BILL HERSON

Every morning except Sunday from 7:00 to 7:40, Bill Herson presents "The Radio Bluebook". Bill's inimitable line of chatter while acting as master of ceremonies adds pep and zest to the list of selections brought to you direct from radio's "bluebook of music".

As a special augmented feature, the correct time will be announced at intervals throughout the program.

Such special features are merely a habit with WFBR. This station has become so used to doing things that will prove beneficial to its listening audience that the only thoughts on the subject are directed toward devising other means of being helpful. For sincere service and varied entertainment—
