## WASHINGTON COLLEGE WINS.

Merritt Brown Runs Through Whole Delaware Team for Touch Down.

Adding another to her string of victories, the Washington College football team defeated Delaware College here Saturday, 7 to 0. The game was the most thrilling of the season. Twice Washington was in a position to cross Delaware's goal line, and once Delaware had the same advantage.

The game began with Washington kicking off. Delaware fumbled and a Washington man fell on the ball on Delaware's 30 yard line, with two downs to gain the touchdown. Forward passes were attempted both times, but were incomplete, and the ball went to Delaware, which punted. Washington got the ball on its opponent's 30-yard line.

Again Washington worked up to within striking distance of the goal, but was unable to get through Delaware's defense, and the ball once more changed hands.

The second quarter opened with the ball in Washington's territory, but the visitors never succeeded in getting the ball nearer than 30 yards of Washington's goal line.

At the opening of the second half Delaware kicked to Brown, who returned the ball 5 yards before being downed. In this session Delaware had the better of the argument. Afte a well-directed forward pass to Huston the visitors had the pigskin on the locals' 5-yard line. After three unsuccessful line plunges a forward pass was tried, but was incomplete, and the ball went to Washington. It was brought out to the 20 yard line, from where Washington College marched straight up the field to Delaware's goal, Biddle and Branham alternately charging through tackle for gains of five or six yards. Later Hortey punted to Brown on the visitors' 35-yard line, from which he made a sensational run to Delaware's goal, scoring for Washington. Wilkinson kicked goal.

Biddle was a power of strength behind the line, while Meredith, Garrett, Wilkinson and Meekins also did good work. Huston was the ground gainer for his team.

Line-up:

| *Washington.* | *Position.* | *Delaware.* |
|---|---|---|
| Wallace | Right end | S. Loomis |
| Wilkinson | Right tackle | Dean |
| Davis | Right guard | Vandegrift |
| Long | Centre | Randolph |
| Meredith | Left guard | E. Loomis |
| Garrett | Left tackle | Kelley |
| Lewis | Left end | Schutten |
| Meekins (capt) | Quarterback | Huston |
| Biddle | Fullback | Corswell |
| Brown | Left halfback | Kahn |
| Strong | Right halfback | Horsman |

Touchdown—Brown. Referee—Taylor, Harvard. Umpire—Brennick, Harvard. Headlinesman—Beck, Washington. Linesmen—Hines, Washington; Connolly, Delaware. Time of quarters—12 minutes.

Substitutes.—Washington—Pfitsch for Wallace, Branham for Bowen, Bowen for Strong, Leister for Pfitsch.

Delaware—Handy for Vandegrift, Hellfer for Dean.

"MARRIED men live longer; it doesn't only seems so. They are less criminally inclined, and the proportion of suicides among them is not so great as among single men. If you want to stand a better chance of keeping out of trouble get married." This was the test of an interesting lecturr delivered in McCoy Hall of the Johns Hopkins University in Baltimore last week by M. Jacques Bertillon, chief of the Bureau of Municipal Statistics, Paris, France M. Bertillion spoke in French on a statiistical demonstration of Physical and Morl Advantages of Marriages and Family, anb illustrated his lecture with a number of tables, based upon the criminality, the suicide and the marriages of the French for certain years. He pointed out from these tables that the mortality of married people is less for both sexes; that widowers have a greater mortality than bachelors, and that after 35 years widows die sooner than oldmaids. "Women need the men less than the men need the women," he said. "When a man marries his chance of committing suicide are less. The married men with children is less criminal than the married man without, and widowers without children are the most criminal of all classes of men. Married women are only one-half as criminal as unmarried women. Widows without children are as in the case of the same class of men, the most criminal and furnish the most suicides. Marriages in creases a person's sense of responsibility and makes him better, for the man knows that if he does wrong his wife will find him out, and this acts as a deterrent. A man's life is ruined by the death of his wife. Widowers marry in greater proportion than bachelors, and after 35 widows are more sought after than are old maids."

DR. H. C HUGHES,
—DENTIST—
Office in the "Old Transcript Building," Chestertown, Md., where he can be found every day in the week.

Mrs. Paul Wehling, 316 Smith St., Peoria, Ill., had kidney and bladder trouble, with terrible backache and pain across the hips. Just imagine her condition. She further says: "I was also very nervous had headaches and dizzy spells, and was fast getting worse when I took Foley Kidney Pills, and now all my troubles are cured. Foley Kidney Pills have done so much for me I shall always recommend them." Sold by M. A. Toulson.

Mr. Jas. V. Churchill, 90 Wall St., Auburn, N Y., has been bothered with serious kidney and bladder trouble ever since he left the army, and says: I decided to try Foley Kidney Pills as they had cured so many people and I soon found they were just the thing. My kidneys and bladder are again in a healthy condition. I gladly recommend them." Sold by M. A. Toulson.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
