Democratic Meeting!

The Wilson, Marshall, Covington and Constable Club of Kent county will meet at Firemen's Hall, in Chestertown, Maryland, on

Wednesday, September, 11, 1912,

AT 7 O'CLOCK P. M.

Important business and interesting meeting expected. Full attendance desired. Everybody welcome.

WM. F. RUSSELL, PRESIDENT.
HERBERT E. PERKINS, Secretary.

So sure are some of Kent's Democrats that Wilson will be elected that they are planning for the postoffices. Don't be too sure. Let's elect him first.

ALBERT CONSTABLE, ESQ., candidate for Chief Judge to succeed Hon. James Alfred Pearce, was in Kent this week. He was looking well and says he is recovering rapidly.

BE sure and attend the meeting of the Wilson Club at Firemen's Hall next Wednesday evening. If you are interested in Democratic success prove it by your presence there.

KENT was represented at the Bull Moose convention in Easton Thursday by S. P. Townshend, Esq., C. C. Brown, Wm. G. Smyth, Jos. W. Atwell, C. G. Hadaway, A. Parks Rasin and T. H. M. Bramble. The convention nominated R. D. Grier, of Salisbury, as the candidate for Congress in this District. The following were named as County Central Committee: Jos. W. Atwell, S. P. Townshend, John M. Westcott, C. C. Brown.

PROHIBITION CONVENTION.

The First District Prohibition Convention will meet at Hurlock's, Md., on September 11th. The following delegates have been elected from Kent: M. A. Toulson, C. H. Krusen, F. H. Bottomley, J. R. Jarrell, L. W. Ford, G. W. Covington, J. H. Wiest, Thos. Rasin.

As an indication that the Pennsylvania Railroad intends actively to pursue its compaign in the interest of better farming, is the announcement made today of the appointment of H. S. Lippincott as Agriculturist. Mr. Lippincott has had charge of the Pennsylvania Railroad's Demonstration Farm at Bacon, Delaware, since it was first started.

Some six years ago the Pennsylvania inaugurated its agricultural work. It was the first railroad in the East to carry the gospel of good farming to the very doors of the farmers throughout the States in which the road operates. Since that time a number of booklets on agricultural and good roads subjects have been issued. Its most important movement was the establishment of the Demonstration Farm at Bacon, Delaware, where acres of supposedly worn out land have been rehabilitated, until today they are furnishing crops second to none on the Delaware-Maryland-Virginia Peninsula.

The office of the Pennsylvania's Agriculturist will be in Broad Street Station, Philadelphia.

RAISE FOR RURAL CARRIERS

Under authority conferred by the Postmaster General Hitchcock Sunday increased the salaries of rural letter carriers on standard routes from $1,000 to $1,100 a year, thus affecting 30,000 men, with proportionate increases to carriers on shorter routes. The order will become effective September 30.

This will mean an increased disbursement of $4,000,000 a year It is second salary advance for rural carriers made in the last four years.

At the close of the last fiscal year, on June 30, there were 42,031 rural mail carriers, the aggregate pay being $40,655,740, when the rural delivery system was instituted 16 years ago 83 carriers were employed at an annual cost of $14,840, the maximum individual pay being $200 a year. The increase provides rural carriers adequate compensation for additional burdens to be imposed by the parcels post system, effective January 1

"The parcels post system on rural mail routes can be conducted practically with no extra expense to the Government except the increased salary allowance to carriers," said Mr. Hitchcock "In my judgemeet this additional cost will be more than offset by an increased revenue, thus insuring the maintenance, and from time to time extension of the rural delivery system as a self supporting branch of the postal service"

Mr. Hitchcock has directed also that rural mail carriers on the completion of 12 months' service be granted 15 days' leave with pay This will require the additional expenditure of $80,000 a year in pay of subcarriers.

The date on the label on your paper shows the time to which your subscription is paid.

THE Bulletin, a rock-ribbed Republican paper says:

"So far as the Vermont election is to be accorded its traditional significance as a barometer of political conditions throughout the United States, it may be said to indicate that the Dnmocratic party is standing solidly while the Republican party is broken up, the Progressive bolt at the heels of Mr. Roosevelt, being ineffective to elect its own candidates, but sufficient to accomplish the defeat of regular Republicans. If the conditions which are thus demonstrated in Vermont are paralleled elsewhere in the nation, it is obvious that the result will be the election of Governor Wilson through the electoral votes of States which nominally are Republican and which will fail to show a Democratic majority in the popular vote.

