The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. **Swamp-Root** corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

ROCK HALL NOTES.

It was a surprise to some of the people Sunday morning when Brother J. T. Richardson announced to the people his intentions of leaving Rock Hall. Mr. Richardson and wife have made many friends in this place and quite a good many are sorry to part with them.

Sunday 27th, is missionary day, and a splendid program is being prepared in the M. E. Church.

The old maids convention was a success, the young ladies did fine.

Miss Maude Miller has returned to North Carolina after two months rest.

Mr. Herbert Walmsley is improving expects to leave the hospital soon.

Little Caroline Richardson is sick at this writing.

Last January ground seeded to wheat was nicely covered by the crop, but this year it is quite different, it is now tinged with yellow markings of the cold weather and meekly lies close to the earth. Farmers think this a better indication for a good crop than if it had made a luxuriant growth during the winter months as it did last year.

Rat Killing.—As a destroyer of rats Arthur Crawford, foreman at Conyer's Manor, near Greenwich, Conn., the 1,500 acre estate of E. C. Converse, the New York steel magnate, has the "Pied Piper of Hamelin" beaten. Mr. Converse has been at his wits' end because of their depredations in his henneries, which are called the finest in New England, killing numberless young chicks of fancy breed and carrying off hundreds of eggs.

Finally Mr. Converse issued a call for some one to rid him of the pests. Up stepped Foreman Crawford, says he could do the job. He began operations Wednesday and killed 216 in half hour.

He covers his hands with "bite-proof" gloves, the floors of the henneries taken up and calmly delves down into the rats' nest and pulls up the frightened rodents one at a time, breaking their backs, flinging them aside and then reaching down for more.

HOW TO CURE RHEUMATISM.

It Is an Internal Disease And Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing in Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatsim than paint will change the fibre of rotten wood.

Science has at least discovered a perfect and complete cure, which is called "Rhumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poison out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and $1 a bottle. In tablet form at 25 and 50c a package. Get a bottle to-day. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. 15Jan4m.
