Mrs. Lela Love, wife of Wiley Love, a farmer living near Covena, Ga., says: "I have taken Foley Kidney Pills and find them to be all you claim for them. They gave me almost instant relief when my kidneys were sluggish and inactive. I can cheerfully recommend them to all sufferers from kidney troubles." Sold by M. A. Toulson, druggist.

Helped To Keep Down Expenses

Mrs. J. E. Henry, Akron, Mich., tells how she did so: "I was bothered with my kidneys and had to go nearly double. I tried a sample of Foley Kidney Pills and they did me so much good that I bought a bottle, and feel that they saved me a big doctor's bill." Sold by M. A. Toulson, druggist.

NO ONE STRONGER THAN HIS STOMACH.

The celebrated Dr. Abernethy of London was firmly of the opinion that disorders of the stomach were the most prolific source of human ailments in general. A recent medical writer says: "every feeling, emotion and affection reports at the stomach (through the system of nerves) and the stomach is affected accordingly. It is the vital center of the body * * * * *." He continues, "so we may be said to live (*through*) the stomach." He goes on to show that the stomach is the vital center of the body. For weak stomachs and the consequent indigestion or dyspepsia, and the multitude of various diseases which result therefrom, no medicine can be better suited as a curative agent than

Dr. Pierce's Golden Medical Discovery.

MRS. MURKEN.

"Several months ago I suffered from a severe pain right under the breast-bone," writes Mrs. G. M. MURKEN, of Corona, Calif. "I had suffered from it, off and on, for several years. I also suffered from heart-burn, did not know what was the matter with me. I tried several medicines but they did me no good. Finally, I was told it was my liver. I did not dare to eat as it made me worse. Whenever I swallowed anything it seemed that I would faint—it hurt so. I grew very thin and weak from not eating. Was told to take Dr. Pierce's Golden Medical Discovery. I took five bottles of it, and could feel myself getting better from the first dose. I could eat a little without pain and grew strong fast. To-day I am strong and well and can do a big day's work with ease. Can eat everything and have put on flesh wonderfully. I will say to all sufferers write to Dr. Pierce. He has my undying gratitude."

Top Notch Prices by Telephone

Nowadays thousands of farmers sell a whole crop by telephone, before a single bushel of it is loaded on the wagon.

The farmer who has kept close to the market prices by the every day use of his Rural Telephone, drives to town with goods already sold, and sold at the "top of the market." He knows before he goes.

If you haven't a Rural Bell Telephone on YOUR farm, you're missing lots of opportunities.

MR. MEGINNISS WINS PRIZE

Before an audience of 2,500 persons at the Lyric Saturday afternoon the University of Maryland rounded out 100 years of activity, when 225 graduates received degrees from the five schools of the university. The oldest man to be graduated was Mr. Nathaniel Thomas Meginniss, 67 years old, as bachelor of laws, who won a prize of $100 for the best essay by members of his class.

From all parts of the United States fathers, mothers, sisters and sweethearts had gathered to see honors bestowed on those dear to them. The theatre was crowded, several hundred persons sitting on the stage.

The climax of the occasion came when the thesis prize of $100 was awarded. Judge Harlan said that the theses had been numbered, the names put in sealed envelopes, and the papers submitted to a committee whose members did not know the authors. He said that even the faculty was ignorant of the name of the winner. In the presence of the audience he opened No. 14 envelope, favored by the committee, and read the name Nathaniel Thomas Meginniss. The audience rose and gave cheer after cheer. Shouts of joy broke from gray-haired members of the faculty, as Mr. Meginniss, bowing to the right and to the left, mounted the platform. Judge Harlan was forced to wait several minutes before the applause subsided, so that he could be heard.

LOVE POINT OPEN

Love Point, "The Sweetheart of the Chesapeake," that delightful spot kissed on either cheek by the waters of Chesapeake Bay and Chester river, at the lower extremity of Kent Island and the very gateway of the Golden Eastern Shore, is springing into popularity with the passing of each year. This year promises to eclipse all others. Already several excursions have been run, notably the bankers of Baltimore city who were at this resort—1500 strong—last week.

The Love Point Beach and Park Company, Inc., owners of Love Point, have placed in the neighborhood of 300 building lots on sale and have employed a real estate agent who is stationed on the grounds to explain particulars to any who desire to look over the space. This company has an advertisement in this issue, calling attention to the resort as "the most exclusive in Maryland." It is an ideal spot for Sunday-school or lodge excursions. Write the company for free booklet containing history of Love Point.
