Returns From Alaska.

Mr. and Mrs. Thomas Ireland Elliott, of 2026 Mount Royal Terrace, have returned home from an extended trip. They left Seattle, Wash., July 6 and returned to that city on their way back to Baltimore August 16. They spent most of the intervening time in Alaska and the Northwest Territory.

Mr. Elliott said he took that trip because he wan ed to know something about the great country in the Northwest and to obtain knowledge at first hand of how great this country is.

Chicken, served in Maryland style, at a hotel in Nome was about the only thing that had a tendency to make the travelers homesick, and strange to say, the bill was only 60 cents.

Mr. Elliott says that he will make the trip again some time, for in his opinion it is far better than a European tour.

He Learned a Great Truth.

It is said of John Wesley that he once said to Mistress Wesley: "Why do you tell that child the same thing over and over again?" "John Wesley, because once telling is not enough." It is for this same reason that you are told again and agin that Chamberlain's Cough Remedy cures colds and grip; that it counteracts any tendency of these diseases to result in pneumonia, and that it is pleasant and safe to take. Beautiful New Suits and Wraps

from the

Famous Designers of Both Continents.

When you think of the new autumn Costume, Suit or Wrap, think of Hochschild, Kohn & Co.—and turn thought into action.

In buying ready to wear garments you know exactly how you are going to look in them. When you order from a tailor, you take chances in this way: You may think you will look well in a corset coat, and so order one; after it is complete you may see that what really becomes you is a long skirted blouse; then disappointment is in store for you.

Come and look at our exhibit. Try on a dozen different styles, if you wish. Choose a becoming one—the salesfolks are ready to advise rightly, if you are undecided because of the number you'll see that look well.

These are especially good to buy—they are all economically priced—

Women's Suits

Women's Tailored Suits of good quality cheviot, zibeline and mannish mixtures. Long coat, with straight or blouse front; lined with satin. Skirt has seven or nine-gore flare. Full $20.00 value. $15.00.

Misses' Suits

Suits for Misses of 14, 16 and 18 years. Of all wool tweeds and English mixtures. Long coat, collarless, trimmed with stitched bands of plain cloth; with belt. Skirt has seven-gore flare. $15.00 sort at $.0.00

Women's Suits

Women's Tailored Suits of all wool mixtures, and plain blue and black cheviot. Three-quarter-length coat, with 16 seams; corset effect; lined with taffeta silk. Skirt with nine gores and French seams. $21 50. Worth $30.00.

Walking Skirts

Women's Walking Skirts of all wool mannish mixtures; with stylish nine-gore flare; tailor stitching around the foot; all seams are French finished. Would be considered good value for $5.00. Specially priced at $3.95.

The Trimmed Hats at $5.00

See the $7.50 to $12.00 Trimmed Hats of average stores—then come here and get as good, or better, for $5.00.

Some styles are adapted from the best of Paris—the fashions of the French capital are not safe to follow exactly; others are copies of successful New York productions; still others—the real gems of the collection—are from our own workrooms.

Baltimore has never seen so vast a display of trimmed hats at one price—$5.00. Nor have we shown such beautiful, refined hats at $5.00 as are here now.

Dress Fabrics and Silks

Exclusiveness marks our display of Dress Fabrics and Silks. That good judgment and discrimination have been exercised in the selection of these stocks is evidenced by the flavor with which tasteful women regard them, as proved by liberal buying.

By reason of business circumstances that worked to our advantage, we are able to offer some pronounced bargains in high-grade goods—

$1.25 All Wool Check Suitings, 58 inches wide, 69c.
$1.50 Imported Black Imperial Serge, 48 inches wide, $1.00.
$1.50 All Wool Scotch Suitings, 50 inches wide, $1.10.
