This is the season of the year when buildings of all kinds need a new roof. Bad weather is coming soon and you want to protect crops, stock, etc., from its effects. We have anticipated your needs along this line, and are better prepared than ever before to serve you. We have in stock Rubber Roofing in ½, 1 and 2 Plys, at 79c to $2.50 per square. A splendid Rubber Roofing in 2-Ply at $1.75 per square. We have sold considerable of this and much of it to people who are judges of roofing.

Ours is all No. 26 Guage. Don't pay as much for Nos. 28 and 29 Guage. Be sure you get No. 26 Guage. Open Hearth.

Home Purchased.—Herbert E. Perkins, Esq., has purchased of Mrs. A. E. Physic her handsome home on Water street, near High. It is said that Mr. Perkins is acting as attorney for a well-known young business man of Chestertown in the purchase of the home. The price is private, but is reported to be around $6,000.

Severely Hurt.—Mr. Eugene Bonwell, of near Still Pond, was very badly hurt on Saturday. He was standing on a loaded wagon when the mules started off and threw him to the ground. Dr. Maxwell, of Still Pond, and Dr. H. G. Simpers, of Chestertown, attended him and found that his collar bone was dislocated, a rib cracked and his head severely hurt. The doctors soon eased his pains and he has steadily improved and is now able to be up. Mr. Bonwell is a large land owner of Kent and very active about his farms. His many friends hope his accident will not occasion him much pain.

SHIPPERS ASK MORE TIME

Officials of all the railroads centering in Baltimore attended a hearing Wednesday before the Public Service Commission, at which the question of demurrage was taken up.

There has been some complaint that the period allowed receivers of freight to unload cars is not long enough. The railroads give them 48 hours, with certain allowances for bad weather. There is also a system of credits and debits in the case of those whose freight receipts are large, which if a man receives a number of cars of freight and unloads them in less than the time allowed he is given credit for the time allowance not used, and this is credited to him when he takes a longer time than is allowed with other cars.

This system has the sanction of the Inter-State Commerce Commission. On the other hand, it is contended that since the size of freight cars has been so materially increased 48 hours is not sufficient for unloading, particularly in the country where farmers and others have to haul the stuff they unload several miles.

The commission held the case under advisement.

The bride was becomingly attired in an ivory crepe meteor gown, trimmed with Chantilly lace and rose buds. The matron of honor, Mrs. F. D. Bailey, wore a handsome gown of blue satin and carried bride's roses and lillies of the valley. After the ceremony, which was performed by Rev. Dr. Spencer, a wedding breakfast was served to about thirty persons, consisting of the immediate family. The bride and groom left on a wedding trip South. They will reside in Philadelphia, where the groom has a responsible position. Among those present were Misses Mary A. and Louise Brown, sisters of the groom, from Chestertown.
