others who attended the same services were Mr. and Mrs. Harry Jefferson and their little daughter, Margaret, of Chestertown. They were guests of Mr. and Mrs. Wm. T. Baxter, brother-in-law and sister.

A special service, in the interest of aged people, will be held in the M. P. Church, tomorrow. All invited.

The first quarterly conference for the year will be held in the church on Monday, June 10th, 9 a. m. The pastor desires a full attendance of the official board.

BIG FUND FROM AUTO LICENSES

The automobile fund is a source of a large revenue to the State. With the lapse of time, which means an increase in the number of machines in use, the revenues will grow larger. According to a report submitted to Governor Goldsborough for the year ending May 1, the receipts from auto licenses for that period were in excess of $80,000. The principal sources of receipts were from passenger vehicles, merchandise vehicles and dealers, manufacturers and motorcycles. Not included in this sum are receipts from indirect sources connected with the use of automobiles. These are from vehicle and cycle operators, fines, automobile tags, interest on deposits and from Washington agent which gives a total of nearly $13,000. To the direct and indirect sources of revenue for the year should be added a balance brought forward on May 1, 1911, making a grand total turned into the treasury of over $105,000. The cost of collection of the fund was $6,635 25 for salaries, $1,876 for expenses of the commissioner, $650 for rent and incidental expenses amounting to about $2,000. The receipts from automobile licenses are added to the State road fund.

A REPAIR KIT INDISPENSIBLE

It is always a good plan to carry a package of extra valve parts such as valve insides, valve caps, washers and dust caps, says the Michelin Tire expert. These can be bought for a few cents and are at times invaluable. The small rubber tipped valve inside, which is really the valve proper, sometimes leaks when old. It can be screwed out readily by inverting and inserting the notched valve cap and using it like a screw driver. When the valve inside is removed it is only the work of a moment to fit a new one.

A leaky tire valve is sometimes responsible for a fault blamed on a "slow puncture." When pumping up a tire if the pump handle comes up of itself after pushing down on the inflation stroke a leaky tire valve may be looked for. If the motorist carries a spare set of valve parts he is all right, but not so his less thoughtful neighbor who left his in the garage!

THE General Conference of the Methodist Episcopal Church in session at Minneapolis, on Saturday, May 25th, adopted with much enthusiasm the Report of the Temperance Committee in which the Anti-Saloon League was endorsed as a safe and effective agency through which the membership of the Methodist Episcopal Church may cooperate with other churches and temperance organizations for united and vigorous action against the saloon, and urged all churches and pastors to cooperate in carrying forward its work.

This victory for the League was the more notable because for weeks all delegates have been flooded with papers and documents full of falsehood, slander and innuendo concerning the League and its officers. The enemies of the League were well supplied with money and waged a campaign of unparalled bitterness to cripple the League, but were either ignored or turned down at every turn.

Accidents.—Mr. Herbert McCleary, of Morgnec, had his right thumb cut off by a saw on Tuesday at the corn cutter factory of Messrs. John Schauber & Bros., near Chestertown. Dr. H. G. Simpers dressed the wound and Mr. McCleary is getting along as well as could be expected.

While in her poultry yard one day last week Mrs. W. R. Redden, of Sudlersville, accidentally stepped on a nail in a board, piercing the foot, which has caused her considerable pain and inconvenience. She has been under the care of Dr. Foster Sudler and no grave resul s are anticipated.

Chestertown Chautauqua June 10-15

CHAUTAUQUA CHAT

—8—

The most wholesome entertainment, the most popular education,—that is Chautauqua.

Note one of the provisions for instruction. In the detailed program delivered at every home, you will find a page giving "A list of references." This is a brief list of the best books and magazine articles that may be read on the subjects presented by the lecturers who speak at the Chautauqua.

Consult this list. Buy the books through your local dealer or read them at the library. These books will form an excellent reading course for the months following the Chautauqua.

Continue the Chautauqua through clubs and reading circles until Chautauqua comes again next year. The "list of references" in the photo story program will be invaluable in such a plan.

The Chautauqua offers twelve lectures, one illustrated lecture, six motion picture entertainments and twelve musical concerts.

Thirty-one events for two dollars.

Provided you buy a season ticket.
