His latest Achievements again prove AMOCO-GAS holds More World's Records than any other Gas or Motor Fuel!

DOCKETING his streamlined yellow speedster over the glistening salt flats at Bonneville, Utah - Ab Jenkins, world-famous speed and endurance driver, reached a new high of 153.77 miles per hour for 24 hours in the World's Unlimited, American Unlimited, International Class A and American Class A records. His car was fueled with Amoco-Gas.

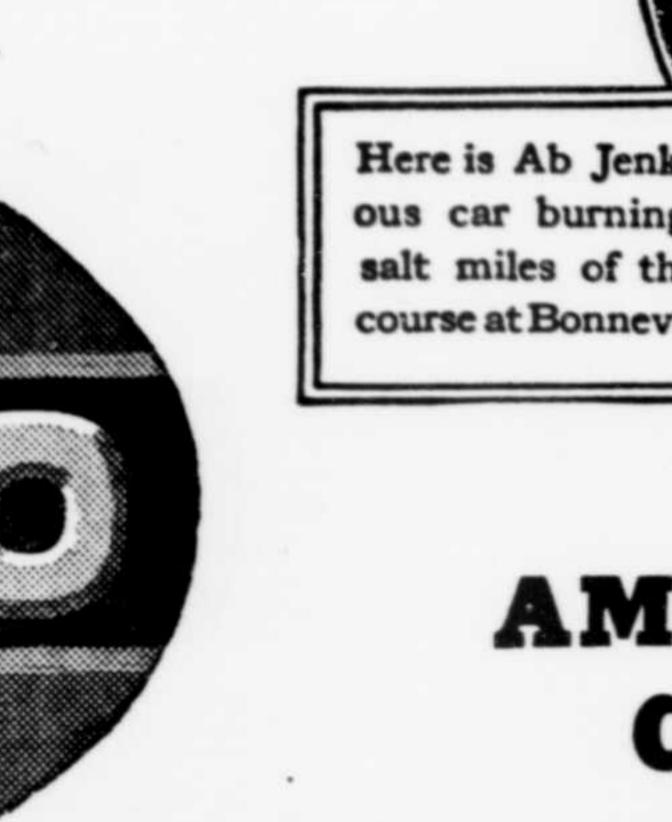

For the past ten years Jenkins has used Amoco-

Gas in making his tremendous list of World's Records. Amoco-Gas holds more Official A. A. A. World's Records than any other gas or motor fuel.

What Amoco-Gas does for Ab Jenkins it will do for you. Amoco gives the greatest all around performance and the lowest cost per mile.

Make up your mind today to make it Amoco all the way!

AMERICAN WINTER-CONDITION L For 21 years, Amoco-Gas has been starting faster, picking up easier and costing less per mile. Both Amoco-Gas and Orange American Gas are specially conditioned for winter driving. GAS

Here's the actual tent with

the drums of Amoco-Gas

which Ab Jenkins used.

No other gas will do!

Here is Ab Jenkins' famous car burning up the salt miles of the famous course at Bonneville, Utah.
