ROCK HALL'S LEADING DEPARTMENT STORE

ROCK HALL NOTES.

Death, the relentless foe, has been stalking about, and heaping up sorrow in a number of the homes of this section.

Late Saturday evening, Casey Bro's. were telephoned fr m a distant farmer, to come immediately, to prepare for burial a colored man who had died suddenly.

Capt. J. E. Apsley, was called away from home on Sunday, to attend the funeral of his wif 's sister.

The season of church suppers and bazaars has rolled around again, and folks here are hustling in preparations for up-to-date suppers and other attractions, the first of which will be held under auspices of the ladies of the M. E. Church, begining this evening on the church lawn, and will be repeated next Tuesday, Wednesday and Thursday eves. The aim is to make this affair the best ever.

Mrs. A. Alexander and Mrs. Max Alexander are preparing for their trip to lay in their stock of Fall Millinery. Which they promise will be one of the best ever.

Mr. Max Alexander Prop. of Rock Hall's Leading Department store announces his fall opening of the finest display of merchandise ever shown in the county. He extends a cordial invitation to all.

The R. H. Canning Company, have been almost swampt this week owing to the rush of tomatoes.

The oyster business on the bay side is practically at a stand still. Last season there was considerable complaint by many oystermen against the canning company as a detriment to the oystermen, they now see the foolishness of such complaint, and would be exceedingly glad if Joe Downey was handling oysters this September, as he was this month one year ago.

Capt. C. R. Kerr is having his dwelling dressed with a new coat of paint.

This section was blessed with good rains this week, and a better prospect for the potatoes and cabbage crops. Tomatoes are too far gone to be much benefited.

The Bank That Pays

FOUR PER CENT

On Time Deposits

Two Years' Record

Resources Increased from $15,228 21 to $177,269.87

The People's Bank of Chestertown has been engaged in business just two years, having opened its doors September 1, 1910.

The record of these two years, as shown by the following tabulated summary of resources, indicated in the sworn statements made to the State Banking Commissioner and published at intervals of about three months, is an exhibition of substantial growth and development extremely gratifying to the officials and directors and must be likewise to all stockholders and friends of the bank.

To grow in resources from $15,000 in September, 1910, to more than $177,000 in September, 1912, in the face of local conditions, is certainly an achievement worthy a feeling of satisfaction and pride. It is moreover a marked testimonial of public confidence in the business integrity of the management and an unfailing augury of the stability and permanent success of the institution.

The following statement shows how this bank is climbing the ladder of success and growing in influence and usefulness:

RESOURCES

September 1, 1910, - -	$15,228.21
November 10, 1910	$ 51,014.35
January 7, 1911.....	57,637.10
March 7, 1911.	70,812.75
June 7, 1911.....	83,186.77
September 1, 1911, - -	$123,248.96
December 5, 1911.....	$124,255.12
February 20, 1912.....	116,557.76
April 18, 1912	120,917.33
June 14, 1912.....	126,940.55
September 4, 1912, - -	$177,269.87

The directors and officers take this opportunity to express their sincere appreciation to all patrons and friends of the bank who have contributed in the least toward making this splendid showing possible. Respectfully,

THE PEOPLES BANK