PARCELS POST CHARGES

Senator Bourne, chairman of the Senate committee on postoffices, has been almost inundated with inquiries about the details of the provisions of the new parcels post laws, which will become effective on January next. He makes his response in a general circular letter, in which he gave his official summary of the exact effect of the new law:

"Any article is mailable if not over 11 pounds in weight nor more than 72 inches in length and girth combined, nor likely to injure the mails or postal equipment of employes. Flat rates of 1 cent per ounce up to four ounces, regardless of distance About four ounces, for first pound, each additional pound and 11 pounds upward, respectively, rural route and city delivery, 5, 1 and 15 cents, respectively; 50-mile zone, 5, 3 and 35 cents; 150-mile zone, 6, 4 and 46 cents; 300-mile zone, 7, 5 and 57 cents; 600 mile zone, 8, 6 and 68 cents; 1,000-mile zone, 9, 7 and 79 cents; 1,400-mile zone, 10 cents, 9 cents and $1; 1,800-mile zone, 11 cents, 10 cents and $1,11; over 1,800 miles, 12 cents and $1.32.

"The Postmaster-General may make provision for indemnity insurance and collection on delivery, with additional charges for such service, and may, with the consent of the Interstate Commerce Commission, after investigation, modify rates, weights and zone distances when expense has demonstrated the needs therefore."

ROCK HALL NOTES.

Mrs. A. Alexander, has returned to her home here from Atlantic City and Ocean Grove, where she has been spending several weeks recuperating from a near physical collapse. She shows decided improvement of her health. Mrs. A. was accompanied by her daughter, Mrs. M. Kramer, of Baltimore.

Messrs. Leroy Boyer and Albert Holloway, of Baltimore, who have been enjoying their vacation as guests of the former's sister, Mrs. C. H. Harrison, for a week, returned home on Monday.

Bee martins have been very annoying to boatmen whose vessels have been lying in the several harbors of this section, during the summer. They were never known to be so numerous here as they are now Boatmen have been compelled to keep flags flying at half mast, in order to scare the pests off. Capt. Lum Ashley has taken special pride in overhauling and painting the police schooner Anna B. Smith, and martins and fish hawks have made him "hotter in the collar" than ever violators of the oyster laws have. He kept a large flag aloft to keep the birds off the vessel, cross-bars and stays, but this had effect for a short time. A gale of wind blew the flag away last week.

The oyster rock trouble in the Manokin river, is just what oystermen here have been looking for It confirms their opinion, that the oyster culterists are determined to swipe the natural bars sooner, or later and put the independent workers out of busines.

Tongers are finding the oysters very scarce and sales slow.

Capt. Jack Collison is in quite a "stew" because of having a hole blown through his gasoline engine, and propeller shaft bent, which gives him a lot of undesired work.

Capt. Akers, the new police captain, was sworn in this week.

Mr. R. S Crew, one of our genial citizens is suffering with a sprained wrist and ankle.

STILL POND ITEMS

Mr. Daniel Jones, of Philadelphia, spent a few days with friends in our town.

Mr. and Mrs. John Boulden, of Queen Anne's spent Monday with Mr. and Mrs. Edward Ford.

Mr. and Mrs. Leonard Price entertained a house party at their home "Linwood" the past week. Among the company were Misses Bertha and Alta Price, Misses Marion and Lydia Hackett, Miss May Price, Philadelphia, Miss Jennie Bowers and Rev. E. H. Collins, Parsonsburg.

Mr. and Mrs. Rolph Starkey, of Philadelphia, spent a few days among his many friends here.

Mrs. Gertie Ewell and sons, Messrs. Stockton and Frank, of Baltimore, are spending some time at the home of Mr. and Mrs. Howard Rasin

Mr. James Madden, of New York, is visiting the home of Mr. Wm. Rasin.

Mr. and Mrs. Joseph Davis and daughter, of Flatbush, N. Y., visited her sisters, Mrs. Wm. Medders and Mrs. Walter Harris

The Ladies Aid met at the homes of Mrs. Sallie Rasin and Mrs. Rachel Parrot. Quite a number were present and business settled up to date.

Mrs. Lavinia Harper and children have returned from a visit to Pen Mar.

Miss Jennie Bowers, formerly a teacher at Lambson's, has accepted a position over in Howard county. Jennie left Tuesday for her new charge and we wish her success.
