FOR PRESIDENT:

HON. ARTHUR P. GORMAN,

OF MARYLAND.

FROM DAY TO DAY the conviction becomes stronger that Senator Arthur Pue Gorman, of Maryland, will either be the nominee himself or will dictate the nominee of the Democratic party at the National Convention in St. Louis July 6.

ATTORNEY GENERAL KNOX has been made United States Senator from Pennsylvania to succeed the late Senator M. S. Quay. He may not receive so many hard *knocks* from the Trusts of the country now that he is out of the President's Cabinet.

WE MAY WITH PROPRIETY call this the "Educational issue" of the TRANSCRIPT. We are always glad to further the interests of our college in whatsoever way we are able, and for this reason we have given considerable space to the commencement exercises during the week. Hurrah for W. C!

ST. JOHN'S COLLEGE has conferred the degree of LL. D. upon Judge James Alfred Pearce and Dr. James W. Cain, president of Washington College. These selections by the college are eminently proper and fitting because of the ability of both gentlemen to wear the title with dignity and honor to the donor.

ONE OF THE MOST horrible accidents in the history of the country occured on Wednesday on East River, New York, when 600 women and children excursionists were burned to death and drowned by the burning of an excursion steamer. The excursionists were members of St. Mark's German Lutheran Sunday School, New York City.

THE COMMENCEMENT EXERCISES at Washington College were as a whole the best the college has produced in years. The character of the various events, the interest displayed by the public and the presence of so many of the alumni of this historic institution is the best evidence that the college is growing in prominence and influence.

Chestertown, June 14, 1904.

BASE HITS.

Washington College defeated the "Scrappy" Mt. St. Joseph's team on the college campus last Saturday afternoon by the score of 6 to 3. The feature of the game was the almost constant "kicking" of the visiting team, a reputation for which they are said to be unexcelled in the State. It was a very good game.

The Printers Athletic Club went to Millington Saturday and crossed bats with the local nine of that place. Up to the eighth inning the Printers had the game well in hand, but in that inning several hits and a few errors sent four runs across the plate for Millington. Score, Millington 8; Printers 6. The boys were very much pleased with the hospitality shown them by the people of Millington. They will play the strong Centreville local nine at that place next Saturday, and one of the best games of the season is expected.

The result of the game between the Basket Factory team and the Kennedyville nine last Saturday was a slugging match, with honors about even. Score Kennedyville 17; Basket Factory 14.

Sued by His Doctor.

"A doctor here has sued me for $12, 50, which I claimed was excessive for a case of cholera morbus," says R. White, of Coachella, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by M. A, Toulson, druggist, Chestertown, Md.
