Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

Home of Swamp-Root.

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

At this point the Elk, Sassafras and Susquehanna rivers meet, forming an immense basin, the waters of which have become renowned for the abundance of fine rock and perch. Near Betterton the Bay is some 20 miles wide, and at this point the fresh water first mingles with the salt of the ocean. The place has great attractions for those who like fishing. May Abolish Negro Schools.—A dispatch from Atlanta, Ga., dated July 20, says: "If a bill introduced into the State Legislature to-day by Representative Vinson, of Baldwin county, be passed the public shools maintained for the education of the negro in Georgia will be practically abolished. The measure provides that all appropriations for school purposes shall be divided between the white and negro schools in proportion to the taxes paid by each. Inasmuch as there is little revenue derived from negro taxpayers this would cut the negro school fund to little or nothing.
