MOODY & LUSBY | MOODY & LUSBY

Once Bitten, Twice Shy.

Once a man is bitten he's always shy of the biter. If you've been bit in the matter of Clothes, its a wise idea to give a wide berth to the one who bit you. Try people with a reputation for making and keeping friends. If you have been disappointed in your garments let Moody & Lusby apply the antidote of good cloth, good workmanship and guaranteed satisfaction. One of our Suits and Overcoats will make you feel kindly towards all the world in general and put you right in the eyes of your friends. Appearance counts more than you have an idea; sometimes.

The range of both patterns and prices are wide enough to insure a good selection and at a price to fit most any pocket book. Look the line over before the holiday rush, it will be more satisfactory to you.

OUR CLOTHING FITS IS MADE CORRECTLY

Our Children's and Boys' fit the same as men's, and the cost very much less than city houses will ask you. Why so? We buy from same manufacturers at spot cash prices, and the small expense in handling is why. Think of this and see who is in the best shape to give you the most for your money

Hats—we sell them; we don't keep them.

Trousers—we set the pace.

Gloves—we have lots on hands of good many people and have a pair left for you and the boy.

Rich Neckwear and all the little things ready and going. Come to headquarters directly opposite the court house.
