MIGHTY MICHIGAN WINS SILVER CUP

Finishes Third Of More Than 100 Cars In 108 Mile Race

The following telegram was received at the Michigan factory, in Kalamazoo, July 10th:

"V. L. Palmer:
Michigan Forty finished third in road reliability race—Camden to Wildwood, New Jersey—one hundred and eight miles. Over one hundred cars entered. Pierce Arrow first. Our prize: Silver Cup. Car driven by Dr. Faulkner, of Bridgeton, New Jersey.
E. F. GERBER."

This is one of many similar performances that the Mighty Michigan Forty has given this season.

The even balancing of all parts to match the strength represented by the Mighty Michigan Motor and Chassis is a characteristic which has become distinctive of this Car. It is asserted that this accounts for the sensational success of the Michigan among medium priced cars. It is an illustration of the value of thirty years manufacturing success behind the product.

Dearborns

Our trade has increased so much from year to year on Dearborns that our supply has always run short about this season of the year. We have built a larger quantity this season than ever before, and we now have on hand a liberal supply ready for immediate delivery. They have all Cypress bodies, Oak Riggings and our own wheels. If you are going to need one this season now is the time to order. We will book your order, guarantee delivery later, or we will deliver at once, if you prefer.

Cream Harvesters

Now is the time when you need a Separator. It takes all the impure substances from the milk, saves all the cream, and each cow will make on an average one pound of butter more per week. We have on our floor now the

BLUE BELL

We have many satisfied users of these machines and they do the work. One gentleman said a short time ago if he could not buy another he would not take $200 for his. We are so well satisfied of its ability to perform all the service we claim for it that we are willing to bring it to your farm and let you use it for a week or ten days, and if you are not fully satisfied we will take the machine away.

You run no risk. We give you full instructions how to operate it and we know you will be satisfied with the results. Can we bring it?

Gasoline Engines

The I. H. C. Engines are so well known here now that we hardly need to elaborate any on the merits of them. We only want to call your attention to the fact that we are still the agents for them and any size, up to and including four-horse power, can be seen at our store.

Did You Ever Think Of It In This Way?

¶ If you save $100 from your earnings during a year it is the same amount you would receive on a $2,000 investment for one year at 5 per cent.

¶ To save, one must sacrifice. The best things of life are gained in this way. If you want to lay aside a part of your earnings, come to this bank and open an account. A bank account will assist you greatly in the undertaking.

¶ We welcome the small depositor.

PAPER MILL TO START

Supt. Fred. W. Quantz Arrives To Prepare Chestertown Mill for Operations—Hopes to Start October 1st—A Big Thing for Chestertown

The Chestertown strawboard mill is to start operations just as soon as it can be gotten in readiness. Superintendent Fred. W. Quantz, a former well-known resident of this town, arrived here Wednesday and is at work on the preparations to start the mill. To the News man he stated that he hoped to be ready about October 1st.

This mill is now the property of the American Strawboard Co. and under Mr. Quantz management will no doubt turn out a fine product.

SCHOOLS TO OPEN ON SEPTEMBER 16

Upon Petition of the Physicians of Kent County Scholars and Teachers Given Longer Holiday—Other Notes.

Acting upon a petition signed by all the physicians of the county, the School Board, at its meeting Tuesday, decided to defer the opening of the schools of the county for the Fall Term until Monday, September 16.

Prof. Mark Creasey, the new principal of the Chestertown High School, came to town Tuesday to perfect arrangements for opening of the Fall Term.

Miss Ada R. Hurlock has been appointed assistant teacher at Betterton.

The Teachers Institute for Kent county will be held in the High School Building at Chestertown Oct 21 to 26.

Mr. Leon Jones, a graduate of Washington College, 1912, has been appointed principal of Piney Neck School, vice Prof. Charles F. Wheatley, resigned.

Mr. Clyde Tarbutton, a graduate of the Chestertown High School, 1912, has been appointed teacher of Cherry Lane public school.

Prof. Charles F. Wheatley leaves this week for High Bridge, N. J., to assume the position of principal of the High School at that place.

Miss Anna Harrison, of Crumpton, has been appointed vice-principal of the High School at Stevensville for the ensuing school year.

The School Board has arranged with W. W. Hubard for more room and better accommodations for the primary scholars.

The State Board of Education appointed the following to scholarships in State Normal School: Mary Eden Ashley, Rock Hall, graduate of High school; A. Madeline Baxter, of Chestertown.

Miss Grace Tull, of Betterton, has been appointed teacher at Worton Point.

New Business Men.—Mr. and Mrs. Armiger, of Carroll county, have rented the new Toulson store room on High street. Mr. Armiger will conduct a wholesale candy store up-stairs and Mrs. Armiger will open a first-class millinery store. Bonnets and candy—Could there be a sweeter combination?

Mr. Charles E. Kirby has rented the Bradley store next door to Walter Bramble and will open a model grocery store.

Mr. Arthur Kershaw has opened a boot-black stand in store-room next door to Savings Bank.

Work on Thompson's new garage on High street was begun yesterday.

LAWN FETE AND BAZAAR.

The Mite Society of the Presbyterian Church will hold a Lawn Fete and Bazaar on the lawn of Mr. Samuel C. Lollar on SATURDAY EVENING, SEPT. 14th. Everybody cordially invited. a31-3t
