ATTENTION is directed to the advertisement of the Maryland Agricultural College -- Maryland's school of Technology-in today's issue of our paper. The work of the College in its academic department, experiment station and state work, is attracting attention in all parts of the State and is receiving most favorable endorsement. The efficiency of the gradnates of this institution is receiving recognition in all departments of the worlds work for which this institution trains men, and they are demonstrating their capacity to take advantage of their opportunities, by discharging every obligation which they assume. The people of Maryland will do well to examine the courses of instruction and equipment of this Institution before finally determining where their sons will receive their Collegiate training.

My Hair is Extra Long

Feed your hair; nourish it; give it something to live on. Then it will stop falling, and will grow long and heavy. Ayer's Hair Vigor is the only genuine hair-food you can buy. It gives new life to the hair-bulbs. You save what hair you have, and get more, too. And it keeps the scalp clean and healthy.
