If you want to share in the great Wilson victory in November be sure your name is on the books. Next Tuesday is your last chance.

EVERY DAY proves the fact that this country has been in the hands of the Trusts. The evidence brought out on Wednesday showed that four men gave $100,000 each in Roosevelt's campaign of 1904. These Trusts pay the money and demand the "goods." The masses of the people are asked to finance Wilson's campaign and they will reap the benefit.

AT the close of last week Mr. Frank A. Munsey was the owner of four magazines and four newspapers, the latter afternoon dailies. Monday announcement was made that he had purchased the Press, a Republican morning newspaper of New York City. The possession of a newspaper in the great metropolis had long been Mr. Munsey's desire and now that desire has been gratified. How many more newspapers Mr. Munsey will endeavor to secure is a problem, but already he is ahead of Hearst.

## THE FARMERS EXCHANGE INCORPORATED.

It is gratifying to the NEWS to announce that the Rich Neck Farmers' Club has inaugurated the system of co-operation among farmers advocated by the NEWS on several occasions.

Produce exchanges have been successfully managed for a number of years throughout progressive farming communities, so, that, in taking the matter up and endorsing the report submitted at the meeting of the club, held last Thursday, at the farm of Mr. H. H. Klinefelter, the club members have shown themselves wide awake business men.

The report provided for an incorporation to be known as the Rich Neck Farmers Club Exchange, with sufficient capital for its management. The members will upon electing to grow special crops to be handled cooperatively agree to purchase all seed, fertilizer or supplies connected with the growing of said crop, through the Exchange, which will insure not only a reduction in the cost of these supplies, thereby reducing the cost of production, but there will be a uniformity of crops as to variety and quality such as to command the attention of the market.

The Exchange will maintain a system of inspection looking to the creation of standards, an all important factor in any line of business whereby the stamp of the Exchange trade mark will be a guarantee of both quality and quantity. It will not be the Exchange's desire to confine its business to the membership of the Rich Neck Farmers Club, though its members are farming over ten thousand acres of highly cultivated land, and will contribute sufficient produce to go it alone, at the same time no one will be permitted to ship or sell through the Exchange unless all the conditions of seed selection, growing, packing and inspection comply with the established Exchange rules and regulations.

By unanimous voice of the Club the Executive Committee is to work out details of organization so as to handle the movement or disposition of 1913 crops.

CONGRESSMEN have been required to state, under oath, what they spent in their last campaign. Hon. J. Harry Covington has the record of spending the least in Maryland, a total of $229.25 before election, and not one cent after.

GOV. WILSON is a man of sound principles and with nerve to enforce them. He acted in New Jersey and the people downed Boss Smith. He raised his voice against Dix in New York and the people named Sulzer, that Progressive Tammanyite, but not a tool of Murphy's. Wilson is so close to the people that he cannot lose.

SOME one has said that Roosevelt has "appropriated Bryan's coat and stolen Debs' pants." At any rate, the Bull Moose has picked the Democratic pocket of the red bandanna, for that was the popular Democratic emblem in both the Cleveland and Thurman and the Cleveland and Stevenson campaigns.—Richmond Times-Dispatch.

## VOTE FOR COVINGTON.

The services rendered by Hon. J. Harry Covington during his two terms in Congress have been of such a high order that the people of the Eastern Shore could ill afford to be deprived of a Representative in Congress of his type. This, even the Republicans, recognized in refraining from nominating a candidate against him. The Bull Moose party, evidently from no other purpose than to establish an organization on the Eastern Shore, put forward a candidate to contest the seat of Mr. Covington.

Mr. Covington, with his splendid equipment and four years of most valuable experience, is today one of the most useful members of Congress, and, without unkind reflections upon his predecessors, we believe that we can safely assert that he is the most efficient member of Congress that has ever been sent from the Eastern Shore. His talents are of a high order and his natural aptitude for the duties that devolve upon him make him one of the leading men in public life at Washington. Any person who will take the trouble to even listen to the reports that go out from Washington will be convinced of the truth of this statement. His assistance in the framing of the tariff bills, his leadership in the construction of the government for the Panama Canal Zone and the regulation of the use of the canal, his speeches relating to the income tax, his efficient services on the Election Committee, his great service to this district in opening up and improving the waterways, which are now occupying a great deal of his attention, and only last week was the subject of a most brilliant speech before the Deeper Waterways Association at New London, Conn., and numerous other important duties that he has performed and works in which he is now engaged are abundant proof to every person of his usefulness, not only to the people of the Eastern Shore, but to the people of the Nation.

THE Women's Wilson League of Maryland has been organized for the purpose of promoting the election of Governor Wilson. Any woman in Maryland who believes that the election of the Democratic candidate means a better and cleaner government, is urged to enroll as a member. No dues are required, but contributions are much needed. Governor Wilson accepts no funds from trusts or corporations, but appeals to the people for support.

It is hoped that the women of this state will show their confidence in his policies and leadership by assisting with money or services in our organized efforts to insure his election.

The President, Mrs. Chas. E. Elliott, would like to hear that you will join the League and help to spread the interest in the movement in your community. Please send name for enrollment and any possible contributions, large or small, to the Secretary, Fidelity Building, Room 1211, Baltimore.

HON. BLAIR LEE, bonded treasurer of the auxiliary committee to promote the candidacy of Wilson and Marshall, solicits contributions, either large or small, from all persons who are interested in their election. Such contributions will be applied as the donors thereof may direct. This is the people's cause and the people should use their best efforts to promote it. All contributions should be addressed to Hon. Blair Lee, Royal Arcanum Building, Baltimore, Md.

## PENROSE FOR WILSON

The brother of Senator Penrose is a well-known man. He sailed for Europe recently. He said: "I am disgusted with all this tumult and disorder. Wilson will make an ideal President, and though I am and have been a Republican always, I will vote for him and support him."

| No. 8. | To Jas. G. Harris, Third district, for itemized account..... | 30 00 |
| | But there is no itemized account filed for this amount. | |

Making a total of $390 00 that Mr. Morris has omitted to file with the Clerk of the Circuit Court, itemized as required by law, out of an expenditure of $524. He has only itemized the bills designated in the report as follows:

| | |
|---|---|
| No. 1..... | $ 75 00 |
| No. 9..... | 4 00 |

Total itemized, $134.00.

The Barroll organ's reference to C. L. Dodd's article or statement "that they (the Barroll organ) frustrated an attempt to secure pay for the publication of the Road Engineer's Report." Think of them frustrating any attempt to secure money.

Let the Barroll organ give the public a full and complete itemized statement of all moneys received by them for the last 3 years, as a proof of their frustrating any attempt to secure more money—they dare not.
