Frightful Death of Wm. G. Rawlings.

The Dover Delawarean has the following: Wm. G. Rawlings, met a horrible fate Christmas afternoon, when he was burned to death on a load of hay. Young Rawlins went to a tenant farm for the hay, which was loaded on what is known as a rick wagon, a skeleton frame holding several tons. When about a mile from home neighbors noticed his two horses running wildly in front of a sheet of flame. The horses made for home, and when the neighbors went to the Rawlings house they were met by servants who told them the young man had been burned to death and that none of the family could be seen. One of the servants, an aged colored man, afterward told a newspaper man that William had had several attacks of epilepsy and that it was believed that while driving home on top of the hay, he lighted his pipe and was stricken, the pipe falling from his mouth firing the hay and causing his death.

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Fitchville, Ohio.—"My daughter was all run down, suffered from pains in her side, head and limbs, and could walk but a short distance at a time. She came very near having nervous prostration, had begun to cough a good deal, and seemed melancholy by spells. She tried two doctors but got little help. Since taking Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills she has improved so much that she feels and looks like another girl."—Mrs. C. Cole, Fitchville, Ohio.

Irasburg, Vermont.—"I feel it my duty to say a few words in praise of your medicine. When I began taking it I had been very sick with kidney and bladder troubles and nervous prostration. I am now taking the sixth bottle of Lydia E. Pinkham's Vegetable Compound and find myself greatly improved. My friends who call to see me have noticed a great change."—Mrs. A. H. Sanborn, Irasburg, Vermont.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address Mrs. Pinkham, Lynn, Mass.

FOLEY'S HONEY AND TAR
Cures Colds: Prevents Pneumonia

HOW TO CURE RHEUMATISM.

It Is an Internal Disease And Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing on Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatsim than paint will change the fibre of rotten wood.

Science has at least discovered a perfect and complete cure, which is called "Rhumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poison out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and $1 a bottle. In tablet form at 25 and 50c a package. Get a bottle to-day. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. 15Jan4m.
