WASHINGTON COLLEGE NOTES.

The board walks of the college are showing the effects of wear and tear and should be replaced by new ones. Brick pavements would be better, but whatever kind is put down, a good suggestion would appear to be to move the main walk just a little further inside the campus and allow it to extend between the two rows of trees that stretch from the top of the hill to the foot of the college green. In a few years these trees would shade the walk and thus make a most delightful promenade. Some such walk would not be out of place on the Normal Hall campus. There is a similar avenue of trees over there, and a promenade would be enjoyed by ladies just as much as by the young men. It is to be hoped some improvements may follow these hints.

The repair committee have the thanks of the students for restoring the usefulness of the college pump. Somebody had deprived it of its handle, consequently it was impossible to enjoy its refreshing draughts. It is now in working order and no better water can be found than that in this 80-foot well.

Our popular base ball catcher, Marine, will probably spend the summer in Lonaconing, Md. Rev. Dunbar Gould of the class of '92, who is stationed at that place, still holds on to his fondness for the national sport and is aiding the young bloods of that burg to get together a winning ball team. Mr. Marine will materally strengthen the club, as a better amateur it would be hard to secure.

A Delaware exchange contains the following with regard to a former ever-to-be-remembered ball player of the college: "We are in receipt of a copy of the San Francisco Examiner of May 22, which shows that 'Davy' Zearfoss' 'Frisco club are third in the race for the pennant in the Pacific National League. Zearfoss is captain of the team and in a game with the Portland club May 21 they won by a score of 2 to 1, Zearfoss making 2 runs, 2 hits and accepting fifteen chances back of the bat without an error.

Miss Maude Gibson, daughter of Prof. J. W. Gibson, of Sudlersville Academy, and for a short time a student at the college, has been appointed bookkeeper in the Ridgely (Caroline county) Savings Bank.

Mr. John I Coulbourne of the class of '97 entertained his old college friend Virgil Ward '99 at a stag supper at Snow Hill, Md., last week. College friendships are hard to forget.

Misses Gourley, Strong, Pennington and Wooten were entertained by the Misses Jefferson at their home in Queen Anne's last Saturday and Sunday.

Mr. E. F. Webb, class of '97 was a delegate from Vienna Parish to the annual convention of the Protestant Episcopal Church of the Diocese of Easton, held in Chestertown Tuesday and Wednesday of this week.

Prof. and Mrs. Clarke entertained Mr. E. W. McMaster, Mrs. Clarke's uncle, during the Episcopal Church convention. Mr. McMaster was a lay delegate from Pocomoke Parish.

Dr. and Mrs. Micou entertained Rev. Mr. Gantt, of Berlin, Md., Mr. J. Wilson Sutton, class of 1900 and Rev. Geo. C. Graham, '97, during the Episcopal convention.

Messrs. Wilbur and Harry Gill, two of last years students paid the college a visit last Saturday, remaining until Monday morning.

Mrs. W. J. McFeely received word on Wednesday that her brother, Mr. Albert W. Marker, had died rather suddenly. Mr. Marker was afflicted with stomach trouble, and had undergone an operation from which he did not recover, but died about two days afterward. He was about 60 years of age, and was employed as a clerk in a railroad office in New York. He leaves a widow. Mrs. McFeely will attend the funeral ceremonies to-day. The sympathy of the college is extended to her.

As will be seen by reference to another column of this issue of the TRANSCRIPT, Mr. Harry R. Coppage, a former student of Washington College has gotten himself into trouble with the Southern Amateur Athletic Association. He entered the relay races at Tome on the occasion of the inaugural, and ran for a Baltimore Business College. For some reason not stated, he, with others, was disqualified, the prize given to the second men, and in all probability, he, with the others who won, will be suspended from the Association.

Dr. Buck, of Worcester, Massachusetts, was a visitor at the college on Thursday. He is one of the many applicants for the presidency.

BASE BALL.

Washington College Splits Even With Delaware College in two Games Played There Last Saturday.

Washington College base ball team played two games of ball at Delaware College, Newark, Del., last Saturday, winning the first by the score of 6 to 0, and losing the second 6 to 4. In the first contest, Burris, who pitched for W. C., had the Delaware boys completely at his mercy. There is not much to tell outside of his work. They were totally unable to connect with his delivery, and one measley scratch hit was all they could muster. Burris played the whole game himself nearly. His number of assists was unusually large, numbering nearly 20 in the two games. His gilt-edged work saved the fielders difficult chances and the victory was an easy one to all but Burris. In the second game Truitt was tried in the box for the first time and did remarkably well. Outside of a little nervousness in the first inning, when the Newark boys made 2 runs, his work was first class. This game should have gone to the Washington College boys, but 2 or 3 errors at inopportune times lost the game,—and, incidentally, that seems to be the history of all lost games. The boys showed great improvement however, in their work, and promise to give the Walbrooks today a hard row to hoe. Below is the score of the two games by innings:

FIRST GAME.

WASHINGTON	0 0 1 1 2 1 0 1 0—6 10 3
DELAWARE	0 0 0 0 0 0 0 0 0—0 1 3

Batteries—Burris and Marine; Gooden and Wilson.

SECOND GAME.

DELAWARE	2 0 1 0 1 1 0 1 x—6 8 6.
WASHINGTON	0 2 0 0 0 0 0 0 2—4 7 4.

Batteries—Truitt and Marine; Stewart and Powell.

The Chestertown Public School defeated the Galena base ball team on the College campus last Monday by the score of 5 to 3. These figures indicate some good playing, and the work of the midget battery, Latham and Westcott was exceptionally good against the apparent superiority in weight and size of the Galena boys. This is the second victory of the Chestertown boys over the up-county team.

The Up-town base ball team defeated the Down-town team in a game this week by a score 6 to 4.

CHILDREN'S DAY EXERCISES, WORTON.
