Our church celebrated their Children's Day service Sunday evening before a large and appreciative audience. The program, which was lengthly and highly entertaining, was well rendered. The feature of the program being the collection, deserves special mention, as it was a generous offering—the amount $41. We are quite sure we should have had a much larger one but for the storm which interferred, as most of the people left the church before the collection was taken. We should not forget to drop a word of praise to the little ones who did credit to their trainer, Miss Helen Link, in recitations and singing. The choir also did credit to their leader, Mrs. Jos. Harper, who had charge of the music.
