WHY IS IT Peerless outsells all other Tomato goods?
WHY IS IT Peerless sells higher than other brands?
WHY IS IT other fertilizer men say their Tomato Fertilizer is as good as Peerless?

The answer is easy—everybody knows it

QUALITY

Captain Emory grew on one occasion 17 tons per acre. Mr. Zac T. Gilbert grew 19 tons to the acre. Mr. G. W. Collins has bought as high as 50 tons per year, and his men grew from 12 to 15 tons per acre. We have sold already in Anne Arundel county, the lower counties and New Jersey, hundreds of tons already. Messrs. Baker and Morgan have bought as high as twelve hundred dollars worth; Messrs. Smith, Rouse & Webster have bought in the past as much as several thousand. Captain Dashiel says he would have it if he had to give $50.00 per ton for same. Mr. Joseph Downey says when he was canning that he could actually tell the difference in tomatoes grown with Peerless when brought to his cannery. Mr Numsen says he knows that tomatoes grown with our goods are fine. Mr. Frank Moore who runs Assaw Bains & Co.'s cannery, says the best comatoes brought there are from Peerless. Mr Lowe, a customer of his, says a ton of Peerless grew him $96 00 worth more tomatoes than another goods costing $7.00 less per ton. Mr. Money says it is certainly good. We could go on, but with a testimonial will close.

Unsolicited, some time ago Mr. W. S Elburn & Son came into our office and said: "I believe your Peerless to be the best tomato goods I ever saw. You remember what an advocate I was of it when I lived out at the mill. Well, wherever I have lived since, on the Western Shore or elsewhere, I would have it, and last year I put some of this same goods on some onions grown from the seed, and they were as fine as Bermudas. Many measured 4 inches in diameter, and I grew over 600 bushels per acre, or at the rate of 1162 baskets. I used it on strawberries and picked 8000 quarts per acre.

The above testimony should, therefore, be convincing.

Respectfully,

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co. Binghamton, N. Y., be sure and mention this paper.

EASTER COMING GIRLS' HATS, TOO.

Chestertown's Display of Fine Spring Millinery—Beauty Abounds Here.

With the Easter holidays this same week Chestertown is taking a place in the front rank for fashionable dressing and good taste in women's attire. Chief among the latter is the excellent display of women's fine millinery.

It has been said that nothing so alters the appearance of a woman as does her hat. A stunning Spring hat may make an ugly woman look positively beautiful while a ponderous ugly hat can make a pretty face and figure frightful.

It would seem that all the Paris modes and very latest artistic creation in hats had reached Chestertown, from the various millinery openings here. In a blaze of lights, strings of June roses, violets and daffodils, the hats are being shown to women and girls who come from all over Kent, Queen Anne's and part of Cecil counties, as well as the pretty college girls and school teachers.

Arlington L. Sparks' big store on High street, near Cross, is well worth a visit. Here may be found the Alice blue hat,, in a number of different creations. The pansy and forget-me-not hats, French shape, are a dream, but does not eclipse the Charlotte Corday hat, a beauty; nor even the pearl white Neapolitan straw. The latter is shown, also trimmed in white forget-me-nots. Nestling among various bunches of flower settings are the black poke picture hats, reminding one in a measure of the dear old grandmother if she could be brought out on Champs Elysses in 1906. For misses and children are also the poke effects, brilliant in harmonious trimmings.

Harry F. Jefferson's store below the postoffice is the mecca for all that's pretty and he has opened a veritable fairyland. The charming white lingerie picture hats appear here, there and everywhere like so many blooming flowers. Elaborate effects in leghorn straws, lace chiffon and fresh green designs can be found on every side. Pretty as a picture is the chic red shirt waist hat.

The Miss Reed's millinery store shows a pretty line of hats, etc.

Samuel W. Cole,
versus
Samuel Mason, Mary Mason, Mary E. Little, Joshua Little, Serena Mason, Emma Smith ——Smith, her husband, John Mason Alda Mason, Clarence Dare, Eugene Dare

In the Circuit Court for Kent County Maryland. No. 1584.

THE OBJECT of this bill is to secure a decree for the sale of the real estate of Jas Henry Mason.

