SATURDAY, NOVEMBER 13, 1909.

THE saloon element in Baltimore was arrayed against the Amendment so as to save the negro vote to help them carry the city for license. Now then the Legislature should give them a chance to vote on it and let them prove the fidelity of their Republican friends.

THE newly elected officials for Kent county will likely get their commissions and take charge of their offices about December 1st. Sheriff Hadaway will take charge of his store and remove there while Tylden Hadaway, the present tenant, will occupy the Howard house, next door to Bacchus coal yard.

THE new board of commissioners will likely organize early next month by electing Mr. Harry Davis president. If efficiency, courtesy and experience are to be the criterion the present popular clerk, Mr. Charles L. Dodd, will be reappointed, but it is likely that politics will step in and make Mr. Robert Crew, late of Rock Hall, *if he wants it*, and a brother of Mr. T. Benj. Crew. Mr. Crew is an affable gentleman, and a man of high character. There are several other candidates.

THE big fire Friday night plainly proved the need of Chestertown for more water. This need has been felt by those in authority for sometime but as there was no money in hand nor in view the question as to how to get more water has been left unsolved. The fire however brought the matter home in a most impressive if not serious manner.

The Water Board at a special meeting held on Monday evening took action as noted in another column looking to a solution of this problem. We are confident that the excellent committee appointed will make some wise suggestion and further that the citizens will endorse their action.

BUY AT HOME.

For several weeks the Baltimore retail merchants have been advertising free fare to Baltimore to shoppers who buy $20 worth of goods. This shows that Baltimore merchants are waking up and are striving after the Eastern Shore trade. This is a wise move *on their part*. Now in reference to the other side of this proposition.

In the columns of the NEWS will be found an array of advertisements of local merchants unrivaled by any paper or place. These local merchants are your neighbors and friends and their goods cannot be excelled in quality or price. There is no reason therefore why anyone should go out of Kent to buy goods. Do to others as you would be done by. You owe it to your neighbor to buy from him first, then get what he doesn't keep from abroad. Many do the opposite, viz., get most everything in the city then buy a few trifles here. BUY AT HOME.

Buy early. It can be done so gradually that it will be done unconsciously and the task will not seem a hard one.

Just think for a moment as to who keeps up your schools, your churches, your town streets, etc., etc., who helps you when in sickness or trouble, who employs you when in need of work and we think you will BUY AT HOME first, then go abroad for articles that cannot be purchased here.

A PUBLIC MEETING.

Messrs. Editors of Kent News:—

We suggest that the citizens of Kent county hold a public meeting in the Court House, Chestertown, on Monday, December 6th, to discuss needed legislation for Kent county.

We are sure that Senator Slay and Representatives Willis and Harris will be glad to be present and listen to the views of their fellow citizens upon the questions that effect Kent countians.

One of the most important questions to be considered is that of the Kent county roads. Whether it would be better to have a practical road engineer at a $1500 salary, to have a poorly paid road commission or to continue the present plan of compelling our county commissioners to look after our roads.

The game laws of the county should also be talked over.

Let the citizens of the county without regard to politics meet and exchange views.

Emma C. Daddysman,
versus
John A. Blackiston, William T. Blackiston, Elizabeth Blackiston, Beulah Blackiston, Carmen Blackiston, Gloria Blackiston, Clarence Bantz, H. B. Bantz and Burwell Bantz.

In the Circuit Court for Kent County in Equity. No. 1726.

THE OBJECT of this suit is to procure a decree for the sale of the Real Estate and for the appointment of a Receiver to take possession of the Real Estate of the late John T. Blackiston, deceased.

The bill states that the plaintiff is a citizen of the United States and a resident of the District of Columbia, and that all the defendants are citizens of the United states: John A. Blackiston resides at Piedmont, State of West Virginia; William T. Blackiston is a resident of San DeFuca, Island County, State of Washington; Elizabeth Blackiston, Beulah Blackiston, Carmen Blackiston and Gloria Blackiston reside somewhere in the State of California, their exact place of residence being unknown, one year ago your orator is informed said defendants were residing in Los Angeles, Cal.; Elizabeth Blackiston is the widow of Thomas Copper Blackiston, deceased, and the defendants, Beulah Carmen and Gloria Blackiston are infants under the age of 21 years, are the only children of Thomas Copper Blackiston, deceased, the said children and Elizabeth Blackiston are the sole next kin of said Thomas Blackiston, deceased, and the said three children are his sole heirs at law; the defendants Clarence Bantz, H. B. Bantz and Burwell Bantz reside somewhere in the State of Wasnington, their exact place of residence being unknown to your orator; Clarence Bantz is widower of Rebecca J. Bantz and H. B. Bantz and Burwell Bantz, who are adults are the only children of said Rebecca J. Bantz, deceased, and are her sole heirs at law.

And the bill states that one John T. Blackiston, late of Alegbany county, Maryland, departed this life leaving a last will and testament, said will was duly admitted to probate in Orphan's Court of Allegbany county on the 4th of August, 1893, and an exemplified copy of said will has been duly recorded in the office of Register of Wills for Kent county, Maryland in Liber C. H. S. No. 4, folio 276, a copy of said will being filed in this cause and marked Exhibit A.

That at the time of his death said John T. Blackiston was survived by his wife, Maria A. Blackiston and by your orator, John A. Blackiston, William T. Blackiston and by his now deceased children, Rebecca J. Bantz and Thomas Copper Blackiston, his sole heirs at law and next of kin: The said Rebecca J. Bantz being the deceased wife of the Clarence Bantz and and mother of H. B. Bantz and Borwell Bantz and the said Thomas Copper Blackiston being the deceased husband of Elizabeth Blackiston and the father of the infant defendants, Buelah, Carmen and Gloria Blackiston.

