BASE HITS.

Washington Wins at Base Ball.—Chestertown High School Loses to Centreville in a Hard Luck Game.

In a close but loosely played game the Washington College nine defeated the team from the Baltimore Polytechnic Institute, 5 to 4, last Saturday.

The visitors looked like mere schoolboys alongside of the older and larger Washington men, but neverless they put up a game of ball which was surprising to the local team's adherents. With the locals playing in the form exhibited in previous games they should have had little trouble in holding the visitors down to a no score.

The Washingtonians seemed to go to pieces, the result of which was Poly's four tallies Biddie, the locals' star twirler, pitched a masterly game for his team. Except in the ninth inning, when he seemed to exhibit signs of weakening, he had the visitors at his mercy at all times.

Out of 30 men who faced him during the first eight periods he retired 12 by the strikeout route. Reynolds' pitching was uncertain and at times he pitched giltedge ball. However, he let the locals down with but five hits and these were mostly scattered. Washington started the scoring in the first inning when, with two men on bases, Barnes made a bad throw of a fly caught in deep right and Meekins and Garrett crossed the pan. In the fourth inning the locals went to pieces and by two wild throws to first and muff by Wallace of an easy fly ball two of the visitors were allowed to score.

Again in the ninth, the locals suffered a bad period, which almost ended disastrously. Biddle showed signs of weakening and allowed a hit, passed a man and Gore made the star hit of the game for three bags, scoring his two teammates. With a man on third and only one down Poly. seemed in a fair way to tie the score, but in attempting to go back to third after Wallace played the ball to that sack Gore overslid and was put out, thus putting a damper on the visitor's hopes on the game. Anderson's playing for the visitors was unusually good and far outshined his teammates in all department of the game.

MRS. MARGARET ANN THOMAS.

Mrs. Margaret Ann Thomas, widow of Rev. S. W. Thomas, D. D., died in Philadelphia on Tuesday, March 13, 1913. She was born in Chestertown, Kent Co., on September 15, 1834. She came of a family that extended back to the earliest Methodism in the very garden of it, the Eastern shore of Maryland. Her home was one of piety, culture and spiritual ideals. Here the Methodist Minister, as they travelled Maryland and Delaware, were welcomed, and left behind them something of that early spirit and genius that so prominently characterized the Methodist movement.

When Dr. Thomas came to conference in Philadelphia, in 1854, she came as his bride and for 57 years "they lived and moved and had their being in each other." If in one sense, he was the oak and she the ivy that entwined it, in another sense, she was the very air and soul that nourished him and gave him strength. Though she never obtruded in public life or events, this little forceful, calm, balanced woman was the inspiration back of that Prince in Israel in his multiplied activities for the kingdom of God on the earth.

She was a rare mother, who gave to and inspired in her three sons, a devotion and love unspoiled by death. She was a true friend of every Methodist minister and many of them were privileged to feel her kindly interest and broad sympathetic understanding. One noted the gentle blood of many generations that flowed in her veins, to the fine feelings and ideals of which she always kept true. Hers was an alert mind, a tender heart, a helpful hand. Though skillful in repartee, she never made free with friendship's finest feelings She was an interested and loyal member of Trinity Church, where she is loved and mourned. Three sons survive her: Harry N., Wiley and George E. Thomas. The funeral services were conducted at her home, 1513 N. Gratz street, on Saturday, March 16, participated in by Revs. J. Stringer, B. T. Callen, Wayne Channell, H. E Wahley, C. M. Boswell and S. M. Thompson.

Texas Woman Saved Her Boy By Using Great Kidney Remedy

My boy at about thirteen years of age had a severe attack of Swamp Fever, which left him with hemorrage of the kidneys. He would have from two to four attacks a year. We had several physicians attending him for three years. The Doctors told my family we would not raise him to be twenty-one years old.

I saw your advertisement in the papers. As a last resort I gave up the doctors and tried Dr. Kilmer's Swamp-Root. After using several bottles, was so well pleased with the result, we stuck to it and he is now twenty-one years old and a perfect and stout man. We can highly recommend Swamp-Root for kidney trouble.