That James Henry Mason was in his life time indebted unto your orator, Samuel W. Cole, in the full and just sum of one hundred and fifteen dollars, with interest thereon from the 16th day of March, 1905, upon a certain promissory note, dated the 16th day of June, 1904, filed herewith, and marked Plaintiff's Exhibit No. 1.

That the said James Henry Mason being so indebted unto divers other persons, and having real estate of some value but no personal estate sufficient to pay his debts, departed this life some time during the year 1905, leaving no widow but the following children and grandchildren surviving him as his heirs at law: Samuel Mason, who married Mary Dorman, and both reside in Kent county, Maryland; Mary E. Mason, who married Joshua Little, and both reside in Kent county, Md.; Serena Mason, who resides in Kent county, Md.; John Mason, who married Alda ——, and are non-residents of the State of Maryland, residing in New Jersey; Emma Mason, who married a man by the name of Smith, the first name of whom is unknown, and a non resident of the State of Maryland; and that the said James Henry Mason had one daughter by the name of Matilda Mason, now deceased, who left two illegitimate children, Clarence Dare and Eugene Dare, and both are minors under the age of twenty one years and Clarence Dare resides in Kent Co., Md., and Eugene Dare is a non resident and resides in State of N. J.

And your orator is informed and believes that the said James Henry Mason left a small and insufficient personal estate for the payment of his debts, and in order to pay the debts of your orator and others it is necessary for the said real estate to be sold, which real estate consists of a house and lot on the north side of the road leading from Millington to Smyrna, in the First Election District of Kent county, Maryland, adjoining the property of Zion Potts and others, and there is nothing else out of which your orator can secure the payment of his claim. To the end, therefore, that the said real estate of the said James Henry Mason, deceased, be sold for the payment of your orator's debt, and the other debts which may be due from the said James Henry Mason, and that your orator may have such other and further relief as his case may require.

It is, therefore, this 5th day of April, 1906, ordered that the complainant, Samuel M. Cole, by causing a copy of this order to be inserted in some newspaper printed and published in Kent county, Maryland, once in each of four successive weeks before the 11th day of May next, give notice to the said non-resident defendants, John Mason, Alda Mason, Emma Smith and —— Smith, her husband, and Eugene Dare of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 1st day of June next to show cause, if any they have, why a decree ought not to be passed as prayed.

James Clark,
versus
Nicholas Cann, Heneter Desheals, Glany Cann, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark, Alfred Clark.

In the Circuit Court for Kent County, Maryland, in Equity No. 1583.

THE OBJECT of this bill is to procure a decree for the sale of the real estate of Mary Cann, late of Kent county, deceased, and to divide the proceeds among the heirs at law.

The bill states that Mary Cann departed this life about the year 1891, and was in her lifetime seized and possessed of a certain tract of land situated on the west side of the public road leading from Hanesville to Worton Point in the Third Election District of Kent county, and containing four acres of land, more or less, which was conveyed to the said Mary Cann by deed from Wilbur Stephens about the year 1884.

And the bill states that the said Mary Cann died intestate, leaving the following children, namely: Nicholas Cann, Heneter Desheals, Glany Cann, and the children of her daughter, Susan Clark, namely: James Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark. Nicholas Cann is single, and Heneter Desheals' husband is dead, and Glany Cann is single.

And that the said Susan Clark intermarried with one James Clark, and they are both dead, and left the following children, namely: Your orator, James Clark, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark

And that the said Heneter Desheals and Glany Cann reside in Baltimore city, and that the said Nicholas Cann, George Clark, Thos. Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark are non residents of the State of Maryland; and that the said George Clark, Thomas Clark, Adda Clark and Sarah Clark are minors and under the age of twenty one years.

And the bill states that the said real estate is not susceptible of division among the parties entitled without loss and injury, and that some of the heirs being infants, your orator is advised he cannot have a valid sale without the intervention of this honorable court.

It is, therefore, this 5th day of April, 1906, ordered by the Circuit Court for Kent county, in Equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in Kent county once in each of four successive weeks before the 7th day of May, giving notice to Nicholas Cann, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark, non resident defendants, of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 26th day of May next, to show cause, if any they have, why a decree ought not to be passed as prayed.
