LOCAL MATTERS.

Jim Crow Cars.—The "Jim Crow" car to be used on the Kent road arrived in Chestertown on Thursday evening and went into service yesterday. The car is the ordinary day coach similar to those already in use. On the car to be occupied by the negroes is a sign in red letters, "Colored." On the car to be occupied by the white people is a sign reading "White." These coaches will be used on all trains that runs in Maryland. There will be no pronounced changes in steamboats, a particular part of the boat will be designated for white people and one for the colored people.

Accidents to Ball Players.—Warren Easley, aged nine years, son of Rev. James W. Easley, of Wilmington, and formely of Chestertown, broke his right arm on Friday afternoon last while playing ball at Eden Park, near Wilmington, Del.; while running for the ball, young Easley tripped over a stump and fell on his right arm. Mr. Allie Elliott, of the paint firm of Thos. B. Elliott and Son, while playing ball at Millington on Saturday afternoon broke two knuckles on his right hand by being struck by a ball. Dr. H. G. Simpers reduced the fractures but Mr. Elliott is not yet able to use the paint brush.

Capt. Eliason's Megaphone.—Capt. Wm. C. Eliason, the genial manager of the Tolchester Steamboat Company is also a skilled manager of the large crowds who daily congregate at Pier 16 Light Street, for a trip across the Bay. Usually large crowds have been carried during the season, and at times Capt. Eliason has had difficulty in keeping the crowd in a pleasant frame of mind while waiting for the Louise to leave. He has "hit upon a plan" that has at last solved the problem. He has purchased a large Megaphone and whenever he notices a slight commotion or a little uneasinees in the crowd, he places the phone to his mouth and in that "soft" and "pliant voice" he lulls the crowd into tranquility. The Captain is a man of wonderful tact and ingenuity and knows how to handle a crowd as well as manage a large steamboat company.

Distinguished Guests at Betterton.—On Saturday last the Hotel Rigbie, at Betterton, entertained Mayor H. Clay timanus and a party of distinguished Baltimoreans at supper. General Murray Vandiver, chairman of the Democratic State Central Committee, was also a guest at the hotel on Saturday evening. On Monday evening the hotels at Betterton were taxed to their utmost capacity to accommodate two excursions, one the Masons from Baltimore, and the other from Havre-de Grace. The excursionists enjoyed the various amusements at Betterton and indulged in an informal dance for which Mrs. Schofield furnished charming music. Mrs. Schofield is a musician of much prominence and has a large class of scholars in and around Betterton.

Maryland State Teachers' Association.—The Thirty-Seventh Annual session will be held at Ocean City, Maryland, on Wednesday, Thursday and Friday, June 13, 14 and 15. The evening session will be held at 8 o'clock, the morning session on Thursday and Friday at 9.30 o'clock. Arrangements have been made with the various railroad and steamboat companies for excursion rates. The following hotel rates have been secured: At the Atlantic Hotel, $2 to $3 per day; Hamilton, $1.25 to $2; Mt. Pleasant, $1.25 to $1.50; Belmont and Mt. Vernon, $1.25; Brighton, $1. Those who wish to remain a week can secure some reduction from the above rates. An interesting program is being arranged for this year's sessions. Besides reports from the standing committees, addresses will be delivered by distinguished speakers and literary and musical exercises will be added. County superintendents and others interested in the success of this meeting are requested to give it wide publicity.

On Trial For Stock Gambling.—The Investigation of the charges of stock gambling, and also of refusing to pay debts incurred thereby, which have been made against Rev. Wilbur F. Corkran and Rev. Charles S. Baker, by a church committee, began in Union M. E. Church, Wilmington, last Tuesday. The counsel for the accused are Revs. J. D. C. Hanna, J. M. Lindale and Ralph T. Coursey. The church is represented by Revs. Wm. W. King, A. W. Lightbourne and W. L. McDowell, of the Philadelphia Conference. The meeting has been characterized by the utmost secrecy. Only members of the Wilmington Conference have been admitted. Guards were placed at the doors and every precaution taken to prevent the doings of the session being made public, only through the censorship of the press committee. The trial has attracted a great deal of attention throughout the Wilmington Conference, and many of the ministers of the conference have been attending the trial. The case has not yet been decided.

DANGEROUS TARGET PRACTICE

Horses Attached to Binders Dash Madly From the Field—Binders Torn to Pieces—Man Knocked From Reaper Seat by the Concussion.

