DEMOCRATIC TICKET.

FOR PRESIDENT:

JUDGE ALTON B. PARKER,

OF NEW YORK.

FOR VICE-PRESIDENT:

HON. HENRY G. DAVIS,

OF WEST VIRGINIA.

POLITICAL NOTICE.

Pursuant to the authority vested in me by the Democratic Congressional Convention of the First Maryland District, at its session at Ocean City, Maryland, on the 10th day of August last, I hereby call said convention to reconvene at Ocean City at 12 o'clock M., on Wednesday, September 14, instant.

Delegates and other Democrats interested in the work of said convention will please take notice of the time and place of the meeting of the same, and arrange to attend its session.

Delegates are especially urged to attend.

HENRY R. LEWIS Chairman.

CALEB S. PENNEWILL, was nominated for Governor by the Democratic Convention in Dover on Wednesday. L. Irving Handy, Esq., was nominated for Attorney-General. The convention was controlled by ex-United States Senator Kenney.

CONGRESSMAN J. F. C. TALBOTT was renominated for Congress by the Democrats of the Second Congressinal District at Harve de Grace on Tuesday after 220 ballots had been taken. This was one of the longest conventions in the history of the party in that district and it is about the sixteenth time that Talbot has been nominated for Congress.

THE NAME of State's Attorney Frank Harper, of Queen Anne's county, has been mentioned in connection with the Democratic nomination for congress at Ocean City on Wednesday next. Mr. Harper is a young man, very popular in his county and well known in Kent and Talbot counties. He would make a very acceptable candidate, especially to the younger element of the party. Who will be nominated at Ocean City remains to be seen.

MR. I. N. MILLS, a former Superintendent of the Delaware Railroad and very popular with all the old employees of the road, has declared himself a Democrat and cast his first Democratic vote in the primaries held at Dover Saturday. Mr. Mills has been a life long Republican. It is said his change of faith was brought about by the mismanagement of county affairs by the Union Republicans. He will support Parker and Davis. Still they come!

EX-GOV. FRANK BROWN, of Baltimore, was in Chestertown on Tuesday evening in the interest of the organization of a Parker and Davis League. Gov. Brown came over on the Ford in company with his son, his private secretary, and State Senator Beasemen, of Carroll county. He engaged a suite of rooms at Hotel Voshell, where he met by invitation a number of the citizens or Chestertown and the county, among them being State Senator Garrett Foxwell, Hope H. Barroll, Richard D. Hynson, Lewin W. Wickes, and Marion deK. Smith, Esqs., Dr. W. F. Hines and Messrs. Geo. D Lofland; Fred G. Usilton, Edward Robinson, Chas. L. Dodd, James T. Dixon and R. H. Collins. Gov. Brown discussed the situation in Kent with these gentlemen and stated that the object of the organization of the league was to cement the Democratic party in the State in order that most effective work may be done towards the election of Parker and Davis. Gov. Brown is himself a born organizer and he knows how effective a strong and hard-working league may be. The plan of the ex-Gov. met with the approval of all those present, but steps had already been taken towards the formation of district clubs or leagues throughout the county. A meeting of the Fourth district league is called for next Tuesday evening at 7.30 in Stam's Hall, where resolutions will be adopted and a plan of work mapped out. These leagues or clubs as they were called had already been formed in nearly every district in the county and the members thereof will use every effort to carry the county for Parker and Davis and the Democratic nominee for Congress. Gov. Brown and party left for Centreville, where he arranged for a county league for Queen Anne's on Wednesday morning. He will visit Denton, Easton and Cambridge for the same purpose. The ex-Gov. is one of the electors-at-large on the Democratic ticket, and that means that he is going to make a great effort to put Maryland in the Democratic column by an over-whelming majority in the fall.

STATE SENATOR John Gill was nominated for Congress by the Democrats of the Fourth Congressional District, on Thursday. This district is composed of Baltimore City wards from 9 to 20. Congressman Jas. S. Denny was Senator Gill's opponent. Mr. Lee S. Meyer was nominated by the Democrats in the Third Congressional District. He will be opposed by Congressman Wachter, Republican. Dr. Richard S. Hill was nominated in the Fifth District by the Democrats to oppose Sidney Mudd, Republican candidate.

THE MORNING TRAIN on the B. & D. B. R. R. has been arriving quite late nearly every day this week. This is due to heavy freight and not the fault of the conductor or engineer. There is no reason why the Pennsylvania Company should not run a special freight train on the Kent road instead of having the passengers who travel in the morning put to the inconvenience of a mixed train and poor accommodation. Should an accident occur on the road under mixed train service there is a very heavy penalty attached in Kent county, and it would seem to be to the advantage of the company to run a special freight over the road. Chestertown is entitled to better service than she gets on the Kent railroad morning train, and the Railroad company should see that Chestertown gets as good train service as does Centreville, Easton and Cambridge.

PEACE HAS FOR a century and a quarter, with one or two brief interruptions, prevailed between this country and the other countries. But Mr. Roosevelt for three years has emphasized our warlikeness. Represented by him, the country has "showed its teeth" to the nations; it has been made to snarl. Instead of "speaking softly," America has been made more or less of a bully by the gentleman who lamented that there wasn't enough of the Spanish war to go 'round—the gentleman who thinks we should teach un-self-respecting South American nations to respect themselves and their obligations.

Do we not require a constitutional President who will be a guarantee of peace? Life, liberty and the pursuit of happiness—not the pursuit of war—are the things for which the American Republic has stood in the past. They are more prized by the people than foreign territory, the acquisition of which benefits nobody but the office-holders. Give us a President with a constitutional point of view and a peaceable propensity, rather than the incumbent who pants for a crowded hour of glorious life in khaki and shapes with a biographer at his heels.
