Local Woman's Club In Monthly Session

Welfare Section Assists In Needy Cases

A+ the regular meeting of the Woman's Club of Centreville held last Wednesday afternoon with Mrs. Alfred M. Green, President in the chair. Reports of the officers and chairman of the several committees were read.

Mrs. E. Hall Coveii, Chairman of Welfare, reported that eight families had received help through this committee during the month of November, and forty-three articles of clothing were distributed, and some food give.i., The needs of these families have been fully investigated and aid given in homes where the need is greatest.

At a recent meeting of the committee; of the Maryland Children's Aid held at the home of Mrs. Covell, Miss Marion Rau, Field Representative of the Maryland Children's Aid was present. Chairman for the several sections of the county were named as follows: Centreville, Miss Betty Earle, Mrs. Oliver Ladew; Stevensville, Mrs. Jack Daniels, Mrs. Lee Bell; Queenstown, Mrs. Margaret Cross and Mrs. Richard Davidson; Church Hill, Mrs. C. W. Hall; Queen Anne, Mrs. Horace Morgan and Mrs. Fred B. Sylvester. The Board of Directors is George Chesbro, Mrs. Anne Shockey Green and Mrs. Lola P.

Other work brought up at the session was the naming of a nominating committee for the annual election of officers. They were Mrs. William Freestate, Mrs. J. Grant Yates and Mrs. Franklin D. Day.

General discussion of Club Federation activities took place and plans were also discussed for the organization of several departments, at an early date.

Grade A Raw Milk Has

Regulations concerning standards for 150 per cent. Grade A raw milk produced, shipped or handled in Maryland have been laid down by the Maryland State Board of

The regulations are more rigid than those for ungraded milk, both as to equipment and as to the quality of the milk produced. In addition to the basic requirements for ungraded milk the following are compulsory: Medical examination of employees; annual, or 1, necessary, more frequent testing of the cattle for contagious abortion, and removal of re-acting animals from the herds and premises in which they are found; the physical examination of the of many a pun since the little orange cows, by a competent veterinarian twice a year; the buildings and premises must meet certain specified conditions as to been developed into a pleasant spare- fish. construction, light, ventilation, cleanafter milking milk must be cooled to a temperature of 50 degrees Fahrenheit the dark mud carp and through selective breeds developed bright colors and tum Magazine.

delivered; milk must not contain more odd characteristics. Yet, within a short than 50,000 colonies of bacteria by the time, if cultivation is neglected, the standard plate method or more than gold fish reverts to type.

RESOLUTION OF RESPECT

Resolutions On The Life Of Mrs. Lida V. Jarman

Now and then in the march of time an event of such great importance happens, that we, in spite of the mad rush and battle of life, pause and meditate upon it with awe and wonder. Such happened when the spirit of Lida V. Jarman left the "house of clay" and passed to the realms beyond to inhabit "a building of God", a house not made with hands, eternal in the

It is with mingled feelings of sorrow and joy that we consider the passing away of this noble and sainted character, to know that we can not again here, see her genial smile, hear her words of council and feel the clasp of her outstretched hands, yet grateful for having had these blessings and privilege to enjoy the company of this godly woman for these many years. Whereas, in perfect harmony with the Divine plan, her earthly career is ended, we reverently bow in submission to God's will.

Whereas, Mrs. Lida V. Jarman was for many years a devout member of Calvary M. E. Church Ladies' Aid Society, a loyal supporter for everything good and faithful in her attendance to all the meetings of the Society. Be it resolved:

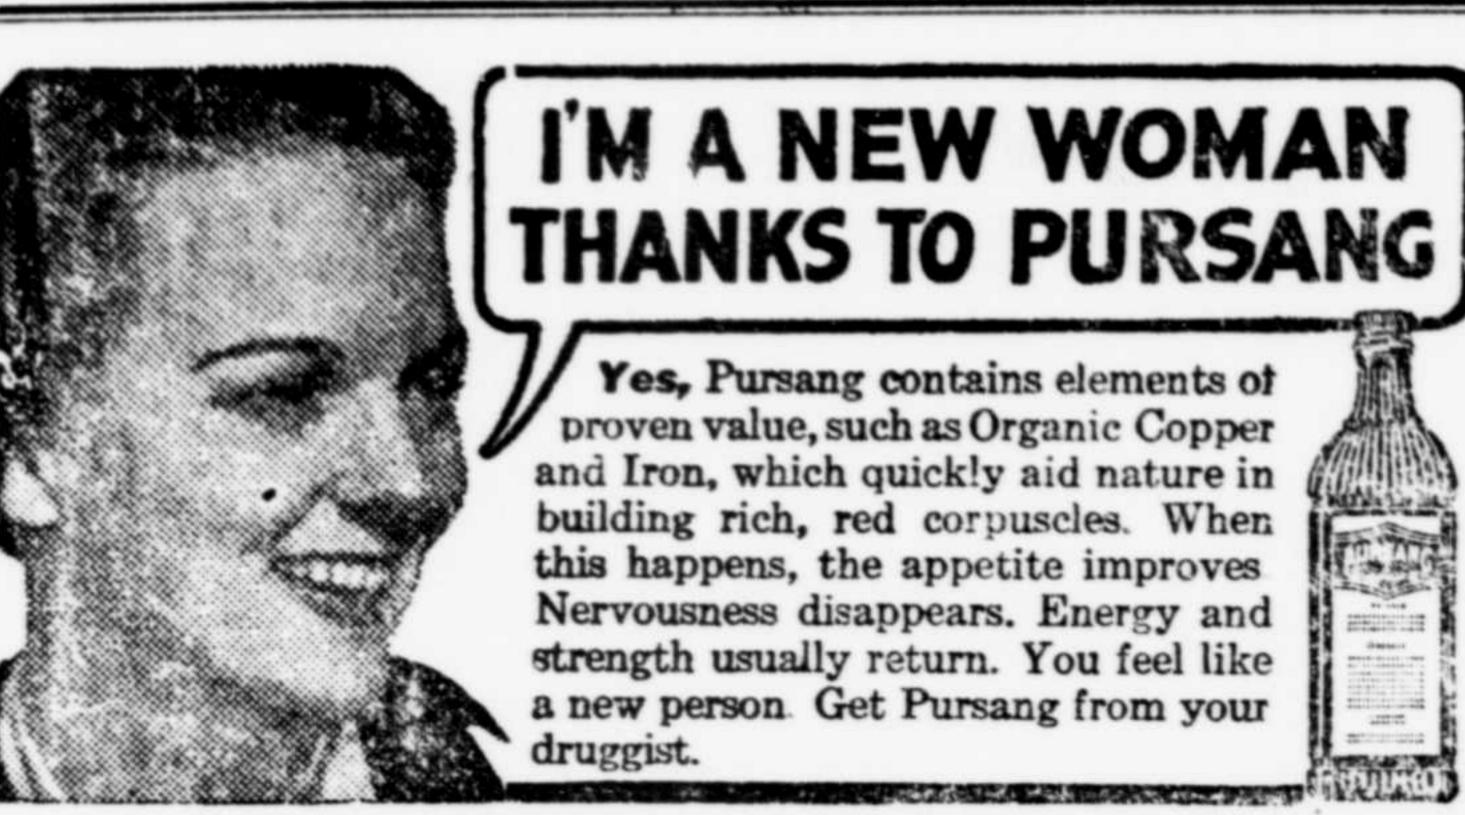

First: That our Society has sustained one of the greatest losses that could come to it, the absence of her presence will be felt but her memory will be cherished and ever be an incentive to us left behind to do more for the cause she so dearly loved.

Second: That our Society and all the Organizations of the Church have lost a loyal and patriotic citizen.

Third: That her husband and daughters have lost a most devoted and conscientious wife and mother, that other loved ones and friends, one who was always interested in their welfare, to all these we extend our most profound sympathy and love.

Fourth: That a copy of these resolutions be spread upon the minutes of our Society and sent to the family.