Chestertown and Kent county people were somewhat exercised on Thursday afternoon just after the heavy shower of rain by what they supposed to be the distant peals of heavy thunder. In town the windows of buildings shook until they rattled and in many instances the buildings themselves were shaken by the force of the concussion. Instead of it being the thunder, it proved to be the firing of heavy guns at Fort Howard or Fort McHenry at target practice. Target practice at our forts is getting to be as frequent as thunder, and as dangerous as thunder, too. Several accidents of a serious nature have been narrowly averted recently and the climax was reached on Thursday afternoon when an accident supposed to be due to the firing of the heavy guns occurred on the bay shore. Mr. Laurence Stevens, who lives on Mr. R. D. Hynson's bayside farm nearly opposite North Point (Fort Howard), was at work in his wheat field cutting wheat with two binders. It is said that the concussion from the firing was terrible. A man who was riding one of the binders was knocked from his seat, and the horses became frightened, dashed away and tore both binders to pieces. Fortunately no one was injured, but a shell from one of the guns struck near the shore of the field where the harvesters were at work. In view of the fact that target practice is indulged in almost daily and that accidents are resulting therefrom, we would advise those in authority at our forts to be exceedingly careful how and when they fire. Mr. Stevens' loss was considerable.

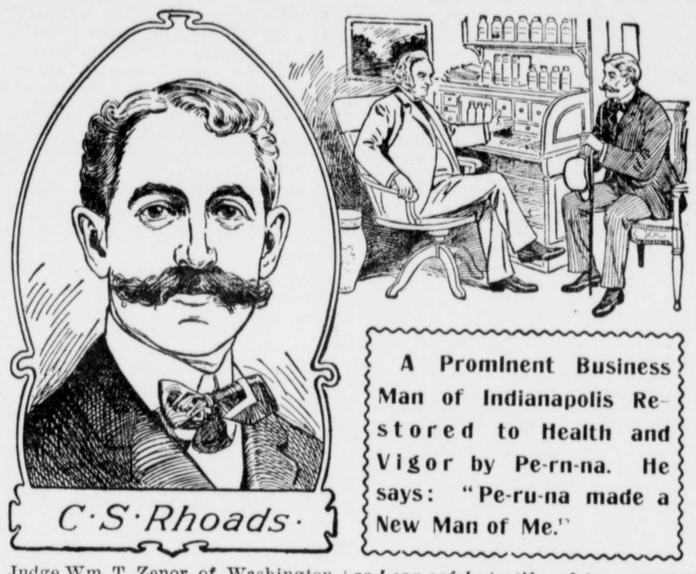
FOR SYSTEMIC CATARRH

Peculiar to Summer Pe-ru-na Gives Prompt and Permanent Relief.

C. S. Rhoads, Indianapolis, Ind., writes:

"For the past two years I have hardly known what it was to have a sweet, restful night's sleep. Cares and overwork seemed to weigh me down more than it should or would had I been able to get my proper rest. My doctor was unable to help me and ordered me South for a complete rest and change. As this was simply out of the question, and as I had heard several of the men under me speak of how much Peruna had helped them, I decided to try it and am glad indeed that I did. Six bottles made a new man of me. I eat well, sleep well and get up feeling refreshed and rested.

"My official duties are not half so hard and I certainly have good reasons to heartily endorse Peruna."—C. S. Rhoads.



A Prominent Business Man of Indianapolis Restored to Health and Vigor by Pe-rn-na. He says: "Pe-ru-na made a New Man of Me."

Judge Wm. T. Zenor, of Washington, D. C., writes from 213 N. Capital street, Washington, D. C.:

"I take pleasure in saying that I can cheerfully recommend the use of Peruna as a remedy for catarrhal trouble and a most excellent tonic for general conditions."—Wm. T. Zenor.

Mrs. Amanda Morrill, 130 Reid street, Elizabeth, N. J., writes:

"I have been sick over two years with nervous prostration and general debility, and heart trouble. Have had four doctors; all said that I could not get well. I had not walked a step in nine months, suffering with partial paralysis ***and palpitation of the heart every other day, and had become so reduced in flesh as to be a mere skeleton, weighing only 85 pounds.***

"Up to this date I have taken Peruna for seven months. It has saved my life ***as I can safely testify. I have not felt so well in five years, having walked over one mile without ill result, and have also gained thirty pounds*** since commencing to take Peruna. In fact, I cannot praise it too highly."—Mrs. Amanda Morrill.

Peruna never fails to prevent systemic catarrh or nervous prostration if taken in time. Peruna is the most prompt and permanent cure for all cases of nervous prostration caused by systemic catarrh known to the medical profession.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
