Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

ATHLETE'S PLACE IN COLLEGE.

It is with a good deal of regret that friends of St. John's College will learn of the simultaneous resignation of four important members of her teaching staff. Still more unfortunate is the fact that the controversy leading to their withdrawal should have been the ever-familiar dispute concerning abuse of athletics.

Such a quarrel ought to have no place in college history. It is only a truism to say that athletics should be kept subordinate to studies. It is to be taken for granted that no self-respecting institution would permit the contrary. But if they really are subordinate, wherein is their evil? One can imagine dry-as-dust professors who have no sympathy for anything in student life except that the pages of a textbook contain, and who would frown upon athletics from principle. But these are hangovers. The newer school recognizes the legitimate purpose of organized and intercollegiate sports and not only tolerates but encourages them.

BUY-AT-HOME ARGUMENT.

The retail merchants of Charleston, South Carolina, in waging an educational campaign, issued a buy-at-home propaganda ts follows:

"I BUY AT HOME"

Because my interests are here.
Because the community that is good enough for me to live in is good enough for me to buy in.
Because I believe in transacting business with my friends.
Because I want to see the goods.
Because I want to get what I buy when I pay for it.
Because my home dealer "carries" me when I run short.
Because every dollar I spend at home stays at home and works for the welfare of the County.
Because the man I buy from stands back of the goods.
Because I sell what I produce here at home.
Because the man I buy from pays his part of the town, county and state taxes.
Because the man I buy from gives value received always.
Because the man I buy from helps support my school, my church, my lodge, my home.
Because when ill luck, misfortune or bereavement comes, the man I buy from is here with the kindly greeting, his word of cheer, and his pocketbook, if needs be.
Here I live and here I buy.--Exchange.

An increasing number of people report regularly of the satisfactory results from taking Foley Kidney Pills and commend their healing and curative qualities. Foley Kidney Pills are a carefully prepared medicine, guaranteed to contain no harmful or habit forming drugs. They can have only a beneficial effect when used for kidney and bladder troubles, for backache, rheumatism, weak back or lumbago. For sale by M. A. Toulson.

KENNEDYVILLE NOTES.

Wheat harvest is about over and our farmers are in the midst of hay saving. The weather for making hay is ideal.

Mr. John Clendaniel has purchased a new wheat thresher and a twenty-five horse power engine to run it, all of latest design and most modern improvements. He is getting all in order to be ready to thresh the golden grain.

The new or restored barn and stable building of Mr. William Cleaver, under the construction of Mr. L. A. Pennington, is nearing completion.

Mrs. Howard Clendaniel has returned home with her friend, Miss Dewees, of Frankford, Pa., and is having a pleasant time.

Miss Beulah Kendall was the guest of Mrs. J. W. Urie on Sunday.

The choir of the M. P. Church Sunday evening was composed almost entirely of young men and the singing was fine.

Miss Catherine Pennington and her grandmother, Mrs. Garey, of Harrisonburg, Va., are visiting the latter's daughter near Middletown, Md.

Mr. William Clendaniel has just returned home from a ten days' attendance of the Northfield Y. M. C. A. Convention, to which he was elected as delegate by the Y. M. C. A. of Western Maryland College, of which he is a most interested member. He reports a convention of the highest order, and enjoying it to his heart's content.

Rev. F. H. Mullineaux made a trip to Baltimore last week to visit the fleet of four battleships, as guests in the Baltimore harbor. Through the courtesy of Congressman Talbot, Mr. Mullineaux was supplied with a ticket to the great National Democratic Convention. He also witnessed the patriotic parade of the sufiragettes on Friday evening. Mr. Mullineaux reports that sitting in the gallery of the great national convention Friday night, just above the president's platform, were Rev. J. M. Sheridan and Dr. J. S. Bowers, with several other ministers of the Gospel in sight. Politics is the "science of good government" and the best people of the land should taken an interest therein.

Master Baldwin Weer, after a few days delightful visit to his grandmother's, in Galena the past week, returned home Saturday.

Mr. Howard Clendaniel has the new boiler in place and service in the creamery and grain building.

Services for the M. P. Church for July 7th, will be as follows: Sunday school at 9.30, John Medders, sup't.; sermon at 10.30 by the pastor, topic, The Sabbath Day, It's Origin, Blessings and Perpetuation; song service and brief sermon in the evening beginning at 7.45. Come again young men and help with the choir.

The Telephone in Planting Time

In the early Spring, when the plowing, the cultivating and the sowing are going on, telephone on the farm will work wonders for you.

If there are hands to hire, fertilizers or seeds to buy, new parts for the farm machinery to order—the telephone will get them for you in double-quick time. It will serve a hundred purposes with tremendous savings in energy, time and trouble.

If you're not convinced, write this very evening for our new booklet "What Uncle Sam Says about the Rural Telephone." It's free and it's mighty interesting.