That the said John T. Blackiston at the time of his death was seized and possessed of a farm at East Neck, Kent county, Maryland, lying near Rock Hall, and known for a time as "Burgess" or "Bowle Farm," and lately as the "Chester View Farm," adjoining lands of Alexander Harris and containing about one hundred and fifty acres.

That by the terms of said will the aforementioned tract of land, together with all furniture and personal property of whatsoever nature or kind owned by testator, was devised and bequeathed to the wife of said testator, Maria A. Blackiston, for and during her natural life with power in the said Maria A. Blackiston to dispose of whatever personal property she may choose for her absolute use and benefit, upon the death of said Maria A. Blackiston the aforesaid real estate together with the personal property therein including household and kitchen furniture that may be on hand and not otherwise disposed of by the said life tenant was devised and bequeathed to a son, William T. Blackiston, should he survive said life tenant, upon the condition however that after an appraisal by three disinterested persons of the value of the farm and furniture aforesaid the sum of three hundred dollars be deducted from the appraised value and the balance paid by William T. Blackiston to the other heirs of the said testator, share and share alike without interest, should said payments be made within the space of two years from the date of the appraisement and with interest at the rate of five per cent. from the date of the appraisement should said payment be not made within two years; should said Wm. T. Blackiston not comply with the terms and provisions of the aforesaid devise and bequest, then the said farm, with all thereon belonging to the estate at the death of the life tenant, was devised and bequeathed to any of the testators other children then living who should be willing to receive the same upon the aforesaid conditions; should no one of the children desire to take said farm and personalty upon the terms aforesaid, then the same be sold at public auction together with all furniture and fixture thereon belonging to the estate of testator, the proceeds of said sale to be turned into the general account of testators estate.

The bill states that on the 22nd day of July, 1905, the said Maria A. Blackiston, life tenant as aforesaid departed this life, that in accordance with the provisions of said will, James B. Wilson, Benjamin H. Coburn and Robert Wickes, three disinterested persons were constituted appraisers to appraise the value of said farm and personal property thereon, and on the 6th day of September, 1905, they valued the said farm and personal property thereon at three thousand, eight hundred dollars, that thereafter William T. Blackiston declined and continues to decline to take possession of the said farm and personal property thereon under the terms of said will and on September 21, 1905, a paper writing was signed by all the parties interested, agreeing to allow the defendant John A. Blackiston to take the said farm upon the conditions named in the will of John T. Blackiston and only claim our proportion of the proceeds of the transfer of said farm to John A. Blackiston the same as if it had been sold at public sale. The proportion of each heir subject to the amount being deducted that each receive from the estate prior to the death of Mrs. M. A. Blackiston, a copy of which is a part of this bill and marked Exhibit B.

Your orator further says that John A. Blackiston, who agreed to take the farm as aforesaid, has not complied with the terms of said will, and has not made the necessary payments in accordance with the provisions of said will; that instead thereof he has been receiving the rents and profits from said farm as aforesaid without accounting to the other devisees and legatees therefor, and converting the same to his own use since about the 24th day of July, 1906; that he has neglected to keep the said farm in good condition, and has wasted its resources and permitted the same to become diminished in its value about one-half for want of attention, and that the said farm is at present without a custodian, any possession of the said John A. Blackiston being wrongful in that he has failed to comply with the terms of said will and with the terms of said agreement.

Your orator further says that the terms of said will, with regard to paying the appraised value of the aforedescribed farm, have not been complied with by any of the heirs of said John T. Blackiston, although a long space of time has elapsed, and that none of said heirs have manifested or evinced any bona fide desire to take said farm by complying with said terms, and that the said farm, therefore, should be sold under the direction of this Honorable Court, and the proceeds distributed in accordance with the provisions of said will; that the said will does not name a Trustee or Trustees to sell said farm, and that as a party interested she filed this Bill applying to this Honorable Court for relief.

Your orator further says that during the lifetime of Maria A. Blackiston she advanced various sums of money to some of the remaindermen of the real estate herein described, as follows:

Thomas C. Blackiston.....	$ 2,946.89
John A. Blackiston.....	1,355.02
Rebecca J. Bantz.....	1,292.03
William T. Blackiston.....	255.80

that said sums were advanced by said Maria A. Blackiston with the express understanding that they would be chargeable against the share or shares of the said remaindermen in the real estate described herein; and your orator avers that because of such advancement and under standing, the share or shares of said remainder men in the real estate mentioned herein are chargeable with a lien in favor of the estate of the said Maria A. Blackiston to the extent of said advancements, that such sums should be paid out of the fund derived from the sale of the real estate herein mentioned to the administrator or other legal representative of the estate of said Maria A. Blackiston.

It is thereupon this 11th day of November, 1909, ordered by the Circuit Court of Kent County, in Equity, that the plaintiff by causing a copy of this order to be inserted in some newspaper, published in said Kent county, once in each of four successive weeks before the 13th day of December, giving notice to the said John A. Blackiston, of Piedmont, W. Va., and Wm. T. Blackiston, of San de Fuca, Island county, Wash; Elizabeth Blackiston, Beulah Blackiston, Carmen Blackiston and Gloria Blackiston, all of the State of California; Clarence Bantz, H. B. Bantz and Burwell Bantz, of the State of Washington, who are all non-resident defendants of this State; and warning them to appear in this Court by person or by solicitor, on or before the 31st day of December next to show cause, if any they have, why a decree ought not to be passed as prayed.
