Centreville Hi-Post

EVERYBODY HELP

This year the Centreville Highlights wants to cover a broader field in its newspaper work. Instead of bringing you solely class room news it will endeavor to bring to its readers things which are happening outside of the school that concern the school or its students.

In order to do this, the cooperation of the entire student body as well as the staff is needed. All news tips should be given to the class reporters, who in turn will report them to the editor. If this plan is successful, Centreville Highlights will prove to be much better.

Everyone must cooperate to bring this about. Help the staff. Make this column the best one!

—The Editor.

CHURCH HILL DEFEATED
By Jimmy Bryan

Boy, did we take Church Hill High School last Friday in both games! Church Hill put up a strong fight. The score was only 2-0.

Scoreless at the end of the first half, in the third quarter Captain Charles Roe, and the team got down to business. They brought the ball down the field and scored a goal, which was kicked by Roe.

In the last quarter, the ball was kicked by C. Roe and slapped back by the C. H. H. S. goal keeper, only to be kicked through again by Roe. This made our captain kick the ball twice in succession but was ruled out as a goal gick cannot be kicked twice in succession by the same team.

WIN AT FIELDBALL
By Priscilla Brown

Centreville High began its field ball season by playing Church Hill on the home grounds on Friday afternoon. The final score was 22-2 in our favor.

Because of the good team work displayed by our side, Helen Dukes, Jane McKenney, Eleanor Whiteley, Evelyn Dulin and Anna Wood were able to make goals.

The game was refered by Evelyn Mullikin in the first half and Constance Price in the second.

Many thanks are expressed by the team to Marjorie McKenney, an alumna of Centreville High School, who has done her part to turn out a victorious team.

SENIORS ELECT

The Seniors elected their class officers last week. Albert Wharton was named President, Daniel Friel, Vice-President; Betty Armstrong, Secretary, and Betty Bartlett, Treasurer.

PIGEON HUNT
By Carlyle Blevins

Ridgaway Perkins, Jimmie Jones, and Carlyle Blevins made a murderous raid on the pigeon domicile of our high school roof ventilator last Thursday afternoon.

With Mr. Walls' permission, they entered one of the ventilator tubes with a flashlight and crawled triumphantly to the roof, only to find that Perkins had forgotten the sacks. While he went down after them Jimmie and Carlyle caught some nice fat pigeons and put them in their shirts.

They bagged eleven in all, only three of which were squabs. They ate these and launched the other eight into the sky, watching them circle and wing their way back to the high school.

FLOWERS DISTRIBUTED
By Frances Legg

The freshman boys under the leadership of Professor Taylor deserve much credit for their contribution to the decorations and exhibits at the Flower Show. On Sunday morning the boys, accompanied by Mr. Taylor, distributed among the sick, the flowers that were left over from the show.

Stevensville Hi-Lights

FRESHMEN!
An Editorial

Just a word of advice to you, Freshmen:

When you enter High School, you practically enter a new world. You are no longer considered babies but you are thought of as young ladies and gentlemen and you should act accordingly. Your teachers respect you and in turn they expect to be treated with respect. To be a lady or gentleman, you must act like one. You must be honorable, truthful, respectable, and mannerly. You may not be a brilliant student—we all can't be—but if you live up to the qualifications of a lady or gentleman you will be well on the road to success.

It has often been said that the happiest part of our lives is spent in High school. It may be, but we have to work for it, Freshmen. When you first came into High school, you immediately sensed the difference. If you work, do your lessons, respect the teachers, you will indubitably find happiness.

And again I want to stress this point, for I feel that it has an inestimable value if you adhere to it. Even though we all can't be the most brilliant student in the class, all of us can be honorable and respectable citizens of STEVENSVILLE HIGH SCHOOL.

WINS AT TRI-COUNTY

Our first game of the season proved to be successful. We went to Tri-County and won by a score of 24 to 6. The girls showed plenty of teamwork. Our captain, Agnes Clendaniel, proved her ability by scoring five of the twelve goals. The remaining seven were scored by Mary Jory, Rebecca Davis, and Emma K. Bullen. We hope this success continues throughout the season.

BOYS LOSE

We motored to Tri-County Friday and played our first soccer game of the season. Good sportsmanship was shown by both teams and there was quite a bit of soccer skill displayed on both sides; in fact, it was a clean cut game all around.

But to our sorrow, we were defeated by the score of 2-0. Our first defeat did not discourage us and with a little more practice we will be ready to go again in a few days.

We have one man on the team who certainly showed some speed and ability. For a newcomer he is an exceptionally good player. He has our backing, so, go to it, Ernest Porter.

FRESHMAN NEWS

The Freshman Class has elected a new Secretary-Treasurer. Lulu Scheel now holds this office which was formerly held by Randolf Bullen.

This week's home work has been "hurry-scurry" for us. In Civics we are making a "Home" booklet and it has made us "step."

FRESHMEN NEWS
By Henrietta Benton

The freshmen class has a total enrollment of thirty-six this year. We elected officers Friday. They are: President, Harriett Walls; Vice-President, Clarence Hurlock; Secretary and Treasurer, Eleanor Starkey.

Thursday morning we had a Biology test in which we all did very well, and Friday morning we had a mathematics test.

SOPHOMORE NEWS

The officers of the Sophomore class are: President, Ellen Ross Johnson; Vice-President, Thomas Stevens; Secretary and Treasurer, Lois Stevens.

We have new English books which are very interesting. A debate was held last week. The question was "Are City Children Healthier Than Country Children?" Those on the affirmative side were Ellen R. Johnson, Thomas Stevens, and Lois Stevens; negative side were Betty King, Betty Emerson, and Marion Benton. Chairman was Anna Marie Cacy, and the judges, Henry Stone, Billy Emerson, and Clarence Hurlock. The affirmative side put up a good fight and won by five points.

FRESHMAN BREAKS LEG

T. J. Walbert, a freshman, who played his first game of soccer last Friday met with a very bad accident. While trying to kick the ball which a Rock Hall boy had just kicked he ran into another Rock Hall boy and fell. When he fell he got his leg twisted and broke it a few inches above the ankle. We all hope that he will soon recover enough to return to school.

GIRLS' ATHLETIC NEWS

This year the athletic association is divided. Formerly all students were enrolled in one organization. Now we have two organizations, each of High school athletics. The officers of the girls' association is as follows: President, Mary Wallace; Vice-President, Helen Powell; Secretary and Treasurer, Marguerite Holden; Cheer Leaders, Frances Biddle, Kathleen Kimbles and Helen Roberts; Linesmen, Ellen Ross Johnson and Mary Esther Wallace; Point Committee, Annabelle Holden, Hildred Powell and Ethel Barcus; Hostesses, Mary Esther Wallace and Helen Anderson; Timekeeper, Helen Anderson.

Friday Rock Hall found that they couldn't beat the Sudlersville girls as easily as they did last year. The first game of the season was a victory for us. Sadie Hardesty, Lois Stevens and Margie Holden each scored two points to win the game, 6-4.

Helen Powell was elected captain of the field ball girls last week at the second meeting of the association.

JUNIORS ELECT
By Mary Esther Wallace

The Junior class made a good start for the year by electing their class officers which are as follows: President, Frank Aldred Tarbutton; Vice-President, Frances Biddle; Secretary, Annabelle Holden; Treasurer, Helen Anderson.
